### 3. Responsibilities of the Higher Educational Institution- (1) Every HEI shall,-

- Wherever required, appropriately subsume the spirit of the above definitions in its policy and regulations on prevention and prohibition of sexual harassment against the employees and the students, and modify its ordinances and rules in consonance with the requirements of the Regulations;
- publicly notify the provisions against sexual harassment and ensure their wide dissemination;
- organise training programmes or as the case may be, workshops for the officers, functionaries, faculty and students, as indicated in the SAKSHAM Report (Measures for Ensuring the Safety of Women and Programmes for Gender Sensitization on Campuses) of the Commission, to sensitize them and ensure knowledge and awareness of the rights, entitlements and responsibilities enshrined in the Act and under these regulations;
- act decisively against all gender based violence perpetrated against employees and students of all sexes recognising that primarily women employees and students and some male students and students of the third gender are vulnerable to many forms of sexual harassment and humiliation and exploitation;
- publicly commit itself to a zero tolerance policy towards sexual harassment;
- reinforce its commitment to creating its campus free from discrimination, harassment, retaliation or sexual assault at all levels;
- create awareness about what constitutes sexual harassment including hostile environment harassment and quid pro quo harassment;
- include in its prospectus and display prominently at conspicuous places or Notice Boards the penalty and consequences of sexual harassment and make all sections of the institutional community aware of the information on the mechanism put in place for redressal of complaints pertaining to sexual

harassment, contact details of members of Internal Complaints Committee, complaints procedure and so on. Any existing body already functioning with the same objective (like the Gender Sensitization Committee Against Sexual Harassment (GSCASH)) should be reconstituted as the ICC;

Provided that in the latter case the HEI shall ensure that the constitution of such a Body is as required for ICC under these regulations. Provided further that such a Body shall be bound by the provisions of these regulations;

- (i) inform employees and students of the recourse available to them if they are victims of sexual harassment;
- (j) organise regular orientation or training programmes for the members of the ICC to deal with complaints, steer the process of settlement or conciliation, etc., with sensitivity;
- (k) proactively move to curb all forms of harassment of employees and students whether it is from those in a dominant power or hierarchical relationship within HEIs or owing to intimate partner violence or from peers or from elements outside of the geographical limits of the HEI;
- (l) be responsible to bring those guilty of sexual harassment against its employees and students to book and initiate all proceedings as required by law and also put in place mechanisms and redressal systems like the ICC to curb and prevent sexual harassment on its campus;
- (m) treat sexual harassment as a misconduct under service rules and initiate action for misconduct if the perpetrator is an employee;
- (n) treat sexual harassment as a violation of the disciplinary rules (leading up to rustication and expulsion) if the perpetrator is a student;
- (o) ensure compliance with the provisions of these regulations, including appointment of ICC, within a period of sixty days from the date of publication of these regulations;
- (p) monitor the timely submission of reports by the ICC;
- (q) prepare an annual status report with details on the number of cases filed and their disposal and submit the same to the Commission.

3.2 Supportive measures.—(1) The rules, regulations or any such other instrument by which ICC shall function have to be updated and revised from time-to-time, as court judgments and other laws and rules will continue to revise the legal framework within which the Act is to be implemented.

(2) The Executive Authority of the HEIs must mandatorily extend full support to see that the recommendations of the ICC are implemented in a timely manner. All possible institutional resources must be given to the functioning of the ICC, including office and building infrastructure (computers, photocopiers, audio-video, equipment, etc.), staff (typists, counselling and legal services) as, well as a sufficient allocation of financial resources.

(3) Vulnerable groups are particularly prone to harassment and also find it more difficult to complain. Vulnerability can be socially compounded by region, class, caste, sexual orientation, minority identity and by being differently abled. Enabling committees must be sensitive to such vulnerabilities and special needs.

(4) Since research students and doctoral candidates are particularly vulnerable the HEIs must ensure that the guidelines for ethics for Research Supervision are put in place.

(5) All HEIs must conduct a regular and half yearly review of the efficacy and implementation of their anti-sexual harassment policy.

