About Sarada Vilas Educational Institutions (R.) and Sarada Vilas College

The saga of **Sarada Vilas Educational Institutions** began in the year **1861** when His Highness **Mummadi Sri. Krishna Raja Wodeyar**, the then ruler of Mysore state, directed his court man **Rao Bahadur Sri. Bhakshi Narasappa** to start an Educational Institution in Mysore so as to make the town a Centre for Education.

In keeping with the desire of the king, **Sri. Narasappa** founded a school and named it **Sarada Vilas Anglo-Sanskrit School**. In the beginning, it was housed in a temple and later shifted to the Lansdowne building.

In 1899, the king formed a Governing Body to manage the affairs of the school. **Sri. M. Venkatakrishnaiah**, popularly called **Tataiah**, was named the Secretary. He was mainly instrumental in developing the Institution. In 1904, the school was shifted to the Lansdowne building. The High school section was started in 1917 which was shifted to its own building in 1931.

In 1945, the Institution started **Sarada Vilas College** offering **Intermediate Course** with **Sri. M.S. Ramaswamy** as **Founder Principal**. In the year 1952, it was upgraded and began to offer the **B.Sc** course.

The Institution expanded its activities further by starting **Law Collage** in 1954, **Girls High School** in 1961, **Teachers College** in 1963 and **Pharmacy College** in 1992.

The institution is affiliated to **University of Mysore, Mysore, India.**

Note - When a post is filled substantively under this clause the appointment will be termed as provisional appointment; the Government servant appointed will hold a provisional lien on the post and that lien will be liable to suspension under clause (a) but not under clause (b) of this Rule.

(e) A Government servant's lien which has been suspended under clause (a) of this Rule shall revive as soon as he ceases to hold a lien on a post of the nature specified in sub-clause (1) ¹[....] or (3) of that clause.

(f) A Government servant's lien which has been suspended under clause (b), of this Rule shall revive as soon as he ceases to be on deputation outside the State of Karnataka or on foreign service or to hold a post referred to in clause (b) provided that a suspended lien shall not revive because the Government servant takes leave if there is reason to believe that he will, on return from leave, continue to be on deputation outside the State of Karnataka or on foreign service or to hold a post referred to in clause (b) and the total period of absence on duty will not fall short of three years or that he will hold substantively a post of the nature specified in sub clause (1) ¹[.....] or (3) of clause (a).

Note 1 - Only one provisionally substantive appointment is permissible against one post. A provisionally substantive appointment is permissible against a vacant permanent post.

Note 2 - The power to make provisionally permanent arrangements and to order suspension of lien is delegated to Heads of Department in the case of non-gazetted Government servants.

Note 3 - The lien of a Government servant cannot be suspended while he is on probation in another post. If the Government servant completes the period of probation satisfactorily, suspension of lien may be made with retrospective effect from the date on which the Government servant was transferred to other duty, provided that the conditions in clause (b) above are otherwise satisfied.

(2) Nothing contained in sub-rule (1) of this Rule or clause (26) of Rule 8 shall operate to prevent the retransfer of a Government servant to the post on which he would hold a lien had it not been suspended in accordance with the provisions of clause (a) of Rule 20].

21. A Government servant may be required to subscribe to a Government Insurance Fund, Provident Fund, a Family Pension Fund or other similar fund in accordance with such rules as the Governor may, under Article 309 of the Constitution, prescribe.

23. Unless it be otherwise provided by special rule or contract the pay of Government servant begins when he takes charge of the appointment in respect of which it is earned. If the charge is transferred afternoon, the transfer does not affect allowances until the next day. Twelve Noon will be treated as Forenoon.

24. Every relieving Government servant is responsible for informing the Government servant to be relieved at the earliest possible moment of the date when he will be in a position to receive charge and it is the duty of the Government servant to be relieved to be in readiness to deliver charge on that date.

When more than one day is occupied in making over charge the last day should be entered in the report, and an explanation should be submitted.

ADDITIONS TO PAY

²[26(a) Unless in any case it be otherwise distinctly provided the whole time of a Government servant is at the disposal of the Government which pays him and he may be employed in any manner required by proper authority without claim for additional remuneration, whether the services required of him are such as would ordinarily be remunerated from the Consolidated Fund, from a Local fund or from the Funds of ³[a body incorporated or not, which is wholly or substantially owned or controlled by the Government.]]

(b) When Municipal Bodies and Other Bodies administering local funds require gratuitous advice and services of officers of the public works or other Departments, Government shall be referred to, which will indicate in each instance to which Government servant application for advice or assistance should be made. The Government servants thus consulted shall give their advice, or if necessary, direct supervision and assistance, without charge.

27. Without the sanction of Government:-

(i) no increase may be given to the pay of a Government servant for the performance of any special duty outside the duty of his regular appointment from Local, Municipal or Other Funds administered by Government;

(ii) no grant may be given to any Government servant from the Consolidated Fund of the State as a bonus or honorarium for work done on behalf of the above out of office hours and beyond the regular duties of his office, payment for which is a proper charge against it.

FEES AND HONORARIA

General Rules

28(a) Fees:- A competent authority may permit a Government servant, if it be satisfied that this can be done without detriment to his official duties or responsibilities to perform a specified service or series of services for a private person or body or for a public body, including a body administering a local fund and

to receive as remuneration therefor, if the service be material, a nonrecurring or recurring fee.

(b) Honoraria:- A competent authority may grant or permit a Government servant to receive an honorarium as remuneration for work performed which is occasional ¹[or intermittent] in character and either so laborious or of such special merit as to justify a special reward. Except when special reasons, which should be recorded in writing, exist for a departure from the provision, sanction to the grant or acceptance of an honorarium should not be given unless the work has been undertaken with the prior consent of Government and its amount has been settled in advance.

Note 1 - The following general principles are laid down for payment of fees and honoraria:-

(a) No honoraria should be paid in respect of any work which can fairly be regarded as part of the legitimate duties of the Government servant concerned.

(b) It is one of the liabilities of Government servants to have to work outside office hours in exceptional times and circumstances. No honoraria should ordinarily be given on this account, but continuous working out of office hours and on authorised holidays may justify a claim to honoraria or to special pay.

(c) No honoraria should be paid to Government servants for attending meetings of Boards and Committees financed wholly or partly ²[from the Consolidated Fund of the State].

(d) The amount of an honorarium or fee must be fixed with due regard to the value of the service in return for which it is given. The maximum fee permitted by any rule is not to be given in cases in which any smaller fee would be fair and sufficient.

(e) When the service rendered falls within the scope of the ordinary duties of the Government servant performing it, the text of special merit prescribed in this rule must be very strictly applied.

Note 2 - The temporary increase in work due to the holding of special conferences under the auspices of a department of subordinate authority or of interdepartmental committees are normal

incidents of Government service, and form part of the legitimate duties of Government servants according to the general principle enunciated in Note 1. Those so employed have, therefore, no claim to extra remuneration.

Note 3 - In the case of both fees and honoraria, the sanctioning authority shall record in writing that due regard has been paid to the general principle enunciated in Note 1 and shall record also the reasons which in its opinion justify the grant of extra remuneration.

¹[(c) Any Government servant is eligible to receive and, except as otherwise provided by a general or special order of the Government, to retain without special permission-

(v) any fees payable to a Government servant for duties which he is required to perform in his official capacity under any special or local law or by order of Government.]

(d) Remuneration shall not be given under these rules for superintending examinations rendered compulsory on persons belonging to the public service, but may be granted in the case of examinations of candidates for admission to the service, or where it has been specially authorised heretofore, or when the fees received from the persons examined meet the whole charge.

²[Explanation: In the case of a Government servant deputed for training or a course of Instruction it is not necessary to create a new post in order to accommodate him during such training or course of instruction since the very order posting him for training, etc. would be considered as a sanction in this behalf.]

³[31-A. A Government servant who is on training the period spent on which is treated as duty under rule 8 (15) (c), may be granted such pay as the Government may consider equitable but in no case exceeding the pay which he would have drawn had he been on duty other than duty under rule 8 (15) (c).]

⁴[Explanation:- A Government servant who is on training may be given regular promotion and allowed by the competent authority to draw the pay of the higher post against which he would have officiated but for his deputation to undergo training.]

(ii) allowed to draw such pay in the pay scale of the higher cadre as he would have drawn from time to time but for his deputation to undergo such instruction or training.

(a) If he holds a lien on a permanent post other than a tenure post, or would hold a lien on such a post had his lien not been suspended under Rule 20,-

(i) When appointment to the new post involves the assumption of duties or responsibilities of greater importance (as interpreted for the purposes of rule 44) than those attaching to such permanent post, he will draw as initial pay the stage of the time-scale next above his substantive pay in respect of the permanent post;

(ii) When appointment to the new post does not involve such assumption of duties or responsibilities he will draw, as initial pay, the stage of the time-scale which is equal to his substantive pay, in respect of the permanent post, or if there is no such stage, the stage next below that pay, plus personal pay equal to the difference, and in either case will continue to draw that pay until such time as he would have received an increment in the time scale of the permanent post, or for the period after which an increment is earned in the time-scale of the new post whichever is less. But if the minimum pay of the time-scale of the new post is higher than his substantive pay in respect of the permanent post he will draw that minimum as initial pay;

(iii) When the appointment to the new post is made on his own request and the maximum pay in the time-scale of that post is less than his substantive pay in respect of the old post, he will draw that maximum as initial pay.

(b) If, the conditions prescribed in clause (a) are not fulfilled he will draw as initial pay the minimum of the time-scale:

Provided that both in cases covered by clause (a) and in cases (other than cases of re-employment after resignation or removal or dismissal from the public service) covered by clause (b) if the Government servant either-

(1) has previously held substantively or officiated in,-

(i) the same post, or

(ii) a permanent or temporary post on the same time-scale,
or

(iii) a permanent post other than a tenure post on an identical time-scale, or

(iv) a temporary post on an identical time-scale, such post being on the same time-scale as a permanent post; or

(2) is appointed substantively to a tenure post on a time scale identical with that of another tenure post which he has previously held substantively or in which he has previously officiated; then the initial pay shall not be less than the pay, (other than special pay, personal pay or emoluments classed as pay by Government) which he drew on the last such occasion, and he shall count the period during which he drew that pay on such last and any previous occasions for increments in the stage of the time-scale equivalent to that pay; provided further where the pay last drawn by the Government servant in a temporary post has been inflated by the grant of premature increments, the pay which he would have drawn but for the grant of such increments shall, unless otherwise ordered by the authority competent to create the new post, be taken for the purposes of the preceding proviso to be the pay which he last drew in the temporary post.

¹[Note 1]

Note 2 - The personal pay, mentioned in sub-clause (a) (ii) of this Rule should be given to a Government servant only for the purpose of initial pay and not at any subsequent stage in the new time-scale in which the Government servant might draw less pay than he would draw had he remained in the old scale. Accordingly when the next increment in the time scale of either the new or the old post falls due, the Government servant should draw the next increment in the time-scale of the new post, and forthwith lose the personal pay and all connection with the time-scale of his old post.

Note 3 - The expression 'if he holds a lien on a permanent post' occurring in clause (a) of this Rule should be held to include the lien on a permanent post to which a Government servant is appointed in a provisionally substantive capacity under Rule 20 and the expression 'substantive pay' in respect of the permanent post, occurring in that Rule should be held to include his substantive pay

1. Deleted by No. FD 41 SRS 62 dated 16.10.62 (wef 1.4.1958)

in respect of that provisionally substantive appointment. This Rule should therefore, be held to permit the substantive pay in respect of a provisionally substantive appointment being taken into account in determining his initial pay in another post to which he is appointed. When the initial pay of a Government servant in a post is thus fixed, it will not be effected even if during the tenure of his appointment to that post he reverts from his provisional appointment.

Note 4 - For the purposes of this Rule and Rule 44 a declaration as to the relative degrees of responsibility of two posts should be obtained from the administrative Head of the Department or from Government according as the posts are in the same Department or in different Departments. A declaration is, however, necessary only when the relative degrees of responsibility are not obvious beyond doubt.

Note 5 - For the purposes of this Rule and Rule 43 a temporary post on a certain rate of pay (fixed or time-scale) which is converted into a permanent post on a different rate of pay is not the "same post as the permanent post even though the duties remain the same. In other words in view of Rule 8(46) the temporary post is to be regarded as having ceased to exist and to have been replaced by the permanent post. The incumbent of the temporary post is thus entitled only to the pay of the permanent post if it is on a fixed rate of pay or to the minimum of the time scale of the permanent post if it is on a time-scale unless his case is covered by the concession admissible under Note 1.

Note 6 - In the case of a Government servant appointed substantively to a post in which he has previously officiated and whose present substantive pay is the same as the pay which he drew when last officiating, the initial pay should be fixed with reference to his substantive pay in respect of the old post. Accordingly when a Government servant is appointed to a post substantively while officiating in it, he is entitled to have his pay fixed anew with reference to his substantive pay at the time in respect of his old permanent post.

