Report on Women's Day program

International Women's day was celebrated at Sarada Vilas College by NSS unit on 08th March 2022. All women faculties of the institution gathered at AV Hall of college campus. The theme for **Women's Day 2022** was "Gender equality today for sustainable tomorrow".

The college NSS officer Mr. B S Mahendra welcomed the gathering. Dr. M Devika, The Principal of SVC was the chief guest of the program. The chief guest gave the speech regarding the theme stating that gender equality must be given more importance in the entire field.

She highlighted the importance of education, especially to land a job to be financially independent. She explained how motherhood often paused a women career, which should change with time. She pointed the importance of being a strong woman in the society. She remained the group that women empowerment is not just limited dominating men, but flourishing with the opportunities with what we have.

Dr. Saroja Yallappa Talawara, Asst Professor, Dept of Mathematics, SVC expressed her opinion stating that her journey from being homemaker to become a Asst Professor was possible only because of her family support.

The program was successfully ended with vote of Thanks by Mrs. Shakuntala, Asst Professor, Dept of Zoology, followed by a group photo session.

A Report On World Biodiversity Day-2022

Our college, Youth Red Cross organised the World Biodiversity Day-2022, on 21.05.2022, this inaugurated by Sri. Chandrashekar N, Hon. Secretary, Sarada Vilas Educational Institutions(R), Mysore, Dr. Devika M, Principal, Sarada Vilas College, Mysore presided the function. There were about 120 volunteers attended the function. Volunteers also cleaned the campus and tree plantation also made in th college premises. Capt. KA Manjunath, Youth red Cross Officer, Mrs. Gagana S, Mr. Yashwanth, Mr. Mahendra, NSS officer, Principal Dr M.Devika, Sri N Chandrashekar-Hon. Secretary Sarada Vilas Educational Institutions witnessed the function.

"Building a shared future for all life" is the theme of International Day for Biological Diversity for 2022. Led by the United Nations Environment Programme (UNEP), World Environment Day is celebrated on June 5 every year to raise awareness about degrading environmental conditions and to encourage people globally to take positive environmental actions, to help create a better future. In December 2000, the UN General Assembly adopted 22 May as IDB, to commemorate the adoption of the text of the Convention on 22 May 1992 by the Nairobi Final Act of the Conference for the Adoption of the Agreed Text of the Convention on Biological Diversity.

Title of the Best

- **Practice 1: COVID-19 Relief Fund**

- **Objectives of the Practice:**

To help people who are suffering from COVID-19 by providing emergency relief and support. There are motivations behind providing relief fund: To contribute to the Government entity who is engaged in helping the infected people in the society. This also includes efforts to stop the virus's spread and help patients recover from the pandemic situation. A humanitarian response to meet the basic needs. Humanitarian assistance must be able to meet the basic needs on time, effectively and efficiently, for those affected by the pandemic disease are to be helped to see out to rebuild their lives quickly. It was seen that a substitute for food is the cash which is efficient way to meet the basic needs which can be supported by the development of reliable delivery mechanisms.

- **The Context:**

The institute believes that a motivated workforce (Staff and Students) can be a significant factor in institute's success. Humanitarian assistance strives to provide the most appropriate, effective and efficient responses to the needs of people affected by Covid -19. It was therefore considered useful to develop a set of principles to donate and humanitarian partners alike on how best to work with multi-purpose assistance. The help to the infected people can be provided in many ways depending on needs and context. The principles have emerged from recent experiences with such programmes and are intended to provide a common framework for the way donors and humanitarian partners provide multi-purpose assistance. The principles are also intended to reassure people who are affected by COVID – 19 and that assistance is provided in a responsible way. The institution has sensitized the COVID-19 situation and initiative was taken by employees' of Sarada Vilas College. Employees of Sarada Vilas Institution expressing solidarity with the people to fight COVID – 19, has reached out and supported to the best of their ability.