- (6) All Academic Staff Colleges (now known as Human Resource Development Centres (HRDCs) and Regional Centres for Capacity Building (RCCBs) must incorporate sessions on gender in their orientation and refresher courses. This should be across disciplines, and preferably mainstreamed using the UGC SAKSHAM Report which provides indicative modules in this regard.
- (7) Orientation courses for administrators conducted in HEIs must have a module on gender sensitization and sexual harassment issues. Regular workshops are to be conducted for all sections of the HEI community.
- (8) Counselling services must be institutionalised in all HEIs and must have well trained full-time counsellors.
- (9) Many HEIs having large campuses have a deficit in lighting and are experienced as unsafe places by the institutional community. Adequate lighting is a necessary aspect of infrastructure and maintenance.
- (10) Adequate and well trained security including a good proportion or balance of women security staff is necessary. Security staff must receive gender sensitization training as a part of conditions of appointment.
- (11) HEIs must ensure reliable public transport, especially within large campuses between different sections of the HEI, hostels, libraries, laboratories and main buildings, and especially those that do not have good access for day scholars. Lack of safety as well as harassment is exacerbated when employees and students cannot depend on safe public transport. Reliable transport may be considered by HEIs to enable employees and students to work late in libraries, laboratories and to attend programmes in the evenings.
- (12) Residential HEIs should accord priority to construction of women's hostels. For the growing population of young women wishing to access higher education, hostel accommodation is desirable in both urban and rural areas and at all levels of higher education which provides a modicum of protection from harassment of all kinds.
- (13) Concern for the safety of women students must not be cited to impose discriminatory rules for women in the hostels as compared to male students. Campus safety policies should not result in securitization, such as over monitoring or policing or curtailing the freedom of movement, especially for women employees and students.
- (14) Adequate health facilities are equally mandatory for all HEIs. In the case of women this must include gender sensitive doctors and nurses, as well as the services of a gynaecologist.
- (15) The Women's Development Cells in colleges shall be revived and funded to be able to carry out the range of activities required for gender sensitization and remain autonomous of the functioning of anti sexual harassment committees and ICCs. At the same time they shall extend their activities to include gender sensitization programmes in consultation with ICCs and help to disseminate anti-sexual harassment policies on campuses on a regular basis. The 'cultural' space and the 'formal academic space' need to collaborate to render these workshops innovative, engaging and non-mechanical.
- (16) Hostel Wardens, Provosts, Principals, Vice Chancellors, Legal Officers and other functionaries must be brought within the domain of accountability through amendments in the rules or Ordinances where necessary.
- 4. Grievance redressal mechanism.—**(1) Every Executive Authority shall constitute an Internal Complaints Committee (ICC) with an inbuilt mechanism for gender sensitization against sexual harassment. The ICC shall have the following composition:-

- (a) A Presiding Officer who shall be a woman faculty member employed at a senior level (not below a Professor in case of a university, and not below an Associate Professor or Reader in case of a college) at the educational institution, nominated by the Executive Authority;

Provided that in case a senior level woman employee is not available, the Presiding Officer shall be nominated from other offices or administrative units of the workplace referred to in sub-section 2(o);

Provided further that in case the other offices or administrative units of the workplace do not have a senior level woman employee, the Presiding Officer shall be nominated from any other workplace of the same employer or other department or organization;"

- (b) two faculty members and two non-teaching employees, preferably committed to the cause of women or who have had experience in social work or have legal knowledge, nominated by the Executive Authority;
- (c) Three students, if the matter involves students, who shall be enrolled at the undergraduate, master's, and research scholar levels respectively, elected through transparent democratic procedure;
- (d) one member from amongst non-government organisations or associations committed to the cause of women or a person familiar with the issues relating to sexual harassment, nominated by the Executive Authority.
- (2) At least one-half of the total members of the ICC shall be women.
- (3) Persons in senior administrative positions in the HEI, such as Vice- Chancellor, Pro Vice-Chancellors, Rectors, Registrar, Deans, Heads of Departments, etc., shall not be members of ICCs in order to ensure autonomy of their functioning.
- (4) The term of office of the members of the ICC shall be for a period of three years. HEIs may also employ a system whereby one-third of the members of the ICC may change every year.
- (5) The Member appointed from amongst the non-governmental organizations or associations shall be paid such fees or allowances for holding the proceedings of the Internal Committee, by the Executive Authority as may be prescribed.
- (6) Where the Presiding Officer or any member of the Internal Committee:
- contravenes the provisions of section 16 of the Act; or
  - has been convicted for an offence or an inquiry into an offence under any law for the time being in force is pending against him; or
  - he has been found guilty in any disciplinary proceedings or a disciplinary proceeding is pending against him; or
  - has so abused his position as to render his continuance in office prejudicial to the public interest,