¹[Note 7 - A Government servant serving as a local candidate if appointed subsequently as a direct recruit to the same post, will continue to draw his pay with future increments as they fall due provided that where a period of probation is fixed, an increment or increments falling due ²[(during and after that period

(i) Where the appointment is to a post the scale of pay of which is lower than the scale of pay of the post he held last, his pay in his appointment shall be equivalent to the stage of pay which he would have reached had he been appointed to that scale of pay from the date he was initially appointed as a local candidate or as a regularly recruited candidate as the case may be;

³[(ii) Where the appointment is to a post the scale of pay of which is identical with the scale of pay of the post which he held last, his pay in his appointment shall be fixed at the stage which is equal to the pay drawn in the post last held by him.

Provided that after the initial pay is fixed under clause (i) or clause (ii), as the case may be, the next increment in the scale of pay of the new post shall be granted on the date on which an increment in the time-scale of the old post would have accrued, had he continued in that post or the date on which an increment accrues in the time-scale of the new post, whichever is earlier].

Instructions: (i) The benefit derivable under this rule shall also be given to appointments made regularly as per relevant rules of recruitment on or after the first day of April 1962.

(ii) Cases which have been decided already under rule 42-A shall not be reopened if refixation of pay under these rules is disadvantageous to the Government servant.

2. Inserted by No. FD 119 SRS 76 dated 3.11.1978 (wef 1.1.1978)

(i) Where the pay drawn in the military service is equal to a stage in the time scale of the post to which he is appointed, it shall be fixed at that stage;

(ii) Where the pay last drawn in the military service does not correspond to a stage in the time scale of the post to which he is appointed, it shall be fixed at the stage next below the difference being treated as Personal Pay absorbable in future increase in pay;

(iii) Where pay last drawn in the military service is below the minimum of the time scale of the post to which he is appointed it shall be fixed at the minimum;

(iv) Where the pay last drawn in the military service is above the maximum of the time scale of the post to which he is appointed it shall be fixed at the maximum;

(v) For the purpose of fixation of pay as at (i) to (iv) above pay last drawn in the military service to be taken into account is basic pay only and does not include any other allowance and pension and pension equivalent of Death-cum-Retirement Gratuity received from the Defence Authorities shall be ignored:

(vi) The military service rendered prior to appointment in the State Civil Services shall not be taken into account in determining service qualifying for pension.]

42. The initial substantive pay of a Government servant who is appointed substantively to a post on a time scale of pay which has been reduced for reasons other than diminution in the duties or responsibilities attached to posts thereon and who is not entitled to draw pay on the time scale as it stood prior to reduction regulated by Rule 41 provided that both in case covered by clause (a) of that rule and in cases, other than those of re-employment after resignation, removal or dismissal from the public service, covered by clause (b) of that rule, if he either,-

(1) has previously held substantively or officiated in :-

(i) the same post prior to reduction of its time scale, or

(ii) a permanent or temporary post on the same time scale as the unreduced time scale of the post, or

(iii) a permanent post other than a tenure post or a temporary post, on a time scale of pay identical with the unreduced time-scale of the post, such temporary post being on the same time-scale as a permanent post, or

(2) is appointed substantively to a tenure post the time scale of which has been reduced without a diminution in the duties or responsibilities attached to it and has previously held substantively or officiated in another tenure post on a time-scale identical with the unreduced time-scale of the tenure post;

then the initial pay shall not be less than the pay, (other than ¹[special allowance], personal pay or emoluments classed as pay by Government), which he would have drawn under Rule 41 on the last such occasion, if the reduced time-scale of pay had been in force from the beginning and he shall count for increments the period during which he would have drawn that pay on such last and any previous occasions.

Note- The re-employment of a Government servant after resignation or after discharge on reduction of establishment or after invalidation out of service amounts to a fresh appointment for the purpose of Rule 41 and he will therefore draw the minimum of the time-scale. If in any case, it is considered that a higher rate of pay should be given the case can be dealt with under Rule 57.

²[42-A xxx]

³[42-B. (1) Notwithstanding anything contained in these rules, when a Government servant is promoted to a post or appointed, to an ex-cadre post and such promotion or appointment involves the assumption of duties and responsibilities of greater importance than those of the post held by him, his initial pay in the time scale of the higher post shall be fixed at the stage next above the pay in the time scale of the lower post at the time of such fixation:

Provided that where a Government servant appointed to a higher ex-cadre post is promoted while holding such higher ex-cadre post, to a higher post in accordance with the Recruitment Rules of the Service to which he belongs, the pay drawn in such ex-cadre post shall not be taken into account for the purpose of fixation of initial pay on such promotion; but this initial pay in the post to which he is promoted shall be fixed with reference to the pay which he would have drawn in the post held by him before his appointment to the ex-cadre post:

1. Substituted by No. FD 7 SRA 99, dated 29.4.2000 (wef 1.4.1998)

2. Deleted by No. FD 76 SRS 68 dated 6.4.1971 (wef 26.4.1973)

3. Substituted by No. FD 25 SRS 79 dated 28.4.1979 (wef 1.1.1977)

Provided further that if a Government servant either-

(a) has previously held substantively or officiated in,-

(i) the same post, or

(ii) a permanent or temporary post on the same time-scale,

or

(iii) a permanent post other than a tenure post, or a temporary post on an identical time-scale, or

(b) is appointed substantively to a tenure post on a time-scale identical with that of another tenure post which he has previously held substantively or in which he has previously officiated, then proviso to rule 41 shall apply in the matter of the initial fixation of pay and counting of previous service for increment.

(2) The pay of Government servant to whom sub-rule (1) is applicable, and who would have normally earned his next increment in the time-scale of the lower post but for his promotion to the said higher post or appointment to the said higher ex-cadre post shall be refixed in accordance with the provisions of sub-rule (1) in the time-scale of the higher post held by him, as if he had been promoted to the said higher post or appointed to the said higher ex-cadre post after he had earned the said increment in the lower post.

¹[Provided that where an additional increment is granted to a Government servant under the provisions of Rule 6 of the Karnataka Civil Services (Service and Kannada Language Examinations) Rules, 1974 after the date of fixation of his pay under sub-rule (1) above but before the date of refixation of pay under sub-rule (2) above, the additional increment shall be allowed to him with effect from the date of refixation under sub-rule (2) above, as if the additional increment had accrued to him on that date.]

3. The expression "ex-cadre" used in this rule means a stray post, which has been created in a department or service outside the regular line of promotion for a purely temporary period to meet a special need and appointment to which is made by selection from Government servants possessing the required qualification and experience.

¹[(4) The principles of fixation of pay as laid down in sub rules (1) and (2) above shall be applicable also to a Government servant appointed through the Public Service Commission or any other recruitment agency to a post carrying higher scale of pay.]

²[42-C. Provided that where a Government servant appointed to a higher ex-cadre post is promoted, while holding such higher ex-cadre post, to a higher post in accordance with the Recruitment Rules of the Service to which he belongs, the pay drawn in such ex-cadre post shall not be taken into account for the purpose of fixation of initial pay on such promotion; but his initial pay in the post to which he is promoted shall be fixed with reference to the pay which he would have drawn in the post held by him before his appointment to the ex-cadre post.]

43. The holder of a post, the pay of which is changed, shall be treated, as if he were transferred to a new post on the new pay, provided that he may at his option retain his old pay until the date on which he has earned his next or any subsequent increment on the old scale, or until he vacates his post or ceases to draw pay on that time-scale. The option once exercised is final.

¹[Note 1] - If a Government servant has held substantively, or officiated in, a post in the cadre or class immediately prior to the introduction of a new time-scale, and has drawn during the period pay or salary equal to a stage or intermediate between two stages in the new time-scale, then the initial pay or salary in the new time-scale shall be fixed on the basis of the pay or salary last drawn.

¹[Note 2 - The above rule applies also in cases where a revision of pay is accompanied by change in the status of the posts. In such cases the posts virtually continue as before. Where, however, a revision of pay is concurrent with a specific change in the duties and responsibilities attached to the post, the old post will be deemed to have been substituted by a different post. In such cases, the individual will be treated as having been appointed to a higher or lower post, as the case may be, and pay will be fixed under the relevant rules, and not under this rule.]

44.(1) Subject to the provisions of Chapter III a Government servant who is appointed to officiate in a post shall not draw pay higher than his substantive pay in respect of a permanent post other than a tenure post, unless the officiating appointment involves the assumption of duties and responsibilities of greater importance than those attaching to the post, on which he holds a lien or would hold a lien had his lien not been suspended:

Provided that Government may exempt from the operation of this rule, any State Civil Service which is not organised on a time scale basis and in which a system of acting promotion from grade to grade is in force.

(2) For the purposes of this Rule, the officiating appointment shall not be deemed to involve the assumption of duties or responsibilities of greater importance if the post to which it is made, is on the same scale of pay as the permanent post, on which he holds a lien or would hold a lien had his lien not been suspended or on a scale of pay identical therewith.

45. ¹[(a) (i) Subject to the provisions of Rule 44 and clause (c) of this Rule, a Government servant who is appointed to officiate in a post will draw the presumptive pay of that post.

(ii) On an enhancement in the substantive pay, as a result of increase or otherwise, the pay of such Government servant shall be refixed under (i) of this clause from the date of such enhancement as if he was appointed to officiate in that post on that date where such refixation is to his advantage.]

²[Note 1 - Where the increment of a Government servant in the post in which he is officiating has been withheld under Rule 51 without any reference to the increment that will accrue to him in the post held by him substantively, the provisions contained in sub-clause (ii) above shall not apply before the date from which the orders withholding the increments finally cease to be operative. However, the Government servant may be allowed during the period of penalty of withholding of increment, his substantive pay from time to time if the same happens to be more than the officiating pay.]

³[Note 2 - Where a Government servant was not actually officiating in a higher post at the time of enhancement of his substantive pay, but would have either officiated in that post under the 'Next Below Rule' but for his deputation to some other post or would have officiated in that post but for his officiating appointment to a still higher post, his pay shall be refixed under sub-clause (ii) of this clause notionally in the post in which he would have so officiated but for the occasions mentioned above. As and when the Government servant reverts to that post from deputation/higher post, the actual pay to be given to him on the date of reversion will be arrived at with reference to such notional pay.]

⁴[Explanation:- Where an increment in the substantive post falls due during a period of leave and the refixation of officiating pay under sub-clause (ii) of clause (a) of this rule is to the Government servant's advantage, the officiating pay may be regulated as follows:

-
1. Substituted by No. FD 72 SRS 58 dated 13.5.58 (wef 1.4.1958)
 2. Inserted by No. FD 121 SRS 60 dated 23.8.1960 (wef 1.9.1960)
 3. Inserted by No. FD 87 SRS 61 dated 16.10.1961.
 4. Inserted by No. FD 73 SRS 60 dated 14.7.1960 (wef 21.7.1960)

(i) In the case of a Government servant proceeding on leave, if the period of leave counts for increments in the officiating post either under rule 53(b) or 53(c) subject to the fulfilment of the conditions and production of the necessary certificates, his officiating pay may be refixed under sub-clause (ii) of clause (a) of this Rule, from the very date of increment or increase in the substantive pay as if he was appointed to officiate in that post on that date. The benefit of the increase in officiating pay can be had by him only from the date of resumption of duties but his next increment in the officiating post will accrue to him from an earlier date in the next year calculated with reference to the date of refixation of pay.

(ii) If, however, the period of leave does not count for increment in the officiating post, the Government servant loses all connection with that post during that period and he will be entitled to get his officiating pay refixed only from the date he returns from leave in which case the next increment will fall due only after completion of ¹[the prescribed period of duty] from the date of resuming charge unless he becomes entitled to refixation of pay under sub-clause (a) of this Rule once again from an earlier date.]

(b) When a Government servant officiates in a post the pay of which has been fixed at a rate personal to another Government servant, Government may permit him to draw pay at any rate not exceeding the rate so fixed or, if the rate so fixed be a time-scale, may grant him initial pay not exceeding the lowest stage of that time-scale and future increments not exceeding those of the sanctioned scale.

(c) A competent authority may fix the pay of an officiating Government servant at an amount less than that admissible under these rules.

Instructions:- The power conferred by clause (c) of this Rule is not exercisable save by a special order passed in an individual case and on the consideration of the facts of that case.

Note 1 - When a Government servant is appointed to officiate in a post on a time-scale of pay fixed below the minimum of the time-scale under clause (c) of this Rule, he must not be treated as having effectually officiated in that post within the meaning of Rule 41 (b) or having rendered duty in it within the meaning of Rule 53. Such a Government servant, on confirmation should have his

1. Amended by No. FD 189 SRS 60 dated 29.11.1960 (wef 8.12.1960)

initial pay fixed under Rule 41 (b) and draw the next increment after he has put in duty for the usual period required calculated from the date of his confirmation.

Note 2 - One class of cases falling under clause (c) of this Rule is that in which a Government servant merely holds charge of the current duties and does not perform the full duties of the post. In such cases a charge allowance is allowed in addition to his pay.

¹[Note 3 - The provisions of clause (a) of Rule 45 shall be applicable with effect from 1st January 1958, and shall apply to cases arising after that date and coming under Rule (40)(a) of the Karnataka Pay and Allowances Rules, 1957.]

46. A person holding no substantive appointment under Government, who is appointed to officiate in a permanent post or to hold a temporary post on a time-scale of pay, shall not be allowed to count, for the purposes of increment on the time-scale past non-continuous officiating service in such permanent post or non-continuous service in such temporary post.

Note - Service shall be deemed non-continuous only if it is interrupted by actual loss of appointment.