- **The Practice:**

- The institute has constituted the clarity of roles and responsibilities regarding the services undertaken. The government to face the COVID-19 pandemic requires an unprecedented degree of cooperation between governments and citizens and across all facets of society to implement three-dimensional distancing and other policy measures. Facing the COVID-19 (coronavirus) pandemic, governments around the world have set up various coordination mechanisms at the centre of government (COG) to facilitate pandemic response. To drive the response, not only the government will need to be fast, creative, flexible, effective, transparent and accountable, each citizen of the country are also to be more fast, creative and responsive to their society. Although COVID-19 began as a health crisis, its rapid and ongoing global spread saw it become an economic crisis first and foremost for many economies. So the institution has identified the advantage of the relief fund. The institution always takes the pride in developing citizens who are responsible. In this context Sarada Vilas Institution has donated Rs. 85000 to the Chief Minister's COVID -19 Relief Fund. Heads of the Sarada Vilas Educational institutions under the guidance of President and Hon. Secretary, presented the cheque to Deputy Commissioner Dr. Bagadi Gautham in city. This contribution has also created the awareness amongst the society that the relief fund will help the people who are in need of the basic necessities during this pandemic situation.

Evidence of Success:

The speed and severity of the shock have been met with unprecedented levels of support. These measures have helped to sustain the incomes of many and minimise initial job losses. This measure of the institute has helped to provide a degree of income security for many. The COVID-19 pandemic is emphasizing a range of operational challenges of social protection systems. In addition, the lockdown has resulted in the closing of childcare facilities and schools, depriving children from low-income families of free school meals. This relief fund has helped to distribute hygiene kits, food & medical supplies extend emergency relief. This has helped to turn institutions' good intentions into action. The COVID-19 pandemic has required policy makers to ramp up their income-support programmes by stepping up means related support to the needy. The current crisis already presents a major stress test for income-support programmes and will continue to do so over the coming months and, probably, years.

• Problem Encountered and Resources Required

- The spread of COVID-19 has already had a high human cost, and, with public health systems struggling to cope, these costs will continue to grow. The policies put in place by governments to slow the transmission of COVID-19 have led, in many countries, to a massive demand and supply shock. These effects have already led to large increases in unemployment and underemployment rates and will continue to threaten the survival of many firms worldwide. As the fund is given to chief ministers COVID 19 relief fund, hope Navigating the emergency and a challenge in sequencing is not a difficult task. As a result problem encountered ad resources required will not be known.

INTERNATIONAL ANIMAL RIGHTS DAY CELEBRATION

Report

Date: 10/01/2022

Venue: AV Hall

On the occasion of "International Animal Rights day" on 10th December 2021, the Department of Zoology, Sarada Vilas College, Krishnamurthy Puram, Mysore conducted "Voice of animals" an interactive session with 'People for Animals', Mysore with regard to inculcate awareness among the students about the untold rights of animals.

The session started at 12:00 PM on 10/12/2021, started with the instructions to the participants. Mrs. Shakunthala, Assistant Professor and Head, Department of Zoology welcomed the gathering and introduced the guests and Dr.M.Devika, Principal, Sarada Vilas College presented the Inaugural speech. The scientific session was moderated by Ms. Gowri. A. Hoysala, Assistant Professor, Department of Zoology.

The resource persons are Mrs. Savitha Nagabhushan, The Honorary Managing Trustee, PFA, Mrs. Kokila Jain, A Biologist and Sparrow Conservator and Ms. Ashika Appaiah, Social media and Public relation manager, PFA

Mrs. Savitha Nagabhushan has served as honorary managing committee member at CUPA & as a trustee at Wildlife Rescue Center in Bangalore. She also photographed captive elephants in Assam, Andaman's, Bihar, Karnataka and especially in Kerala. Mysore City Corporation was still poisoning the street dogs till 2010, but in the year 2010 reaching out to Animals got the contract for sterilization of the dogs. She has worked for stray animals for more than twenty years. She also photographed electrocution. After her photos reached Maneka Gandhi (Member of Lok Sabha), the killing of dogs was stopped in Bangalore.

Ms. Ashika Appaiah is a gold medalist from University of Mysore. She started her carrier as content writer and slowly upgraded her skills to a graphic designer, Movie Director, Photographer, Videographer and editor she also manages the social media and Public Relations of PFA Mysore.

She elaborated the structure and functioning of People for animals and exposed the inside world of PFA beautifully through her presentation. The idea of pet adoption was conveyed to the students.

Mrs. Kokila Jain is a Biologist and Sparrow Conservationist and working for the environment too by making seed balls and saplings which are being distributed. She is a science graduate and strongly believes in the philosophy of Live and Let Live. She shared her concern and conservative activities on diminishing Sparrow of India.