such Presiding Officer or Member, as the case may be, shall be removed from the Committee and the vacancy so created or any casual vacancy shall be filled by fresh nomination in accordance with the provisions of this section."

**5. Responsibilities of Internal Complaints Committee (ICC) - The Internal Complaints Committee shall:**

- (a) provide assistance if an employee or a student chooses to file a complaint with the police;

- (b) provide mechanisms of dispute redressal and dialogue to anticipate and address issues through just and fair conciliation without undermining complainant's rights, and minimize the need for purely punitive approaches that lead to further resentment, alienation or violence;
- (c) protect the safety of the complainant by not divulging the person's identity, and provide the mandatory relief by way of sanctioned leave or relaxation of attendance requirement or transfer to another department or supervisor as required during the pendency of the complaint, or also provide for the transfer of the offender;
- (d) ensure that victims or witnesses are not victimised or discriminated against while dealing with complaints of sexual harassment; and
- (e) ensure prohibition of retaliation or adverse action against a covered individual because the employee or the student is engaged in protected activity.

6. **The process for making complaint and conducting Inquiry** – The ICC shall comply with the procedure prescribed in these Regulations and the Act, for making a complaint and inquiring into the complaint in a time bound manner. The HEI shall provide all necessary facilities to the ICC to conduct the inquiry expeditiously and with required privacy

7. **Process of making complaint of sexual harassment** - An aggrieved person is required to submit a written complaint to the ICC within three months from the date of the incident and in case of a series of incidents within a period of three months from the date of the last incident.

Provided that where such complaint cannot be made in writing, the Presiding Officer or any Member of the Internal Committee shall render all reasonable assistance to the person for making the complaint in writing:

Provided further that the ICC may, for the reasons to be accorded in the writing, extend the time limit not exceeding three months, if it is satisfied that the circumstances were such which prevented the person from filing a complaint within the said period."

Friends, relatives, Colleagues, Co-students, Psychologist, or any other associate of the victim may file the complaint in situations where the aggrieved person is unable to make a complaint on account of physical or mental incapacity or death.

8. **Process of conducting Inquiry-** (1) The ICC shall, upon receipt of the complaint, send one copy of the complaint to the respondent within a period of seven days of such receipt.

(2) Upon receipt of the copy of the complaint, the respondent shall file his or her reply to the complaint along with the list of documents, and names and addresses of witnesses within a period of ten days.

(3) The inquiry has to be completed within a period of ninety days from the receipt of the complaint. The inquiry report, with recommendations, if any, has to be submitted within ten days from the completion of the inquiry to the Executive Authority of the HEI. Copy of the findings or recommendations shall also be served on both parties to the complaint.

(4) The Executive Authority of the HEI shall act on the recommendations of the committee within a period of thirty days from the receipt of the inquiry report, unless an appeal against the findings is filed within that time by either party.

(5) An appeal against the findings or /recommendations of the ICC may be filed by either party before the Executive Authority of the HEI within a period of thirty days from the date of the recommendations.

(6) If the Executive Authority of the HEI decides not to act as per the recommendations of the ICC, then it shall record written reasons for the same to be conveyed to ICC and both the parties to the proceedings. If on the other hand it is decided to act as per the recommendations of the ICC, then a show cause notice, answerable within ten days, shall be served on the party against whom action is decided to be taken. The Executive Authority of the HEI shall proceed only after considering the reply or hearing the aggrieved person.

(7) The aggrieved party may seek conciliation in order to settle the matter. No monetary settlement should be made as a basis of conciliation. The HEI shall facilitate a conciliation process through ICC, as the

case may be, once it is sought. The resolution of the conflict to the full satisfaction of the aggrieved party wherever possible, is preferred to purely punitive intervention.