47. Except when the authority sanctioning it orders otherwise, personal pay shall be reduced by any amount by which the recipient's pay may be increased and shall cease as soon as his pay is increased by an amount equal to his personal pay.

48. When a temporary post is created, which may have to be filled by a person not already in Government service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.

49(a) When a temporary post is created, which will probably be filled by a person who is already a Government servant, its pay should be fixed by a competent authority with due regard to -

(1) the character and responsibility of the work to be performed, and

1. Inserted by No.FD 160 SRS 59 dated 5.12.1959

(2) the existing pay of Government servants of a status sufficient to warrant their selection for the post.

Note 1 - The following principles should be observed in fixing pay of temporary posts:-

(i) No Government servant may be placed on special duty or on deputation without the sanction of Government. A Government servant placed on 'special duty' or 'on deputation' should have the pay of his temporary post fixed at what his pay would have been from time to time in the regular line had he not been so deputed.

If the sanctioning authority is satisfied that a Government servant so deputed would otherwise have been advanced very shortly afterwards to a post carrying higher pay than that which he was drawing at the time his 'special duty' or 'deputation' begins and would continue to hold such a post for approximately the same period as his temporary post is expected to last it may take this fact into account and fix a uniform pay throughout the period.

(ii) The sole criteria for sanctioning enhanced pay in such cases is proof of a decided increase of work or responsibility in comparison with the duties of the post which the Government servant would otherwise occupy in the regular line. Where the test of comparative responsibility is not practicable, clause (a) of this Rule may be followed.

(iii) Any extra remuneration sanctioned because of such increased work or responsibility should not in any case exceed a maximum of twenty per cent of the pay; and the rate should be ordinarily ten per cent and the same should be allowed for a temporary period.

Note 2 - Temporary posts may be divided into two categories:-

(i) posts created to perform the ordinary work for which permanent posts already exist in a cadre, the only distinction being that the new posts are temporary and not permanent, and

(ii) isolated posts created for the performance of special tasks unconnected with the ordinary work which service is called upon to perform.

An example of the latter type of post would be a post on a commission of enquiry.

A distinction by strict verbal definition is difficult, but in practice there should be little difficulty in applying the distinction in individual cases. The former class of posts should be considered to be a temporary addition to the cadre of a service whoever may be the individual appointed to the post. The latter class of temporary posts should be considered as un-classified and isolated ex-cadre posts. Temporary posts which by this criterion should be considered as temporary additions to the cadre of a service should be created in the time-scale of the service ordinarily without extra remuneration. Incumbents of these posts will, therefore, draw their ordinary time-scale pay. If the posts involve decided increase in work and responsibility in comparison with the duties of the parent cadre generally, it may be necessary to sanction a special pay in addition. For isolated ex-cadre posts, it may occasionally be desirable to fix consolidated rates of pay. Where, however, the post is to be held by members of service, it will ordinarily be preferable also to create the post in the time-scale of the holder's service with a special pay, if necessary.

(b) Special pay does not include reimbursement of cost of travelling and a Government servant who draws special pay is not thereby debarred from drawing any travelling allowance which would be admissible to him if the duty on which he is deputed were treated as a new permanent appointment.

Deputations to Other Departments

¹[50 (1) When a Government servant is permanently transferred or deputed from one department to another under the provisions of rule 16 of the Karnataka State Civil Services (General Recruitment) Rules, 1957, he will draw pay in the new post at the same stage in which he was drawing in the old post and earn the next increment on the date on which he would have earned it had he continued in the old post.

(2) (a) When a Government Servant deputed from one department to another returns to the parent department he will draw the pay he would have drawn but for his deputation to the other department.

(b) Where, however, a Government servant is deputed to another department on special temporary duty against no sanctioned post, he will continue to draw pay in the grade of the post held by him in his parent department and will continue to retain a lien in his parent department.

1. Substituted by No. FD 109 SRS 75 dated 15.7.1977

(3) Such deputations should not ordinarily extend beyond five years except under special orders of Government.]

Increment

51(1) Increment accrues from the day following that on which it is earned. An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from a Government servant by a competent authority, in accordance with the rules applicable for ordering the withholding of increments if his conduct has not been good or his work has not been satisfactory. In ordering the withholding of an increment, the withholding authority shall state the period for which it is withheld, and whether the postponement shall have the effect of postponing future increments.

¹[(2) As and from the first day of April 1973, an increment which accrues on a day other than the first day of a month, shall be advanced to the first day of that month subsequent increment being regulated accordingly.)

Note - When the authority passing orders to withhold an increment fails to specify clearly for what period the officer is to be deprived of his increments, the deprivation should be held to cease on the expiry of the period during which the officer would have drawn the increment withheld. For example, if on the 1st July 1958, an officer already drawing a pay of Rs. 110 from, 1st July, 1957 in a grade of Rs. 100-10-150 and in ordinary course entitled to an increment of Rs.10 on the 1st July each year is punished by refusal of the next increment, to which he would otherwise have been entitled on that date, he will, in the absence of special orders to the contrary be entitled on the 1st July 1959 to draw Rs. 130 and not Rs. 120 only.

²[51-A. (1) Notwithstanding anything contained in Rule 51, where under the conditions of his service a Government servant has to pass any service examination or test before earning an increment he shall not earn the increment until he passes such examination or test.

(2) Where in pursuance of sub-rule (1), the date of earning the increment in respect of any Government servant is deferred beyond the normal period or period prescribed for earning the subsequent increments, the pay of such Government servant shall, on his passing the examination or test concerned be fixed at the

stage at which he would have drawn it if the earning of the increment had not been deferred.

Explanation - The provisions of sub-rule (2) will not entitle the Government servant to payment of any amount other than that drawn by him before earning the increment for the period during which he did not earn the increment. He will only be entitled to the fixation of his pay in the time-scale at the stage at which he would have drawn the pay, if the earning of the increment had not been deferred.]

52. ¹[Where] an efficiency bar is prescribed in a time-scale, the increment next above the bar shall not be given to a Government servant without the specific sanction of the authority ¹[empowered] to withhold increments.

53. The conditions under which service counts for increments in a time-scale are as follows:-

²[(a) All duty in a post on a time-scale counts for increment in that time scale:

Provided that for the purpose of arriving at the date of the next increment in that time-scale, the total of all such periods as do not count for increments in that time-scale shall be added to the normal date of increment.]

Note 1 - In the case of a Government servant, who, while officiating in one post, is appointed to officiate in another, the period of joining time spent in proceeding from one post to the other should be treated as duty in the post, the pay of which the Government servant draws during the period and will count for increment in the same post.

Note 2 - In the case of a Government servant who, officiating in a post, proceeds on training or to attend a course of instruction and who is treated as on duty while under training, the period of such duty, will count for increment in the post in which he was officiating prior to his being sent for training or instruction if he is allowed the pay of the officiating post during such period.

Note 3 - In cases where the passing of an examination or test confers on a Government servant the ¹[title to increments] such title should be deemed to have accrued on the day following the last day of the examination or test which he passed. In cases where

the examination or test can be passed in more than one instalment, the ¹[title to increments] will be deemed to have accrued on the day following the last day of the last instalment of, the examination or test which he is required to pass.

¹[The title to increments conferred by passing the examination is subject to the person concerned being otherwise eligible for the increments.]

²[Note 4 - In the case of eight monthly peons employed in the Land Records department, the period during which the establishment is not employed shall be treated as duty counting for increments in the time scale of pay sanctioned for such establishment provided that it shall not be so treated unless the peon is actually on duty immediately prior to and immediately subsequent to such period, viz.,

1. On the date on which the establishment is discharged and

2. On the date on which it is re-employed.

The above provisions shall be deemed to have come into force with effect from 1st April 1958 and shall be made applicable with effect from 1st December 1957 also to cases coming under Rule 48(a) of the Karnataka Pay and Allowances Rules, 1957.]

³[(b)(i) Service in another post, other than a post carrying less pay referred to in clause (i) of Rule 20(A), whether in a substantive or officiating capacity, service on deputation out of India and ⁴[leave except extraordinary leave taken otherwise than on Medical Certificate] shall count for increments in the time-scale applicable to the post on which the Government servant holds a lien, as well as in the time-scale applicable to the post or posts, if any on which he would hold a lien had his lien not been suspended.]

Periods of deputation to other Departments of Government in accordance with Rule 16 of General Recruitment Rules, 1977 and Rule 50 of Karnataka Civil Service Rules count for increment in the time-scale applicable to the post held at the time of Deputation or to which the Government servant may be promoted in the parent Department while on Deputation.]

¹[Provided that the Government may in any case in which it is satisfied that the extraordinary leave was taken for any reason beyond the control of the Government servant or for prosecution of higher studies, direct that the extraordinary leave shall count for increments under (i) and (ii), and where the leave was taken for prosecuting higher studies. subject to the following conditions. namely-

(a) the course of such higher studies have a close bearing on the sphere of duty of the Government servant;

⁴[Note 4 - The period of absence from duty debited to the half pay leave account of a Government Servant under the provisions of rule 106-A or 162 of the Karnataka Civil Services Rules, as the case may be, shall count for the purpose of increment in the scale of pay of the post held substantively or in an officiating capacity as on the date of commencement of the unauthorised absence.]

¹(c) xxx]

(d) If a Government servant, while officiating in a post or holding a temporary post on a time scale of pay, is appointed to officiate in a higher post or to hold a higher temporary post, his officiating or temporary service in the higher post shall, if he is reappointed to the lower post, or is appointed or re-appointed to a post on the same time-scale of pay, count for increments in the time-scale applicable to such lower post.

The period of officiating service in the higher post which counts for increments in the lower post is, however, restricted to the period during which the Government servant would have officiated in the lower post but for his appointment to the higher post.

This clause applies also to a Government servant who is not actually officiating in the lower post at the time of his appointment to the higher post, but who would have so officiated in such lower post or in a post on the same time-scale of pay had he not been appointed to the higher post.

Note - The intention of this rule is to allow the concession irrespective of whether the higher post is within or outside the department to which the Government servant belongs.

¹[(ii) the post in Government service in which the Government servant was officiating immediately before his transfer to foreign service so long as he would have continued to officiate in that post ²[or a post] on the same time-scale but for his going on foreign service; and

³[(g)(i) Joining time availed of by a Government servant in continuation of duty counts for increment in the time scale applicable to the post on which he holds a lien or would have held a lien, if his lien had not been suspended and in the time scale applicable to the post the pay of which is received by him during the period of joining time.

(ii) Joining time availed of by a Government servant in continuation of leave counts for increment in the time scale applicable to the post/posts on which the last day of leave before commencement of joining time counts for increment.

(iii) Joining time availed of by a Government servant in continuation of suspension counts for increment in the time scale applicable to the post the pay of which is received by him for the period of joining time.]

54. When the conditions of service of a Government servant are such that he is liable to be transferred in the same department or in different departments including Local Bodies between appointments of which the pay and increments are identical, his service shall, in the case of such a transfer, count for increments as if he had not been transferred.

¹[56. xxx]

57. An authority may grant a premature increment to a Government servant on a time-scale of pay if it has power to create a post in the same cadre on the same scale of pay.

Note 1 - In the case of increments granted in advance, it is usually the intention that the officer should be entitled to increments in the same manner as if he had reached his position in the scale in the ordinary course and in the absence of special orders to the contrary he should be placed on exactly the same footing, as regards future increments as an officer, who has so risen.

Note 2 - A proposal to grant an increment to a Government servant on a time-scale pay in advance of the date should be scrutinised with special jealousy as it is contrary to the principle of a time-scale pay to grant an increment before it is due. Such a grant of advance increment should not, therefore be recommended or allowed except under circumstances which would justify the grant of personal pay to a Government servant. Such increments in advance can be allowed only under the special order of Government in each case.

58. The authority which orders the transfer of a Government servant as a penalty from a higher to a lower grade or post may allow him to draw any pay not exceeding the maximum of the lower grade or post which it may think proper:

²[Provided that the pay allowed to be drawn by a Government servant under this rule shall not exceed the pay which he would have drawn by the operation of Rule 41 read with clause (b) or clause (d), as the case may be, of Rule 53.

Note - Once the pay is fixed in the lower post in the manner indicated above the regulation of increments in the lower post will be made under the normal rules unless the increment in the lower post also is withheld.]

59. ³[(1)(a) Where a Government servant's pay is reduced as a measure of penalty to a lower stage in his time scale, the authority ordering such reduction shall indicate-

(i) the date from which the penalty will take effect;

1. Deleted by No. FD 66 SRS 60 dated 12.5.1960.

2. Inserted by No. FD 136 SRS 60 dated 30.12.1960 (wef 26.5.1960)

3. Substituted by No. FD 41 SRS 84 dated 29.1.1985.

(ii) the period (in terms of years and months) for which the penalty shall be operative;

(iii) the stage in the time-scale (in terms of rupees) to which the pay of the Government servant is reduced;

(iv) whether the Government servant will earn increments during the period referred to at (ii) above, and

(v) whether, on the expiry of the period referred to at (ii) above, the reduction will operate to postpone his future increments and if so the extent (in terms of years and months) to which it would operate to postpone future increments.

(b) The reduction of pay to a lower stage in a time scale is not permissible under the rules either for an unspecified period or as a permanent measure.