Mrs. Savitha Nagabhushan, The Honorary Managing Trustee, PFA clarified various queries raised by the students. The program was concluded with vote of thanks by Ms. Jyothsna. Madhu, Assistant Professor, Department of Zoology, Sarada Vilas College. The Session was very informative and well appreciated by the participants.

Thanking you.

Sarada Vilas College is the most sought educational institution in the city of Mysuru, which not only has academic excellence but also involves itself in various other activities which fulfil social and environmental objectives, such as the celebration of important National and International days, conducting workshops, seminars, invited talks, organizing projects, awareness programmes, relating to social and environmental issues which evokes the social responsibilities among the students.

One such activities was the celebration of 'International Biodiversity Day' organized by the Department of Botany.

Conservation of biodiversity is vital for maintaining the earth's environment and sustaining life on the planet. There are number of ways in which the richness of biodiversity helps in maintaining the ecological systems. Conservation of biodiversity is important for the survival of living beings on earth. Hence a lot of emphasis is being given on the conservation of biodiversity.

With this objective, every year UNO celebrates, International Biodiversity Day on 22nd May, to create awareness among its nations regarding the Conservation of Biodiversity. Every year the day is celebrated with the theme, this year theme was "BUILDING A SHARED FUTURE FOR ALL LIFE".

With respect to the theme of International Biodiversity Day, series of events were organized by the department which portrays the necessity of conserving the biodiversity. The programme was scheduled for those days of 20th, 21st, and 23rd of May 2022 with various environmental related activities by the students.

On 20th May 2022, the celebration of biodiversity day commenced with Cleaning up of Campus by the students in association with NCC and NSS. The celebration continued with the planting of saplings in and around the campus as part of green initiative with the solicit presence of our Hon'ble Secretary of SVIL. It was also witnessed by Dr. M. Devika, Principal, Sarada Vilas College and Head of the Department Botany and Capt. R. A. Manjunath, NCC officer and Head of the Department Microbiology and Biotechnology.

It was followed by a science lecture competition on the 21st of May 2022, with the theme-innovative ideas for the conservation of energy. Students belonging to various streams of the college participated enthusiastically in lecture competition presenting their own ideas on the conservation of energy. The lecture competition was evaluated by Smt. Suganthi S Singh, Head of the Department, Physics and Sri. Shivashankar, Asst. Professor in Environmental Studies.

On 23rd May 2022, an invited talk was organized to create awareness about biodiversity conservation among the students. The talk was delivered by Dr. A. G. Deviprasad, Retd. Professor Department of Studies in Environmental Science, University of Mysore. The resource person not only shared his insight with us but also awoken students minds to the need to conserve biological diversity. We also had an Oath-taking session, all the students and faculties took an oath to say no to the products that harm biological diversity and lead an eco-friendly life. The event was concluded by the presidential address, honouring the chief guest as a token of respect and a short valedictory note.

Organizing such events often in the educational institutions makes the students a socially responsible citizen and admonishes everyone's responsibility in conserving our MOTHER EARTH.

VOICE OF THE READER

The NCC Experience

Prompt service by District COVID War Room Helpline

Sr.

On being posted from Jabalpur to field in Eastern Command, I had decided to move family to Mysuru, for purpose of my son's studies. The prevailing second wave of COVID-19 and varying lockdown status of intervening States of Maharashtra, Telangana, Andhra and Karnataka coupled with the requirement of e-pass added to the perplexity of our move.

On getting vague inputs regarding e-pass requirements from different quarters, I finally got in touch with the Mysuru District COVID War Room Helpline. The person who attended my call was from 13 Karnataka Bn NCC at Mysuru. He promptly took my contact number and got back to me in ten minutes, saying my movement order and a

certificate mentioning details of family and my vehicle registration number should suffice.

Further, a reference of tele-conversation with this Helpline should dispel any doubts as to the movement.

On enquiring as to whom I am speaking to, he replied "Sir, I am Nabeel Ahmed N, Senior Under Officer in 13 Karnataka Bn NCC, I am presently a second year Mechanical Engineering undergraduate."

Saying so, he heartily welcomed me to Mysuru and followed it up with a welcoming SMS on my mobile phone.

I have reached Mysuru with family with no hindrances enroute. I am sure all people interacting with the COVID War Room at Mysuru would have benefited from the exemplary response from 13 Karnataka Bn NCC, as I have.

I wish Nabeel Ahmed all the best in all his pursuits and thank the staff of his NCC Bn for contributing in so many intangible ways towards nation-building in this pandemic.