(8) The identities of the aggrieved party or victim or the witness or the offender shall not be made public or kept in the public domain especially during the process of the inquiry.

9. **Interim redressal-**The HEI may,

- (a) transfer the complainant or the respondent to another section or department to minimise the risks involved in contact or interaction, if such a recommendation is made by the ICC;
- (b) grant leave to the aggrieved with full protection of status and benefits for a period up to three months;
- (c) restrain the respondent from reporting on or evaluating the work or performance or tests or examinations of the complainant;
- (d) ensure that offenders are warned to keep a distance from the aggrieved, and wherever necessary, if there is a definite threat, restrain their entry into the campus;
- (e) take strict measures to provide a conducive environment of safety and protection to the complainant against retaliation and victimisation as a consequence of making a complaint of sexual harassment.

10. **Punishment and compensation-** (1) Anyone found guilty of sexual harassment shall be punished in accordance with the service rules of the HEI, if the offender is an employee.

(2) Where the respondent is a student, depending upon the severity of the offence, the HEI may,-

- (a) withhold privileges of the student such as access to the library, auditoria, halls of residence, transportation, scholarships, allowances, and identity card;
- (b) suspend or restrict entry into the campus for a specific period;
- (c) expel and strike off name from the rolls of the institution, including denial of readmission, if the offence so warrants;
- (d) award reformatory punishments like mandatory counselling and, or, performance of community services.

(3) The aggrieved person is entitled to the payment of compensation. The HEI shall issue direction for payment of the compensation recommended by the ICC and accepted by the Executive Authority, which shall be recovered from the offender. The compensation payable shall be determined on the basis of-

- (a) mental trauma, pain, suffering and distress caused to the aggrieved person;
- (b) the loss of career opportunity due to the incident of sexual harassment;
- (c) the medical expenses incurred by the victim for physical, psychiatric treatment;
- (d) the income and status of the alleged perpetrator and victim; and
- (e) the feasibility of such payment in lump sum or in instalments.

11. **Action against frivolous complaint.**—To ensure that the provisions for the protection of employees and students from sexual harassment do not get misused, provisions against false or malicious complaints have to be made and publicised within all HEIs. If the ICC concludes that the allegations made were false, malicious or the complaint was made knowing it to be untrue, or forged or misleading information has been provided during the inquiry, the complainant shall be liable to be punished as per the provisions of sub-regulations (1) of regulations 10, if the complainant happens to be an employee and as per sub-regulation (2)

- (6) All Academic Staff Colleges (now known as Human Resource Development Centres (HRDCs) and Regional Centres for Capacity Building (RCCBs) must incorporate sessions on gender in their orientation and refresher courses. This should be across disciplines, and preferably mainstreamed using the UGC SAKSHAM Report which provides indicative modules in this regard.

**ANTI - RAGGING CELL**

In the nut-shell, ragging is any act resulting in mental/physical, verbal and sexual abuse, and indecent behaviour, criminal intimidation/wrong restraint, under mining human dignity, financial exploitation and use of force. As per the guidelines of UGC, ragging constitutes one or more of any intention by any student or group of students on:

- Display of noisy, disorderly conduct, teasing, excitement by rough or rude treatment.
- Handling unruly activities which may cause annoyance.
- Undue hardship, physical or psychological harm or create apprehensive fear in a fresher.
- Asking the students to do any act or perform something which any student would not do in the ordinary course and which causes him/her shame or embarrassment or danger to his/her life, etc.
- which may put human dignity a threat.

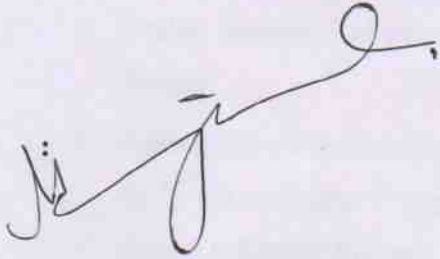

The college has a vigilant anti-ragging committee to prevent and eradicate the menace of ragging of any type within the college campus under this banner a student may raise a complaint regarding any matter related to their stay in the college campus or beyond, any instance of workplace harassment is solved at lowest possible level of authority.