(c) the period to be specified under (v) in clause (a) above, should in no case exceed the period specified under (ii) *ibid*.

(d) The question as to what should be the pay of a Government servant on the expiry of the period of reduction shall be decided as follows:-

(i) If the order of reduction lays down that the period of reduction shall not operate to postpone future increments, the Government servant should be allowed the pay which he would have drawn in the normal course but for the reduction.

(ii) If the order of reduction specifies that the period of reduction shall operate to postpone future increments for any specified period, the pay of the Government servant shall be refixed in accordance with (i) above, but after treating the period for which the increments are postponed as not counting for increments.

(e) Where a Government servant who is reduced to a lower stage in his time scale for a specified period, is promoted to a higher post during the period of such reduction, his pay on such promotion shall be regulated as follows:-

(i) The pay of the Government servant shall be fixed under the relevant rules regulating fixation of pay on the date he assumes charge of the post to which he is promoted on the basis of the pay he is drawing as a result of the penalty.

(ii) The pay of the Government servant shall simultaneously be fixed notionally on the basis of the pay he would have been entitled to, had the penalty not been imposed. This fixation will,

however, be operative from the date following the date of expiry of the period of reduction.

(iii) The service rendered by the Government servant in the higher post shall count for increment from the date he took charge of the post.

(iv) The principles of fixation of pay laid down at (i) to (iii) above, shall be applicable also in cases where a Government servant is promoted during the currency of the penalty of withholding of increments.

(f) Where increments are allowed under clause (a) (iv) above, the Government servant shall draw during the period of penalty increments with reference to the reduced pay.]

(2) If a Government servant is reduced as a measure of penalty ¹[to a lower service, grade or post, or to a lower time-scale] the authority ordering the reduction may or may not specify the period for which the reduction shall be effective, but where the period is specified, that authority shall also state whether, on restoration, the period of reduction shall operate to postpone future increments and, if so, to what extent.

²[Note - Where the period of reduction is specified under sub-rule (2) of this rule, the Government servant concerned shall be automatically restored to his old post after the expiry of the specified period and his pay on such restoration shall be regulated as follows: -

(i) if the order of reduction lays down that the period shall not operate to postpone future increments, the Government servant shall be allowed the pay which he would have drawn in the normal course but for his reduction to the lower post. If the pay drawn by him immediately before reduction was below the efficiency bar, he shall not be allowed to cross the bar except in accordance with the provisions of Rule 52;

(ii) if the order lays down that the period of reduction shall operate to postpone his future increments for any specified period which shall not exceed the period of reduction to the lower post/ grade, the pay of the Government servant on restoration shall be fixed in accordance with (i) above but after treating the period for which increments are to be postponed as not counting for increments.

2. Inserted by No. FD 136 SRS 60 dated 30.12.1960 (wef 5.1.1961)

In cases where the reduction to the lower post/grade is for an unspecified period, if and when the Government servant is reappointed to the higher post in the normal course the pay in the higher post will be regulated only in accordance with the normal rules relating to fixation of pay.]

¹[Instruction xxx]

²[59-A. Where an order of penalty of withholding of increment of a Government servant or his reduction to a lower service, grade or post, or to a lower time-scale, or to a lower stage in a time-scale is set aside or modified by a competent authority on appeal or review, the pay of the Government servant shall notwithstanding anything contained in these Rules, be regulated in the following manner:-

(a) If the said order is set aside, he shall be given, for the period such order has been in force, the difference between the pay to which he would have been entitled had that order not been made and the pay that he had actually drawn.

(b) If the said order is modified, the pay shall be regulated as if the order as so modified had been made in the first instance.

Explanation - If the pay drawn by a Government servant in respect of any period prior to the issue of the orders of the competent authority under this rule is revised the leave salary and allowances (other than travelling allowance), if any, admissible to him during that period shall be revised on the basis of the revised pay.]

³[Note - In respect of cases falling under sub-rule (a) of this Rule, service rendered by the Government servant in the lower service, grade or post and or lower time-scale or lower stage in the time-scale or at the stage the increment was withheld, from the date of imposition of such penalty by the disciplinary authority to the date on which the order of penalty is set aside by the competent appellate or reviewing authority, shall count for increment or for other purposes in the post which he was holding immediately before the imposition of the penalty provided that he would have continued to hold that post but for the order of penalty.

1. Omitted by No. FD 41 SRS 84 dated 29.1.1985

2. Inserted by No. FD 94 SRS 60 dated 7.7.1960 (wef 14.7.1960)

3. Inserted by No. FD 32 SRS 60 dated 4.8.1962 (wef 7.7.1960)

In respect of cases falling under sub-rule (b), of this Rule such service from the date of imposition of the penalty by the disciplinary authority to the date on which the order is modified by the appellate or reviewing authority, shall be counted for the purpose of increment or for other purposes in the post which he was holding immediately before the imposition of the penalty or any other post which he would have held but for the order of penalty, to the extent the modified order permits such counting.

For example, if an officer of a Class I service in the senior scale (Rs. 900-1300) is reduced to a Class II service (RS. 250-500) for a period of say, two years, and if after six months, the order is modified by the appellate authority as reduction to the Class I Service in the Junior Scale (Rs. 350-800) the period of six months will count for increment in the junior scale.

If on the other hand, the order of penalty is modified as reduction to a lower stage in the time-scale (Rs. 900-1300) for a specified period or withholding of increment, in that time-scale for a specified period, the period that has already elapsed since the date of imposition of the original penalty shall be taken into account only for the purpose of computing the specified period of penalty under the modified order.]

NEXT BELOW RULE

60. When, a person in a post (whether within the cadre of his service or not) is for any reason prevented from officiating in his turn in a post on a higher scale or grade borne on the cadre of the service to which he belongs, he may be authorised by special order of the appropriate authority proforma officiating promotion into such scale or grade and thereupon be granted the pay of that scale or grade if that be more advantageous to him, on each occasion on which the person immediately junior to him in the cadre of his service (or if that person has been passed over for reasons of inefficiency or unsuitability or because he is on leave or serving outside the ordinary line or foregoes officiating promotion of his own volition to that scale or grade, then the person next junior to him not so passed over) draws officiating salary in that scale or grade;

Provided that all persons senior to the person to whom the benefit under the substantive part of this rule is to be allowed are also drawing, unless they have been passed over for one or other of the reasons aforesaid, officiating salary in the said or some higher scale or grade within the cadre.

Provided further that not more than one person (either the senior most fit person in a series of adjacent persons outside the ordinary line, or, if such a person either foregoes the benefit of his own volition or does not require the benefit by virtue of his holding a post outside the ordinary line which secures him at least equivalent benefits in respect of salary and pension then the next below in the series) may be authorised to draw the salary of the higher scale or grade in respect of any one officiating vacancy within the cadre filled by his junior under this Rule.

Note 1 - A purely fortuitous officiating promotion given to a person who is junior to one outside the regular line does not in itself give rise to a claim under the 'Next Below' Rule.

¹[Note 2 - The benefit of officiating promotion under this Rule shall be allowed to Officers who are outside the cadre subject to the fulfilment of the conditions laid down therein, only against promotions in a cadre in vacancies of more than 120 day's duration. In other words, the initial vacancy as well as subsequent vacancies on the basis of which the benefit is to be continued should each be of more than 120 days' duration. The benefit should not be allowed in respect of promotions against a chain of vacancies which taken together extend beyond 120 days.]

²[Exception - The provisions of this rule apply also to a Government servant deputed abroad on study leave concessions under rule 1 of the Appendix II to these rules and to a Government servant who goes abroad for higher studies at his own cost under Rule 10 of the said Appendix. The maximum period of leave which will be recognised for purposes of according pro-forma promotion shall be two years for post- graduate and other courses and 3 years for Ph.D. if the candidate is successful in all his examinations within that period. The monetary benefit of promotion will, however, have effect from the date he rejoins duty after the expiry of leave.]

consisting of higher studies or specialised training in professional or technical subjects having a direct and close connection with the sphere of his duty.

(b) The State Government may also grant study leave to a Government servant for prosecution of studies which may not be closely or directly connected with his work but which are capable of widening his mind in a manner likely to improve his abilities as a civil servant and to equip him better to collaborate with those employed in the other branches of public service.

(2) A Government servant who is deputed or granted study leave for higher studies or specialised training shall not be entitled to claim any monetary benefit or seniority by virtue of the higher qualification or training acquired.

(2) During the transit period, they will be entitled to their Civil rates of pay and allowances to be met from the budget head to which such expenditure is normally debitable. No travelling allowance will, however be admissible to them because they would travel on railway warrants and would draw money in lieu of ration and mineral water and ice allowance during summer months.

(3) For the period of training (excluding periods of transit) if the pay and allowance (excluding concessions in kind, e.g. free ration, etc.) admissible as a reservist are less than the pay and allowances admissible in the Civil post, the difference will be paid and debited to the budget head to which the individual's Civil pay is normally debitable.]

CHAPTER V

COMBINATION OF APPOINTMENTS

66. Government may appoint one Government servant to hold substantively as a temporary measure, or to officiate in two or more independent posts at a time. In such cases his pay is regulated as follows:-

(a) the highest pay, to which he would be entitled if his appointment to one of the posts stood alone, may be drawn on account of his tenure of that post;

(b) for each other post he draws such reasonable pay in no case exceeding half the presumptive pay of the post, as Government may fix; and

(c) if compensatory or other allowances are attached to one or more of the posts, he draws such allowances as Government may fix, provided that such allowances shall not exceed the total of the compensatory and sumptuary allowances attached to all the posts.

Note:- The minimum period prescribed for claiming increased pay or allowances for holding combined charges as above shall be fourteen days.

¹[67. A Government servant discharging the duties of more than one appointment in the same office, or on the same establishment, in accordance with Rule 66 is entitled to the highest salary to which he would be entitled if he held or officiated in any one of the appointments alone, and to nothing more, but he may be granted the special pay attached to any of the posts he holds subject to the condition that not more than one special pay is drawn.

Instruction 1:- A permanent post vacated by the dismissal, removal or compulsory retirement of a Government servant should not be filled up substantively, until the period of one year from the date of such dismissal, removal or compulsory retirement. as the case may be. Where, on the expiry of the period of one year, the permanent post is filled and the original incumbent of the post is reinstated thereafter, he should be accommodated against any post which may be substantively vacant in the grade to which his, previous substantive post belonged. If there is no such vacant post, he should be accommodated against a supernumerary post which should be created in this grade with proper sanction and with the stipulation that it would be terminated on the occurrence of the first substantive vacancy in that grade. (O.M. No. FD 49 SRS 61 dated 16.6.1961)

Instruction 2:- Government have had under their consideration the circumstances in which supernumerary posts may be created and what should be the general principles governing the creation of such posts. Instructions have also been issued regarding the creation of supernumerary posts to accommodate the following categories of officials:-

(1) Permanent Government servants who are substantively reduced to a lower post on account of inefficiency or misbehaviour and for whom permanent posts in the lower service/ grade/time-scales, etc., are not available (vide OM No. FD 148 SRS 60, dated 26th October 1960).

(2) Permanent Government servants who vacate their posts as a result of dismissal, removal or compulsory retirement but are later reinstated after the expiry of a period of more than one year. (Vide Instruction below Karnataka Civil Service Rules, 100, issued in OM NO. FD 49 SRS 61, dated 16th June 1961). It is however, not possible to give an exhaustive list of the circumstances in which supernumerary posts may be created. Government are therefore, pleased to lay down the following broad principles governing the creation of such posts:-

(i) A supernumerary post is normally created to accommodate the lien of a Government servant, who, in the opinion of the authority competent to create such a post is entitled to hold a lien against a regular permanent post but who due to non-availability of a regular permanent post cannot have his lien against such a post.

(ii) It is a shadow post, i.e., no duties are attached to such a post. The Government servant whose lien is maintained against such post, generally performs duties in some other vacant temporary or permanent post.

(iii) It can be created only if another vacant permanent or temporary post is available to provide work for the person whose lien is retained by the creation of the supernumerary post. In other words, it should not be created in circumstances which, at the time of the creation of the post or thereafter, would lead to an excess of the working strength.

(iv) It is always a permanent post. Since, however, it is a post created for accommodating a permanent Government servant till he is absorbed in a regular permanent post. it should not be created for an indefinite period as other permanent posts are but should normally be created for a definite and fixed period sufficient for the purpose in view.

(v) It is personal to the Government servant for whom it is created and no other Government servant can be appointed against such a post. It stands abolished as soon as the Government servant for whom it was created vacates it on account of retirement or confirmation in another regular permanent post or for any other reason. In other words, no officiating arrangements can be made against such a post. Since a supernumerary post is not a working post the number of working posts in a cadre will continue to be regulated in a manner that, if a permanent incumbent of one of the regular posts returns to the cadre and all the posts are manned, one of the Government servants of the cadre will have to make room for him. He should be shown against a supernumerary post.

(vi) There should be no extra financial commitment involved in the creation of such posts in the shape of increased pay and allowances pensionary benefits, etc.,

2. Subject to the observance of the principles set out in the previous paragraph, supernumerary posts may be created only in consultation with the Finance Department.

3. The Heads of Departments should maintain a record of the supernumerary posts, the particulars of the individuals who hold liens against them and the progressive abolition of such posts as and when the holders of the posts retire or are absorbed in regular permanent posts, for the purpose of verification of service pension.

noted on the top page of the page containing the leave accounts. Such leave and the leave availed of by the Government servant after the said date should be noted in it separately and not mixed up with the leave earned after the said date.

