In the first batch the training program was conducted to students. The Tally ERP inauguration program was organised on 17-01-2022. Initially more than 50 students showed interest for the tally ERP 9 Classes and the number was reduced to 30 students as per our available computer lab Facility. From each students Rs 2,500 was collected towards the Tally ERP fees and deposited to Institute account and later it was paid Shri Sainik Gurukula-An Authorised Tally training institute in Mysuru.

Totally 40 classes were conducted (15 hrs theory classes and 25 hrs Practical classes) for the I Batch Students. The exams were conducted on 12-03-2022 for 30 Students in 3 Different batches of 10 students each. The exams were conducted in the computer science department of Sarada Vilas College. The list of students whom have taken examination are enclosed.

The department of commerce and business administration has also arranged for the training program for the staff members of sister institute of Sarada Vilas Educational Institutions. The meeting of staffs were conducted on 14-03-2022 for the staff members of the Sarada Vilas Educational Institutions to know the requirement of the staffs. The training program was started from 15-03-2022 from 3.30PM-5.00PM every day for 8 days. This is considered as II batch of training program of Tally ERP.

List of participant's received from sister institutions were 22. The attendance to the class was not encouraging due to official work at their institutions like examination duties, NAAC work etc., However after discussing with the Hon. Secretary sir it was decided to select one &/or two from each of the sister institution to train them separately at their convince, specially Saturday, Sunday or any day in which the work pressure is less at their workplace. The same has to be discussed with Mr. Bhaskar, Shri Sainik Gurukula-An Authorised Tally training institute in Mysuru.

The distribution of certificates to the students who pass the examination has to done with a colorful function.