The Committee comprises of faculty members and student representatives from different streams. The committee meets offline time to time to discuss the anti-ragging directives received from UGC and put them into action. The committee meets invariably in the beginning of the academic session to discuss the modalities. The anti-ragging committee is reconstituted every year like any other staff association committee as per the college directive. It ensures prevention of ragging by frequent and surprise rounds in the campus.

We are proud to ensure a safe environment.

## **ANTI RAGGING CELL**

**STUDENT AWARENESS PROGRAM**

On 01/02/2022 The Anti Ragging Cell of Sarada Vilas College conducted a seminar on **"What is one Emergency Number 112"** at 4.30pm in Sri Venkatakrisnaiah Auditorium, Sarada Vilas Law College, Mysuru-04.

Sri Mahesh, Sub-Inspector, Mysuru District Police Control Room, the resource person addressed the students and maneuvered them about various crimes that are increasing in our society such as Internet ragging, Mobile Frauds, theft etc. and how our Police Department are successful in controlling the crimes by using the Emergency

Number 112 by illustrating few real cases dealt by them. He also explained various consequences one must face when indulged in ragging and also shared some examples of what one goes through mentally as well physically if ragged. He informed that there are nearly 120 Police officers working day and night under emergency service 112 monitoring the location of the person in distress/danger and provide safety to women, children and also in case of fire accident, medical emergency and to reach the people who lost track of their location.

*Dev*  
Principal  
Sarada Vilas College  
Mysuru - 570 004

He then finally explained in detail on how to use Karnataka State Police App in which the following services are available:

1. Nearest Police Station and Jurisdiction of police station
2. To find the address, contact number, location and E-mail of police officials
3. Any other vital notifications to the public from the Police department

Later the students posed few questions regarding how to reach the Police if they encounter some unlikely incident. The questions were well answered by Sri. Mahesh. The students were encouraged by his inspiring words and

many very interested in pursuing their carrier (to serve) in Police Department. Students were requested to spread awareness among their neighbors and family members about the emergency number 112.

**REPORT**

In order to educate the students about prevention of harassment of women, on 01<sup>st</sup> of February 2022, "Prevention of Harassment of Women Committee", Sarada Vilas College, Krishnamurthy Puram, Mysore conducted a special lecture entitled "STOP HARASSMENT" to inculcate awareness among the students about the prevention of harassment of women and children.

The session started at 3:30 PM on 01/02/2022. Dr. M. Devika, Principal, Sarada Vilas College, Mysore presided the program. Dr. Saroja Yallappa Talwar, Assistant Professor of Mathematics and Convener of prevention of harassment of women committee, SVC welcomed the gathering and introduced the speaker.

The resource person was Prof. A. Shashikala, Retired Professor of Zoology, Mysore. The resource person has been honoured with "Women Achiever" award on International Womens Day from Odanadi Seva Samithi, has been nominated for the "American Medal of Honor" given to individual for contribution to society and has been nominated for "Great Women of the 21<sup>st</sup> Century" by American Biographical Institute, North Carolina, USA given to women achievers for their role in shaping the society.

The speaker spoke mainly about sexual harassment of women. Sexual harassment refers to any form of unwelcome sexual behavior which is offensive, humiliating and intimidating, gender equality and female exploitation in gender equal society. Further, it is against the law to sexually harass anyone.

Sensible people should try to stop harassment. In post days there was female infanticide and female foeticide. Women atrocity types are physical relationship, forceful sexual demand, blue films, image morphing and messaging in social media, ill treating women in working place, viewing women with bad intention etc., all these together are part of crime and they should be punished severely.

Prevention of harassment of women committee convener Dr. Saroja Yallappa Talwar and members Mr. Raj Kishore, Mrs. Shakuntala, Dr. Vinusha H M and Dr. H L Rekha were present in the function. The session was very informative and interactive.

GRIVANCE REDRESSAL COMMITTEE FOR 2021 – 22

28/09/2022

As per the rules and regulations for students in an institute 'Grievance Redressal committee of Sarada Vilas College for the duration of 2021- 22 was constituted with following staff members in different position to enquire the nature and extent of grievance.