120. In respect of Government servants as who have, in pursuance of the option exercised under the provisions of rule 105 or the provisions thereunder, elected to be governed by the rules in this part with effect from the 1st day of August 1962 or the first day of October 1972 or the first day of January 1978, as the case may be, hereinafter in this rule called the 'said date' the following provisions shall be applicable.

I. In the case of Government servants allotted to the new State Of Mysore from the States of Bombay, Hyderabad, Coorg and Madras.

(1) Bombay Leave Rules:

(i) Old Leave rules: Leave on average pay.

The maximum leave on average pay at a time will be limited to four months; It may be extended up to eight months, If the leave in excess of four months is spent out of India or the leave in excess of four months is supported by Medical Certificate but is not leave preparatory to retirement.

(ii) Revised Leave Rules:

(a) Earned Leave: Earned leave will be added to earned leave earned from the said date (upto the prescribed maximum limit).

(b) Half pay leave due: This will be added to half pay leave earned from the said date.

(2) The Madras Leave Rules, 1933:

The following method shall be adopted in calculating the unearned leave (i.e., leave on private affairs and leave on Medical Certificate) at the credit of the Government servant on the date immediately preceding the said date:

Calculate the ratio between the period of completed years of service put in by the Government servant to the date immediately preceding the said date and the total period of completed years of service he would put in if he would retire at the age of superannuation (55 years). Calculate the amount of unearned leave at the same ratio and deduct the leave availed of to the date immediately preceding the said date. The balance will be the amount of unearned leave

(half pay leave due) at the credit of the Government servant on the said date. If the leave already taken exceeds the amount that would thus be admissible, the excess should be shown in red ink, in the leave account and debited against half pay leave that would be earned for each completed year of service from the said date.

This principle is applicable also to other cases where leave is not based on a fixed fraction of the service rendered.

II. In the case of Government servants allotted to the New State of Mysore from the Old State of Mysore eligible for leave under the Mysore Services Regulations.

(a) Privilege leave:- This will be added to "Earned Leave" due from the said date (subject to the prescribed maximum limit).

During the period of privilege leave availed of on or after the said date (as earned leave) the leave salary should not be less than the "salary" as on the date immediately preceding the said date.

Note:- In the case of temporary Government Servants who had put in a service of one year as on the said date, the amount of privilege leave due up to the date immediately preceding the said date will be calculated at 1/11th of the period of duty as per the Leave Rules in Mysore Service Regulations and the amount of earned leave due will be calculated at 1/22nd of the period of duty as per the Leave Rules in this part from the said date, till the date of completion of a service of one year.

(b) Leave on half average Salary:- This will be added to "Half pay leave due".

Note 1. Temporary Government servants who have put in a service of less than 5 years as on the said date may be given credit furlough leave on half average pay calculated with reference to their service as on the date immediately preceding the said date, and carried forward for availment after the said date subject to the limit prescribed in the New Leave Rules.

Note 2. According to Article 207, Mysore Service Regulations (old), Average salary will be granted during Furlough due for a total Period not exceeding one year in the whole service, (six months at a time which can be extended upto eight months on Medical certificates) twice the period of Furlough leave on Average salary being debited to the leave account in terms of leave on half average salary.

The employees of the old Mysore State will be permitted to avail the Furlough Leave on average salary, which was at credit on the date immediately preceding the said date on or after the said date, subject to the prescribed maximum limits. The total of furlough on average salary (Old Rules) and of commuted leave (New Rules) should not exceed one year, during the whole service, if the Government servant had earned leave on average pay for at least 120 days on the date immediately preceding the said date.

If the leave earned is less, the maximum limit will stand correspondingly reduced.

Leave on half average salary during the whole service (other than privilege leave or earned leave) should not exceed three years.

Note 3- Government servants of the old Mysore State can be granted furlough leave on average salary which was at their credit on the date immediately preceding the said date, preparatory to retirement, subject to the prescribed limit.]

CHAPTER XIII - PROCEDURE RELATING TO LEAVE GENERAL RULES

174(a) The leave account of a Gazetted Government servant shall be maintained by, or under the direction, of the Audit Officer responsible for the audit of his pay.

(b) The leave account of a non-gazetted Government servant shall be maintained, and the entries therein attested, by the head of the office in which he is employed.

175. An application for leave or for an extension of leave must be made through the immediate departmental superiors (if any) to the authority competent to grant such leave or extension¹[in Form 1-A].

²[Provided that no such application shall be necessary-

(1) When a Government servant makes a request for extension of leave, by a letter with necessary particulars, or

(2) When the authority competent to sanction leave comes to know that a Government servant is absent from duty due to illness or that a Government servant has died.]

176. A Government servant returning from leave is not entitled in the absence of specific orders to that effect to resume as a matter of course the post which he had before going on leave. ³[He must return to the station from where he proceeded on leave and report to the authority under whom he was serving before he proceeded on leave unless there are any orders to the contrary.] He must if necessary also submit to such delay as may be unavoidable in the interest of public service.

Note - Controlling Officers should provide for the expected return of government servant from leave by seeing that the Government servant to be relieved are at headquarters in due time to give over charge.

177. Medical officers must not recommend the grant of leave in any case in which there appears to be no reasonable prospect that the Government servant concerned will ever be fit to resume his duties. In such cases the opinion that the Government servant is permanently unfit for Government service should be recorded in the medical certificate.

2. Inserted by No. FD 36 SRS 81, dated 11-5-1982 (wef 20-5-1982)

3. Substituted by No. FD 41 SRS 65, dated 22-1-1966 (wef 15-3-1966).

178. Every certificate of a Medical Committee or a medical Officer recommending the grant of leave to a Government servant must contain a proviso that no recommendation contained in it shall be deemed to be evidence of a claim to any leave not admissible to the Government servant under terms of his contract or of the rules to which he is subject.

Note:- In all cases where half pay leave "not due" is granted to a Government servant, the Medical Officer granting the medical certificate should specifically state therein that as far as can be reasonably foreseen by him there is every likelihood of the Government servant returning to duty and continuing in service for a specified number of years. Such a certificate is necessary to enable the sanctioning authority to grant or refuse leave 'not due' basing his judgement on the medical opinion so furnished.

In the case of Government servants suffering from tuberculosis not admitted to a Sanatorium, the medical certificates as above granted by the Medical Officers may be accepted and in the case of those admitted to a Sanatorium, the certificate granted by the Medical officer Incharge of the Sanatorium may be accepted.

183. If the state of the applicant’s health is certified by a Medical Officer in charge of a station to be such as to make it inexpedient to present himself at any place in which the Medical examination is to be conducted, the authority competent to grant the leave may accept in lieu of the certificate prescribed in Rule 180, a certificate from any two Medical Officers. The certifying officers need not belong to the State.

This Rule will be only applicable when the Government servant requiring leave is too ill, or unable for other reasons regarded as sufficient by his immediate superior to come to headquarters to undergo examination by the Civil Surgeon or the District Medical Officer.

185. The grant of a Medical certificate does not in itself confer upon the Government servant concerned any right to leave. The certificate should be forwarded to the authority competent to grant the leave, and the orders of that authority should be awaited.

186. When any Government servant is granted leave on medical certificate, the authority granting the leave should specify the fact in its order to enable the Audit Officer to make the necessary entry in the leave salary certificates.

Medical Certificates - Non-Gazetted Government servants

187. Application for leave on Medical certificate must be accompanied by a certificate from the applicant's medical attendant. CHAPTER XIV
PAYMENT OF LEAVE ALLOWANCES

When payable

197. Leave allowances are payable after the end of each calendar month.

¹[Exception-1 :- A Government servant who is granted Earned leave preparatory to retirement under rule 110 shall be paid in lumpsum the amount equivalent to leave salary and allowances admissible during such leave as one time settlement at the commencement of leave.

Exception-2 :- The earned leave during re-employment (including re-employment on contract basis) may be allowed to be availed of as terminal leave even though it may not have been formally applied for and refused and the amount equivalent to leave salary and allowances payable shall be paid in lumpsum as one time settlement. The same principle applies in respect of refused leave granted under rule 110.]

198. When leave is sanctioned with retrospective effect or when one kind of leave is commuted retrospectively into any other kind of leave admissible under these rules after the lapse of one year from the date of relief, the leave allowances shall not become payable without the sanction of Government.

Note :- Government have delegated to Heads of Departments the power of sanctioning the disbursement of leave allowance under this rule to non-gazetted Government servants of their departments.

Instructions :-

A question has been raised as to whether the concurrence of the Finance Department should be obtained to sanction the payment of leave allowances when leave is sanctioned with retrospective effect to the Gazetted Officers. The question has been examined and it has been decided that the Administrative Secretariat Departments may sanction such payments without the concurrence of the Finance Department. They should however ensure that the delay in sanctioning leave was unavoidable and the sanction of leave is in accordance with the rules. (O.M. No. FD 110 SRS 68 dt. 9-7-1968)

GAZETTED GOVERNMENT SERVANTS

¹[199(a) The leave salary of a Gazetted Government servant should be drawn from the treasury from which his pay was being drawn immediately before proceeding on leave, but ²[where the leave exceeds one hundred and twenty days,] he cannot begin to draw it without producing a leave salary certificate from the Audit Officer who audited his pay before he proceeded on leave. The officer concerned should make his own arrangements, where necessary, for getting his leave salary remitted to him.

(b) In a case, where a period of leave is followed by transfer, such portion of the leave salary as could not be drawn at the old station may be drawn at the treasury from which the pay in respect of the new post is drawn.]

²[Exception :- The cash equivalent of leave salary payable to the beneficiary specified in sub-rule (3) of Rule 118-A shall not be paid without an authorisation from the Audit office.]

200. If a Gazetted Government servant signs his bill himself, he must either appear in person at the place of payment, or furnish a life certificate signed by a responsible officer of Government, or some other well-known and trustworthy person. If he draws his allowances through an authorised agent, the agent whether he has or has not a power of attorney, must either furnish a life certificate as aforesaid, or execute a duly stamped bond to refund overpayments. A life certificate may be given periodically, a duly stamped bond being given to cover intermediate payments not supported by the life certificate.

³[Exception :- In all such cases, as explained below, life certificate as contemplated in this rule, need not be insisted upon:-

(i) When the arrears of leave salary are drawn by Gazetted officer after he has resumed duty.

(ii) When the leave salary is claimed in the same bill as the duty pay of the period following that of leave salary, and

(iii) When the report of taking over charge after the expiry of leave has already been sent to the Treasury Officer.]

3. Inserted by No. FD 91 SRS 60 dated 12-8-1960 (w.e.f. 25-8-1960)

¹[Note :- When separate bills for leave salary, vacation pay, etc., relating to different periods are presented and paid simultaneously, it is not necessary to furnish separate 'Life Certificate' for the different periods but only one certificate in respect of date of presentation of the bills should be enough.]

201. The production of a life certificate is not required when leave-salary is drawn through agents who have executed a general bond of indemnity with Government for drawing the leave-salary, pension, etc., of their constituents.

Note 1 :- A Government servant or any other individual cannot be constituted an "agent" for the purposes of this rule.

Note 2 :- The proper stamp duty upon bonds executed under this Rule is that chargeable upon indemnity bonds according to the law relating to stamp duty in force in the area in which the bond is executed.

²[202. The leave salary shall be drawn in rupees in India, except in the case of Government servants proceeding outside India on study leave or any other type of leave granted specially for the purpose of study.

When payment of leave allowance is made outside India, rupees are converted into sterling at current rates of exchange fixed for the adjustment of financial transactions. If any payment is made, at a different rate, or otherwise erroneously, it should be adjusted in subsequent payments.

Note :- Payment of leave salary outside India will be arranged for through the Accountant General, Karnataka.]

203. If the leave of a Gazetted Government servant is extended or commuted, the Head of the Department must communicate it to the Audit Officer. He should also communicate any other circumstances connected with the leave which may be required to be known to the Audit Officer who passes the leave allowances of the Government servant.

1.Substituted by No. FD 4 SRA 99 dated 2.6.2000 (w.e.f.1-4-1998)

211. A Government servant transferred to foreign service shall not be permitted, while he remains in the foreign service to receive a pension on voluntary retirement from Government service. For the purpose of this Rule retirement shall be considered to be voluntary if the Government servant is not required to retire but retires on retiring pension before he is compelled to retire under the rules relating to compulsory retirement.

¹[212 xxx]

²[213(1). Future good conduct shall be an implied condition of every grant of pension. The pension sanctioning authority may, by order in writing withhold or withdraw a pension or part thereof whether permanently or for a specified period, if the pensioner is convicted of a serious crime or is found guilty of grave misconduct:

Provided that no order shall be passed under this clause by an authority subordinate to the authority competent to make an appointment to the post held by the pensioner immediately before his retirement from service.

(2) Where a pensioner is convicted of a serious crime by a court of law, action under clause (1) shall be taken in the light of the judgement of the court relating to such conviction.

Explanation :- In this rule, the expression "serious crime" includes a crime involving an offence under the Official Secrets Act, 1923 (Central Act 19 of 1923) and the expression "grave misconduct" includes the communication or disclosure of any secret official code or password or any sketch, plan, model, article, note, document or information such as is mentioned in Section 5 of the said Act (which was obtained while holding office under the Government) so as to prejudicially affect the interests of the general public or the security of the State.]

Provided that where the departmental proceedings are instituted by an authority other than Government, that authority shall submit a report recording its findings to the Government.

(b) The departmental proceedings, if not instituted while the Government servant was in service, whether before his retirement or during his re-employment.

(i) shall not be instituted save with the sanction of the Government.

(ii) shall not be in respect of any event which took place more than four years before such institution, and

(iii) shall be conducted by such authority and in such place as the Government may direct and in accordance with the procedure applicable to departmental proceedings in which an order of dismissal from service could be made in relation to the Government servant during his service.

(3) No judicial proceedings, if not instituted while the Government servant was in service, whether before his retirement or during his re-employment, shall be instituted in respect of a cause of action which arose or in respect of an event which took place, more than four years before such institution.

(4) In the case of a Government servant who has retired on attaining the age of superannuation or otherwise and against whom any departmental or judicial proceedings are instituted or where departmental proceedings are continued under sub-rule (2), a provisional pension as provided in Rule 214A shall be sanctioned.

(5) Where the Government decided not to withhold or withdraw pension but orders recovery of pecuniary loss from pension, the recovery shall not ordinarily be made at a rate exceeding one third of the pension admissible on the date of retirement of a Government servant.

(2) Payment of provisional pension made under clause (1) shall be adjusted against the final retirement benefits sanctioned to such officer upon conclusion of the aforesaid proceeding but no recovery shall be made where the pension finally sanctioned is less than the provisional pension or the pension is reduced or withheld either permanently or for a specified period.

¹[Note : xxx]

215. In cases not governed by the provisions of Rule 214, the following rules shall govern the recoveries from pension and compassionate allowances:-

1. Inserted by No. FD 105 SRS 62 dated 2-3-1965.

2. Deleted by No. FD 100 SRS 83 dated 3-1-1985 (w.e.f. 10-1-1985)

(1) A claim may become known and the question of recovery may arise:-

(A) When the calculation of pension is being made and before the pension is actually sanctioned: or

(B) after the pension has been sanctioned.

(b) Recovery of other Government dues such as over issues of pay, allowances, or leave salary or admitted and obvious dues such as house rent, life insurance premia, outstanding motor car, house building, travelling and other advances.

(c) Recovery of non-Government dues.

(3) In cases falling under clause (1)(A) above, none of the recoveries mentioned in clause (2) (a) to (c) above may be effected by a reduction of the pension about to be sanctioned except in the following circumstances:-

(a) When the service of a Government servant can be held to have been not thoroughly satisfactory, a reduction in the amount of pension may be made ¹[xxx] by a competent authority although no direct penal recovery from pension is permissible.

(b) When the pensioner by request made or consent given has agreed that the recovery may be made ²[provided such recovery is restricted to the amount of pension which has already become payable on the date of the agreement or consent.] If such request is not made or consent is not given by the pensioner, even sums admittedly due to Government such as house rent, outstanding advances, etc., may not be recovered from pension.

In such cases, however, the executive authorities concerned would have to consider whether they should not try to effect the recovery otherwise than from pension, for example, by going to a Court of Law, if necessary.

1. Deleted by No. FD 100 SRS 83 dated 3-1-1985 (w.e.f. 10-1-85)

2. Inserted by No.FD 38 SRS 64 dated 2-12-1964.

(4) In cases falling under clause (1)(B) above, none of the recoveries mentioned in clause (2) (a) to (c) above may be effected by deduction from the pension already sanctioned except at the request or with the express consent of the pensioner: ¹[provided such recovery is restricted to the amount of pension which has already become payable on the date of such agreement or consent.] In cases where the pensioner does not agree to recovery being made even of sums admittedly due to Government, action as indicated in the last sentence of clause (3) may be taken.

²[215-A. ³[Notwithstanding the pension rules applicable to a Government servant,] it is permissible to make recovery of Government dues ⁴[and any pecuniary loss found to have been caused to Government in any departmental or judicial proceedings instituted against such Government servant under rule 214] from the Death-cum-Retirement Gratuity or any other gratuity payable to a Government servant without obtaining his consent and when the Government servant is dead without obtaining the consent of the members of his family.]

⁵[Note :- Where Government dues or the amount of any pecuniary loss assessed against a retired Government servant under rule 214, is recoverable under the above rule from the death-cum-retirement gratuity or any other gratuity payable to him, the pension sanctioning authority may order and draw the death-cum-retirement gratuity to the extent of Government dues pending recovery and remit the amount so drawn to the proper head of account by debit to the Head of account under which death-cum-retirement gratuity would have been debited in the normal course, even though the retired Government servant or in the event of his death, the person eligible to claim to death—cum-retirement gratuity or any other gratuity does not prefer his claim.]

216. In the following cases, no claim to pension is admitted:-

(a) When a Government servant is appointed for a limited time only, or for a specified duty, on the completion of which he is to be discharged;

(b) When a person is employed temporarily on monthly wages without specified limit of time or duty; but a month's notice of discharge should be given to such a person, and his wages must be paid for any period by which such notice falls short of a month;

(c) When a person's whole time is not retained for the Public Service but he is merely paid for work done for the State.

Note :- This clause applies, among others, to the following Government servants, viz., Advocate-General, Administrator General, Official Trustee, Government Pleaders and Public Prosecutors not debarred from private practice.

(d) When a Government servant holds some other pensionable office he earns no pension in respect of an office of the kind mentioned in clause (c) or in respect of duties paid for by a local allowance:

(e) When a Government servant serves under a covenant which contains no stipulation regarding pension.

217. No pension may be granted to a Government servant dismissed or removed for misconduct, insolvency, or inefficiency, but in cases in which the Government servants so dismissed or removed are deserving of special consideration, compassionate allowances may be granted provided that the allowance granted to any Government servant shall not exceed two-thirds of the pension which would have been admissible to him if he had been retired on medical certificate.

Note 1:- Compassionate Grant may be made on the basis of the maximum of 2/3 of the invalid pension and Death-cum-Retirement Gratuity admissible under the rules, and it need not be limited to 2/3 of invalid pension only. The Compassionate Grant would automatically cease when a Government servant dies and would be replaced by Family Pension.

Note 2:- ¹[The compassionate allowance granted to a Government servant under the above rule shall be treated as pension for the purpose of commutation under these rules.]

²[Note 3:- The amount of compassionate allowance to be granted under this rule, shall be in whole rupees only.]

2. Inserted by No. FD 85 SRS 67, dated 19- 10-1967.

218. A Government servant compulsorily retired from service as a penalty may be granted by the authority competent to impose such penalty, pension at a rate not less than two-thirds of the invalid pension and not more than full invalid pension admissible to him on the date of his compulsory retirement.

¹[Note]:- The intention, is that persons on whom the penalty of compulsory retirement is imposed should ordinarily be granted the full invalid pension and Death-cum-Retirement Gratuity, if any, admissible on the date of compulsory retirement. Where, however, the circumstances of a particular case so warrant, the authority, competent to impose the penalty of compulsory retirement, may subject to the orders of the appellate or revising authority, make such reductions in the pensionary benefits within the limits prescribed, as it may think appropriate. A reduction may be made either in the Death-cum-Retirement Gratuity or in the Pension or in both. ²[The reduction to be made in the pension shall be in whole rupees only.]

[Note 2:- Provisional pension may be authorised immediately after Government servants are compulsorily retired under this rule, withholding, however, the D.C.R.G. till the final pension order is issued.]

decide. Service so allowed to count shall, however, be restricted to service, within or outside the employees unit or department, in India, or elsewhere, which has been paid for from Indian Revenues or for which a pensionary contribution has been received by the Indian Revenues.

(b) Service pensionable under Military Rules which does not terminate before a pension has been earned in respect of it shall not be allowed to count for pension under these rules without the sanction of Government.

Note 1:- An officer, ex-soldier or ex-airman will not be brought under the operation of this Rule as a matter of course. Each case will be decided on its merits, e.g., there may be cases in which it may be open to a claimant for pension to add military service during the Great War to former non-pensionable service in the Army in order to claim the benefit of a Military pension. In such cases it may be to the advantage of the claimant that he should not be brought under the operation of this Rule. The bearing of paragraph 574 of the Pay and Allowance Regulations of the Army in, India, Part II, on the position of soldiers of the Indian Army who re-entered during the Great War deserves consideration in this connection.

Note 2 :- This Rule applies to Indian Commissioned Officers, Non-commissioned Officers and Men of the Indian Army and of the Frontier Constabulary and Militias and to non-combatant departmental and Regimental employees and followers of the supplemental services. It also applies to Warrant and Non-commissioned officers and Men of the British Service and to Warrant Officers and departmental officers of Commissary and Assistant Surgeon classes.

Note 3:- To be eligible for concession in this Rule, the individual concerned should take his discharge from the Army or *Royal Air Force* within 12 months from the date of his confirmation in the appointment pensionable under these rules. This limit may in special cases, be relaxed by the Government.

Note 4:- Employees in the Military Police have the option of counting service under any other rules which would give them a similar or more liberal concession.

Note 5:- Employees who were in service in an appointment pensionable under Civil Rules on 22nd February, 1921, are eligible to count service under the rules which were in force before that date, where these rules are more advantageous, to them.]

¹[Note 6:- The pensionary liability in respect of Military Service (other than War-Service) devolves on the Defence Authorities. Any bonus or gratuity refunded under sub-rule (a) shall, therefore, be credited to the Defence Estimates.]

²[219-B:- Persons who, prior to their appointment against reserved or unreserved vacancies under Government, had rendered satisfactory paid whole time enlisted or commissioned 'war service' between the periods ³[3rd September, 1939 and 31st March 1946.] in the Armed forces of India or similar Forces of a Commonwealth Country ⁴[which did not earn a service pension and /or service gratuity] under the Military, Naval or Air Force Rules shall be allowed to count such "war service" for the purpose of civil pension subject to the following conditions:

(1) Completed years of the said 'War Service' shall be allowed to count up to a maximum of 5 years.

CHAPTER XVI

CONDITIONS OF QUALIFYING SERVICE

SECTION 1 - DEFINITIONS OF QUALIFYING SERVICE

220. A Government servant's service does not qualify till he has completed eighteen years of age.

221. In cases other than those referred to in Rule 220, unless it be otherwise provided by special rule or contract, the service of every Government servant begins when he takes charge of the office to which he is first appointed.

222. The service of a Government servant does not qualify for pension unless it conforms to the following three conditions,-

First - The service must be under Government.

Second - The employment must be substantive and permanent.

Third - The service must be paid for by Government.

These three conditions are fully explained in the following sections.

¹[Note:- Service of Government Servants deputed to work under the Tungabhadra Board is deemed to be service qualifying for pension under this rule.]

SECTION II - FIRST CONDITION

223. The service of a Government servant does not qualify unless he is appointed and his duties and pay are regulated by the Government, or under conditions determined by the Governor. The following are examples of persons excluded from pension by this rule:-

- (1) Servants of a Municipality or a Local Board.
- (2) Servants of Grant-in-aid Schools and institutions.

SECTION III - SECOND CONDITION

224. Service does not qualify unless the Government servant holds a substantive office on a permanent establishment but temporary service will count to the extent indicated in Rule 226.

1. Inserted by No. FD 69 SRS 62 dated 6-3-1968 (Deemed to have been always inserted).

¹[Note 1 :- In the case of a Government servant retiring from service after 31st December, 1959, temporary and / or officiating service under the Government followed without interruption by confirmation in the same or another post, shall count in full as qualifying service provided he held a substantive appointment on a permanent establishment on the date of his retirement except in respect of

(i) Periods of temporary or officiating service in non-personable establishments;

(ii) Periods of service in work-charged establishments;

(iii) Periods of service paid from contingencies.

The proviso that temporary and / or officiating service, should be followed by confirmation may be relaxed by Government in special cases where for valid reasons a Government servant is not confirmed before his retirement or death while in service.]

²[Note 2 :- In respect of cases of retirement or death while in service of Government servants during the period from 1st January 1960 to 31st August 1968, Heads of Departments are authorised to sanction pension where admissible to temporary non-gazetted servants counting the continuous temporary service rendered in regular establishments under Government as qualifying service.]

³[224-A. In respect of retirement or death while in service of Government Servants on or after 1st September 1968, all service under Government whether temporary or permanent shall count.]

225. An establishment, the duties of which are not continuous, but are limited to certain fixed periods in each year, is not a temporary establishment. Service in such an establishment including the period during which the establishment is not employed, qualifies; but the concession of counting as service the period during which the establishment is not employed, does not apply to a Government servant who was not on actual duty when the establishment was discharged, after completion of its work, or to a Government servant who was not on actual duty on the first day on which the establishment was again re-employed.

1. Inserted by No. FD 41 SRS 60 dated 6.7.1960

2. Inserted by No. FD 70 SRS 69 dated 27-5-1970

3. Inserted by No. FD 69 SRS 66 dated 10-10-1968

226. A Government servant transferred from a temporary to a permanent appointment can count his service in full in the temporary office, if, though at first created experimentally or temporarily, it eventually becomes permanent.