Staff Name	Designation	Signature
Dr. M. Devika	Principal	
Smt. Suganthi S Singh	Convener	
Dr. Govindaraju. M	Special Invitee	
Smt. Shakunthala	Member	
Smt. Usha D M	Member	

Objectives

To investigate and review the complaints or grievances of the students and faculties.

To create awareness among the students for the availability of the members and faculties to report the grievances.

To investigate the cause of grievances.

To ensure effective solution depending upon the gravity of the situation.

The grievance committee takes care of the following

Complaints of the student, from the Scheduled Castes, the Scheduled Tribes, other backward classes, minority or disabled categories.

Non publication of prospectus/ broacher as specified.

Quality education as promised at the time of admission.

Publishing any information in the prospectus, which is false or misleading and not based on facts?

Delay in conduct of examinations beyond that specified in the academic calendar.

Providing student amenities as may have been promised or required to be provided by the institution.

Non transparent or unfair evaluation practices.

Minutes of the meeting held on 28<sup>th</sup> of September 2022 at the A V Hall to solve the grievance faced by the students.

The major problems faced by the students during 2021-22 was related to the canteen, sports including gym, xerox and cleanliness in the washroom.

Few students demanded to have a good canteen inside the college campus.

Few students demanded different types of sports activities and a gym instructor.

Few students demanded for a xerox machine inside the campus for the students.

Few students asked to maintain the hygiene of the washrooms on hourly basis.

Few students wanted hostel facilities for boys.

Few students wanted more extracurricular activities.

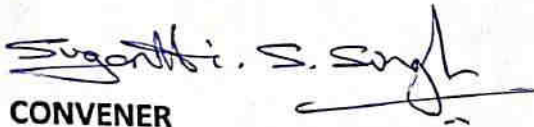

All these problems raised by the students during the grievance meeting were discussed by the grievance committee and the principal. The principal in turn discussed these issues with the management and few problems were solved immediately. Few are under process which will be taken care shortly.

#### Solution

Wash room hygiene problem was solved by appointing a house keeping team for cleanliness.

Instead of an in campus hostel few paying guest accommodations were visited by our principal and senior faculties to check the food and safety measures and such PG'S were recommended for both boys and girls . In the coming days the college will have an MOU'S between the PG'S .

Regarding the canteen issue a mobile van canteen is installed inside the campus during lunch break, to check for the utilization before going in for a permanent canteen, which is also in the agenda of our college. Few more problems require the discussion of the principal with the management. This is under discussion for future implementation.

**ANTI - RAGGING CELL**

In the nut-shell, ragging is any act resulting in mental/physical, verbal and sexual abuse, and indecent behaviour, criminal intimidation/wrong restraint, under mining human dignity, financial exploitation and use of force. As per the guidelines of UGC, ragging constitutes one or more of any intention by any student or group of students on:

- Display of noisy, disorderly conduct, teasing, excitement by rough or rude treatment.
- Handling unruly activities which may cause annoyance.
- Undue hardship, physical or psychological harm or create apprehensive fear in a fresher.
- Asking the students to do any act or perform something which any student would not do in the ordinary course and which causes him/her shame or embarrassment or danger to his/her life, etc.
- which may put human dignity a threat.

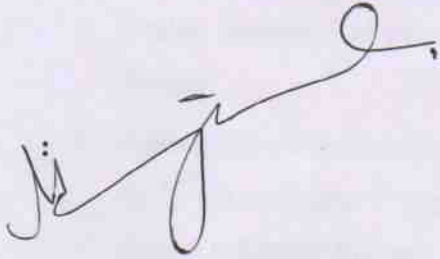

The college has a vigilant anti-ragging committee to prevent and eradicate the menace of ragging of any type within the college campus under this banner a student may raise a complaint regarding any matter related to their stay in the college campus or beyond, any instance of workplace harassment is solved at lowest possible level of authority.

The Committee comprises of faculty members and student representatives from different streams. The committee meets offline time to time to discuss the anti-ragging directives received from UGC and put them into action. The committee meets invariably in the beginning of the academic session to discuss the modalities. The anti-ragging committee is reconstituted every year like any other staff association committee as per the college directive. It ensures prevention of ragging by frequent and surprise rounds in the campus.

We are proud to ensure a safe environment.