Half the period of continuous temporary service will count for pension, provided such service is followed by a substantive appointment. If, however, the continuous temporary service prior to confirmation extends to five years or more, the full period will count for pension.

¹[Explanation :- Where the continuous temporary service prior to confirmation is less than five years and a portion of it qualifies for pension under Rule 227, the remaining portion of that temporary service cannot be counted under this Rule. If, however counting of half the full temporary service under this Rule is more advantageous, that benefit may be given in lieu of what is admissible under Rule 227.]

Note 1 :- If any temporary service is interrupted, the interruption should not be condoned under Rule 256 with a view to confer on the officer, a larger benefit than is contemplated under this Rule.

Note 2 :- "Temporary Service" in the rule shall include "Officiating Service" rendered either in a temporary post or a permanent post provided such service is followed by confirmation in a permanent post.

The proviso in the Rule and Note 2 thereunder to the effect that the temporary office should eventually become permanent and temporary service should be followed by substantive appointment to count service for pension, may be relaxed by Government in special cases where for valid reasons a Government servant is not confirmed before his retirement or death while in service.

²[xxx]

Note 4 :- In regard to counting of temporary service under the above Rule the benefit can be given only by taking into consideration the period of duty and leave with allowances. The period spent on leave without allowance has to be omitted for purposes of assessing the benefit accruing under the above Rule.

1. Inserted by No.FD 85 SRS 60 dated 12-7-1960 (w.e.f. 1-4-1958)

2. Deleted by No.FD 72 SRS 63 dated 19-3-1964.

¹[Note 5 :- The provisions of this Rule shall not apply to Government servants retiring from service after 31st December 1959.]

227. A Government servant without a substantive appointment officiating in an office which is vacant, or the permanent incumbent of which does not draw any part of the pay or count service, may, if he is confirmed without interruption in his service count his officiating service.

Note 1 :- The confirmation of the Government servant need not necessarily be in the same appointment in which officiating service is rendered by him.

¹[Note 2 :- The provisions of this Rule shall not apply to Government servants retiring from service after 31st December 1959.]

²[228 xxx]

229. If a Government servant on a permanent establishment is detached on temporary duty, on the understanding that, when the temporary duty ceases, he will return to the permanent establishment, he counts his detached service.

230. The preceding Rule permits the temporary suspension of the second condition of qualifying service which forms the subject of this Section; it does not authorise any relaxation of the first condition (which is the subject of Section II), or the third condition (which is the subject of Section IV) and in particular, must not be understood to countenance any modification of the rules applicable to a Government servant on Foreign Service.

231. A Government servant whose lien on his permanent appointment is suspended counts service in the quasi-permanent appointment he holds at that time for pension and his locum tenens counts service in the provisionally permanent appointment that he holds. The case of a Government servant on Foreign service is governed by rules relating to Foreign Service.

232. If the substantive office of a Government servant is abolished, but the Government servant is, at the time on special duty, or is, on abolition of his office, deputed on special duty, his service on special duty qualifies, but the duty must be special; mere

1. Inserted by No.FD 41 SRS 60 dated 6-7-1960.

2. Omitted by No.FD 25 SRS 80 dated 23-5-1980 (w.e.f. 5-6-1980)

employment in continuation of permanent employment, in a temporary appointment which happens at the time to be vacant, does not qualify.

233. A Section-writer or a press servant, who is paid on piece-work, is treated as having held a substantive office, if

(i) he is employed not casually, but as a member of a fixed establishment; and

(ii) during the last seventy-two months of his actual employment he has been attached to one office uninterruptedly for twenty-four months, or it has not been through his own choice, or misconduct that he has not been so attached.

¹[234. Temporary service in the Survey and Settlement Department if followed by quasi-permanent service will qualify for pension provided that the Government servant is (or was) not engaged on the understanding that he was or would be liable to be discharged after a short period of service.

Exception :- Temporary service on city and pot-hissa survey and phodi survey operation is allowed to count for pension. But in cases where the pay has been fixed including the element of travelling allowance, only the net pay after deducting the travelling allowances should be taken into account for purpose of pension.]

²[234-A. Service rendered in Jagirs by persons allotted to serve in connection with the affairs of the State of Karnataka under Section 115 of the State Re-organisation Act, 1956 from the Former State of Hyderabad shall count for pension provided the Jagir Administrator certifies that the following conditions are fulfilled:-

(i) the system of sanctioning pension was in vogue in the Jagir in which the person was employed;

(ii) the service of the person in the Jagir was whole-time and administrative in nature; and

(iii) the post held by the person in the Jagir was pensionable.

Note :- This rule shall be deemed to have come into force with effect from 1st April 1958 and shall be made applicable also to cases arising after 1st September 1957.]

1. Substituted by No. FD 22 SRS 61 dated 7-9-1961 (w.e.f. 1-4-1958)

2. Inserted by No. FD 27 SRS 64 dated 5-2-1965

235. Government may by general or special order permit service other than pensionable service, for performing which a Government servant is paid from the Consolidated Fund of the State or from a Local Fund, to be treated as, duty counting for pension. In issuing such an order, Government shall specify the method by which the amount of duty shall be calculated and may impose any condition which it thinks fit.

¹[Note:- Wherever pensionable service under Government has been rendered in continuation of service in Local Bodies, District Boards, Municipalities, etc., former State Railways of Mysore and Hyderabad, Central or State Commercial concerns or autonomous Bodies or Organisations set up by the Government of India or, the State Government, the service rendered in such Institutions shall count as qualifying service for pension subject to the following conditions:-

²[(i) Where the service rendered under the institutions referred to above is covered by the Contributory Provident Fund Scheme and the Contribution of such institutions with interest has been drawn by the Government Servant, the amount so drawn shall be credited to Government with interest calculated at 3 per cent per annum for the period from the date of drawing of the Contribution to the date of credit to Government. In case the amount is credited after the retirement of the Government Servant concerned, interest shall be calculated upto the date of retirement of the Government Servant.

(ii) Where the service rendered under such institutions is covered by the Contributory Provident Fund Scheme and contribution of the such institution with interest is continued in the Contributory Provident Fund and transferred to Government account after the absorption of the employee in Government Service, the amount of such contribution with interest accumulated in the Fund shall be credited to Government without calculating any further interest on the aggregate amount (of contribution and interest) as the amount would have been with Government.

(iii) Where the service rendered under the institutions referred to above is not covered by the Contributory Provident Fund Scheme, the Government Servant shall credit to Government Pension Contribution at 1/8 of the pay drawn by him from time to time under

1. Inserted by No. FD 6 SRS 65 dated 5-8-1965 (w.e.f. 1-11-1956).

such institutions together with interest at 3 percent per annum calculated on the aggregate of such contributions for the period from the date of his absorption in Government Service to the date of credit to Government. In case the amount is credited after the retirement of the Government Servant, the interest shall be payable for the period from the date of absorption of the Government Servant to the date of his retirement:

Provided that the service to be counted as qualifying service under clause (i), (ii) and (iii) above shall be restricted to the period for which the Government Servant was subscribing to the Contributory Provident Fund or for which pension contribution is received.]

(iv) The Controller, State Accounts Departments, in the case of employees who had rendered service in Local Bodies and a responsible Departmental Officer in the case of employees who had rendered service in other Institutions prior to their service in Government, shall certify the correctness of the amounts credited to the Government. Based on these certificates (to be recorded in the Service Books in the case of Non-gazetted Government Servants) the Accountant-General will admit the service rendered in the Local Bodies or other institutions for purposes of granting the retirement benefits.]

SECTION IV - THIRD CONDITION **Sources of Remuneration**

236. Service which satisfies the conditions prescribed in Sections II and III qualifies or does not qualify, according to the source from which it is paid; with reference to this Rule, service is classified as follows:-

- (a) paid from the Consolidated Fund of the State.
- (b) paid from Local or other Funds specified by Government from time to time.
- (c) paid from funds in respect to which Government holds the position of trustee.
- (d) paid by fees levied by law, or under the authority of Government or by commission.
- (e) paid by the grant, in accordance with Law or Custom, of a tenure in land, or any source of income, or right to collect money.

237. Service paid from the Consolidated Fund of the State qualifies. The fact that arrangements are made for the recovery, on

the part of Government, of the whole, or part, of the cost of an establishment or Government servant does not affect the operation of this principle:

Provided that the establishment or Government servant is appointed, controlled and paid by Government.

Note 1:- In making arrangements for the recovery of cost of establishments, it should not be forgotten that Government has to bear not only the immediate cost but also that of leave allowances and pensions.

Note 2:- The amount to be recovered from the person for whose benefit an additional establishment is created shall be the gross sanctioned cost of the service which will not vary with the actual expenditure of each month. Dearness and High Price Allowances shall also form part of the gross sanctioned cost of the establishment and the whole expenditure on account of these allowances shall be recovered for periods of leave also.

Example:- When Police Officers are entertained at the cost of individuals and corporate bodies, an additional charge of one-fourth of the pay of officers must be defrayed by the persons for whose benefit the officers are employed:

Provided always that this additional charge shall not be made when such officers do not belong to the regular Police, but are only, temporarily engaged their service not counting for pension.

¹[Note 3 :- In the case of Government servants deputed to Commercial Departments, Government Commercial Undertakings or to the Offices of the Boards of Management for Industrial concerns, contribution for their pension and leave allowances shall be recovered at 1/4th of the total emoluments drawn by them in such Commercial Departments, Commercial Undertakings or Offices.]

Exception:- Shanbhogs, Patels and other Village Servants are not entitled to pension although they are paid from the Consolidated Fund of the State.

238. Service paid from funds which Government holds only as a trustee, such as under a Court of Wards or in an attached Estate does not qualify.

Note:- Service paid from the Muzari Establishment Fund qualifies.

1. Inserted by No. FD 7 SRS 64 dated 19-3-1964.

239(a) Service in an office paid only by fees whether levied by a law or under the authority of Government or by a Commission, does not qualify.

(b) Service in an office paid by fees or by commission, in addition to pay from the Consolidated Fund of the State qualifies.

240. Service paid by the grant, in accordance with law or custom, of a tenure in land, or of any other source of income or right to collect money does not qualify.

241. When part of the pensionable service of a Government servant qualifies for pension from the Consolidated Fund of the State and part from Local Funds, his pension is paid and charged according to the Rule of Proportion; it is not admissible to disregard the pensionable Local Funds service and award a pension only for the service paid from the Consolidated Fund of the State: provides that if, under this Rule, less than one-tenth of the pension would be payable from either source, no distribution shall be made; in such cases, the other source shall bear the whole charge.

Note:- In respect of Government servants whose services are lent temporarily to the Local Bodies, e.g., Executive and Assessing Officers, P.W.D., staff of the Engineering Establishment working under the District Boards, etc., and in whose cases Government specifically direct that contributions for pension should be recovered from the Local Bodies instead of debiting the pensionary charges according to the Rule of proportions, the rates of contribution prescribed for Foreign Service shall apply.

¹[241-A:- The pension payable to a Government servant who has rendered service partly in the Palace and partly under the Government shall be regulated as follows:-

(i) in the case of Government servants who retired prior to 1st April 1962, the incidence of pension shall be regulated according to the Rule of Proportions.

(ii) in the case of Government servants retiring from service on or after 1st April 1962, pension contribution shall be recovered in respect of the Palace service at the rates prescribed for foreign service.]

1. Inserted by No. FD 59 SRS 62 dated 1-10-1962

242. Rule 241 will apply only to cases in which the whole pay of the Government servant at any time is charged to a single fund. The pensionary charges of Government servants whose pay is met in shares from more than one source, viz., District Funds, Municipal Funds, or Consolidated Fund of the State or by more than one Municipality in shares, shall, in respect of such period of service be borne entirely by General Revenues, ¹[a contribution of one-eighth] of so much of the salaries of such Government servants as is paid by District or Municipal Funds being recovered and credited annually to Government during that period.

243. The administrators of a Municipality or a Local Fund including the Kolar Gold Fields Sanitary Board may, at their option, with the permission of Government, make a permanent arrangement for contributing for pensions from the Consolidated Fund of the State for its permanent employees or for any specified classes of them, by paying to Government ¹[a contribution of one-eighth of the sanctioned salaries of the several appointments]: provided that in the bills in which the establishment charges are drawn from the treasury, the contribution is added to the establishment bill and paid from the funds of the Municipality or Local Board concerned by transfer credit to the Consolidated Fund of State at the time the establishment bill is cashed. Any default in the payment of the contribution entails forfeiture of the claim against Government. Arrears contributions in respect of either individual Government servants or classes of Government servants proposed with a view to render past service qualifying will not be accepted. When an arrangement of this kind is made, the provision of Rule 241 will not apply to such appointments.

Note 1:- The arrangement contemplated in this Rule will apply in respect of all Municipalities and Local Bodies.

Note 2:- If a Government Servant whose service is reckoned as pensionable under this Rule is transferred to a similar pensionable establishment of another Municipality or Local Fund or to qualifying service under the State Government or vice versa, the transfer will not interrupt the continuity of the service for pension.

Note 3:- ¹[The contribution of one-eighth] will be taken as covering the payment of Death-cum-Retirement Gratuity under these Rules and Compassionate Gratuity under old rules.

1. Amended by No. FD 197 SRS 74 dated 7-9-1975 (w.e.f. 19-3-1974)

Note 4:- Since the contribution is fixed on the basis of details given in the Establishment Returns received from the Local Bodies, the amount recoverable will be communicated by the Audit Office to the Treasury Officer with whom the Local Body has its accounts and he will be asked to effect the necessary adjustments every month at the rate of one-twelfth of the yearly contribution recoverable. If the Establishment Returns are not received promptly from the Local Bodies, the Audit Office will issue instructions for the adjustment of the contribution at the rates for the previous year necessary adjustments being made later to collect the arrears or to refund the excess amount collected as soon as the Establishment Returns are received and the revised rate of contribution fixed.

¹[Contributions need not be recovered in respect of appointments kept substantively vacant for not less than a year. In such cases, where the pension contributions have already been recovered the excess, if any, may be adjusted against the pension contributions due for the subsequent periods.]

²[Note 5 :- The arrangement contemplated in this rule will apply also to the employees of the Mysore University.]

³[Note 6 :- The contribution paid under this Rule shall be rounded off to the nearest rupee, fractions equal to fifty paise or more being rounded off to the next higher rupee.]

(a) Service paid from contingencies should have been in a job involving whole-time employment (and not part-time for a portion of the day).

(b) Service paid from contingencies should be in a type of work or job for which regular posts could have been sanctioned;

(c) The service should have been one for which the payment is made either on monthly or daily rates computed and paid on a monthly basis and which though not analogous to the regular scale of pay should bear some relation in the matter of pay to those being paid for similar jobs being performed by staff in regular establishments,

(d) The service paid from contingencies should have been continuous and followed by absorption in regular employment without a break.

(e) Subject to the above conditions being fulfilled the weightage of past service will be limited to the period for which authentic records of service are available.]

249. When a Government servant is deputed out of State on duty, the whole period of his absence from State counts. When a Government servant on leave out of State is employed or is detained after the termination of his leave, on duty, the period of such employment or detention counts.

Suspensions, Resignations, Breaks and Deficiencies in Service.

²[250. Time passed under suspension pending enquiry into conduct counts in full where, on conclusion of the enquiry, the Government servant has been fully exonerated or the suspension is held to have been wholly unjustified; in other cases, the period of suspension does not count unless the authority competent to pass orders under Rule 99 expressly declares at the time that it shall count, and then it, shall count only to such extent as the competent authority may declare.]

255. The authority who sanctions the pension may commute retrospectively periods of absence without leave into leave without allowances.

Condonation of Interruptions and Deficiencies

256. Upon such condition as it may think fit, in each case, to impose, Government may condone all interruptions in service.

Note-1.- Among the conditions that may be imposed, care should be taken to ensure that Government servants are discouraged from quitting government service against the enforcement of discipline or in the expectation that they might get back their pension rights if they re-enter service after a break to suit their convenience.

¹[Note-2.- In respect of Government servants retiring from service after 31st December 1959, Government may condone interruptions in service (either between two spells of permanent or temporary service or between a spell of temporary service and permanent service or vice versa) only in case where the following conditions are fulfilled:-

(i) The interruptions should have been caused by reasons beyond the control of the Government servant concerned.

(ii) Service preceding the interruption should not be less than 5 years duration, and in cases where there are two or more interruptions, the total service, pensionary benefits in respect of which will be lost if the interruptions are not condoned, should not be less than five years;

(iii) The interruption should not be more than of one year's duration. In cases where there are two or more interruptions, the total of the period of all the interruptions that are condoned should not exceed one year.]

²[257. Upon any conditions which, it may think fit to impose, the authority competent to sanction the pension of a Government servant may condone a deficiency of three months in his qualifying service. Government may condone a deficiency not exceeding twelve months.]

Note 1.- The word 'deficiency' includes not merely the period by which a Government servant's qualifying service falls short of the minimum length of qualifying service, which would entitle him to a pension but should be read as including the difference between the total amount of his service qualifying for pension and the total length of service necessary to earn the maximum amount of pension admissible under the rules.

Note 2.- This Rule is not intended to be used merely to allow Government servants to retire on full pension voluntarily, a little sooner than they otherwise could.

³[Note 3.- The power conferred under this Rule should be restricted to ensure that where the benefit is given, it is given only to low paid employees i.e. employees whose pay (including all elements in the nature of pay) at the time of retirement did not or does not exceed Rs. 200 per mensem, proceeding on invalid or Compensation Pension.]

CHAPTER XVIII

CONDITIONS OF GRANT OF PENSION SECTION 1 - CLASSIFICATION OF PENSIONS

258. Pensions are divided into four classes, the rules for which are prescribed in the following Sections of this Chapter:-

- (a) Compensation Pensions-see Section II.
- (b) Invalid Pensions - see Section III.
- (c) Superannuation Pension - see Section IV.
- (d) Retiring Pensions-see Section V.

SECTION II - COMPENSATION PENSION

259. If a Government servant is selected for discharge owing to the abolition of a permanent post, he shall, unless he is appointed to another post the conditions of which are deemed by authority competent to discharge him to be at least equal to those of his own have the option-

- (a) of taking any compensation pension or gratuity to which he may be entitled for the service he has already rendered, or
- (b) of accepting another appointment or transfer to another establishment even on a lower pay, if offered, and continuing to count his previous service for pension.

Note-1.- A compensation pension is designed to mitigate hardships caused by loss of office; and a working man who refuses to accept suitable employment even accompanied with some temporary loss of pay clearly does not need compensation.

Note-2.- When a Government servant not holding a substantive post is retrenched owing to reduction of establishment shall, on reappointment, be entitled to count the former service for leave and pension, the break in service, if any, being treated as having been condoned to the extent admissible under the rules.

260. To pension a Government servant still capable of useful service is a waste of public money; before a pension is granted to such a Government servant discharged on abolition of appointment it must be carefully considered whether he cannot be otherwise provided for. The Head of a department, in forwarding an application

for Compensation pension, should invariably state for what reasons it has been found impossible to provide suitable employment for the applicant.

261. Whenever, upon the reduction of an establishment, it is necessary to discharge one or more members thereof, the selection of the Government servants to be discharged should, prima facie be so made that the least charge for Compensation Pension will be incurred.

262. The discharge of one Government servant to make room for another better qualified is not abolition of an appointment within the meaning of Rule 259; the abolition must produce a real saving to Government. Particulars of the saving effected should be fully set forth in every application for compensation pension. The saving should always exceed the cost of the pension; otherwise it may perhaps be better to postpone the reduction of establishment or abolition of appointment.

263. A Gazetted Government servant who belongs to the Public Service, apart from his particular local appointment, e.g., a Munsiff, Magistrate, or Amildar cannot obtain a Compensation pension on the abolition of particular appointment.

264. No pension is admissible to a Government servant for the loss of an appointment on discharge after the completion of a specified term of service.

265. No pension may be awarded for the loss of a local or duty allowance [or special allowance].

266. If it is necessary to discharge a Government servant in consequence of a change in the nature of the duties of his office, the case should be referred to Government.

267. If of two appointments held by one Government servant one is abolished and the other retained, and it is desired to give him an immediate pension in respect of the abolished post, the case should be specially submitted to Government.

268. Reasonable notice should be given to a Government servant in permanent employ before his services are dispensed with on the abolition of his office. If in any case such notice is not given at least three months before dispensing with the Government servant's services, and he shall not have been provided with some other employment on the date on which his services are dispensed with, then with the sanction of Government, a gratuity not exceeding his emoluments for the period by which the notice actually given to him

1. Substituted by No.FD 7 SRA 99 dated 29-4-2000 (wef 1-4-1998).

falls short of three months, shall be paid to him in addition to the pension to which he may be entitled under Rule 259; but the pension shall not be payable for the period in respect of which he receives a gratuity in lieu of notice.

Note-1.- The gratuity prescribed in this Rule is not granted as compensation for loss of employment, but only in lieu of notice of discharge with a view to mitigate the hardship caused to a Government servant by the sudden loss of employment. When, therefore, a Government servant discharged without notice is provided with some other employment on the date on which his services are dispensed with, whether that employment be in qualifying or non-qualifying service, he is not entitled to any gratuity.

Note-2.- Unless it contains an express statement to the contrary an order for the abolition of an office or appointment shall not be brought into operation till the expiry of three months after notice has been given to the Government servant, whose services are to be dispensed with on such abolition. The immediate Head of the office or of the Department will be held responsible that there is no unnecessary delay in giving such notice. In the case of a Government servant on leave the order shall not be brought into operation until the leave expires.

Note-3.- 'Emoluments' in this rule means the emoluments or leave allowances (or partly the one, partly the other which the Government servant would be receiving during the period in question had the notice not been given him.

269. A Government servant discharged with a Compensation pension may not without surrendering his pension refuse to accept any appointment which Government thinks fit, within six months from the date of his discharge, to offer to him. The salary of such new appointment must not, however, be less than that necessary to raise his total receipt, to the amount which he received as salary immediately before his discharge, or should the new appointment be such as the Government servant cannot reasonably and equitably be expected to accept.

270. The rule requiring the refund of a compensation gratuity on re-employment applies to a gratuity awarded under Rule 268, if the Government servant is permanently re-employed within three months from the date of notice. But the Government servant need not refund that proportion of his gratuity under this rule which the interval of his non-employment bears to the whole period for which the gratuity is given. If the Government servant is re-employed only

temporarily, he need refund no part of his gratuity; but if such temporary employment is foreseen, the gratuity should be proportionately reduced.

271. Rule 269 applies also to the case of a Government servant entitled to Compensation pension who, upon the abolition of his own appointment, is transferred by competent authority to another appointment. To such a Government servant a Compensation Pension may be simultaneously awarded, subject always to the limitation prescribed by Rule 309.

272. If a Government servant who is entitled to Compensation Pension accepts instead another appointment in the Public Service, and subsequently becomes again entitled to receive a pension of any class, the amount of such pension shall not be less than what he could have claimed if he had not accepted the appointment.

SECTION III - INVALID PENSION

273. An invalid pension is awarded, on his retirement from the Public Service, to a Government servant who by bodily or mental infirmity is permanently incapacitated-

- (i) for the public Service, or
- (ii) for the particular branch of it to which he belongs.

Note-1.- A Government servant discharged on other grounds has no claim under the above Rule even though he can produce medical evidence of incapacity for service.

Note-2.- Rule 260 applies, *mutatis mutandis*, in the case of a Government servant invalidated under clause (ii) of the above Rule as unfit for employment only in some particular branch of the Public Service. Every effort should be made to find for such a Government servant other employment suited to his particular capacity.

Note-3.- If the incapacity is the result of irregular or intemperate habits, no pension can be granted. Otherwise, it is for Government to decide whether the Government servant's incapacity is such as to render it necessary to admit him to invalid Pension.

¹*Exception-1*.- Heads of Departments may order the retirement on Invalid Pension of all Non-gazetted Government servants appointed

1. Substituted by No. FD 187 SRS 59 dated 20-5-1960 (wef 26-5-1960).

by them or by a lower authority, who by bodily or mental infirmity are permanently incapacitated for the Public Service. Cases of incapacity for the particular branch of Public Service to which a Government servant belongs, vide clause (ii) *ibid*, shall be decided by Government.]

¹[Exception-2.- The Superintendents of Police may order the retirement on Invalid Pension of Head Constables and Police Constable under them, who by bodily or mental infirmity are permanently incapacitated for the Public Service. Cases of incapacity for further service in the Police Department shall invariably be referred to Government for a decision.]

274. If a Government servant applies, while on leave of any kind taken on account of illness, for retirement on the ground of incapacity for further service and dies before producing the certificate prescribed in this section, to support his request for retirement, his case will be dealt with as if he had produced such certificate, provided the Head of the Office certifies that he has no reason to believe that the applicant's illness or death was due to irregular or intemperate habits.

275. If a Government servant applying for an invalid Pension is fifty-five years old or upwards no certificate by a Medical Officer is necessary; it suffices for the Head of the office to certify to the incapacity of the applicant. Otherwise, incapacity for service must be established by a Medical certificate attested by a Medical Officer not below the rank of an Assistant Surgeon, Grade-I, or in the case of persons suffering from mental diseases by a certificate granted by the Superintendent, Mental Hospital, Bangalore.

(a) If the pension applied for exceeds ²[Rs. 800 a month,] a certificate by a single Medical Officer should not be accepted as sufficient, if it is possible without undue inconvenience, to cause the applicant to appear before the ³[Medical Board.]

(b) In no case shall a medical certificate of incapacity for service be granted unless the applicant produces a letter from the Head of his Office or his Department, to show that the latter is aware of his attention to appear before the Medical Officer.

1. Inserted by No. FD 130 SRS 60 dated 26-12-1960 (wef 5-1-1961).

2. Amended by No.FD 46 SRS 88 dated 21-6-1989 (wef 6-7-1989).

3. Substituted by No. FD 20 SRS 70 dated 4-11-1971.

Note-1.- Where the Head of an Office is himself a District Medical Officer, the invalidating certificate should be supported by a medical certificate from a second Medical Officer of similar status nearest to his station.

Note-2.- In the case of a female applicant, the medical certificate of incapacity for service may be granted by Lady Assistant Surgeons in the case of non-gazetted women employees and by Lady Surgeons in the case of gazetted women employees.

Note-3.- In case of retirement due to diseases of the eye, medical certificates granted by ¹[a Doctor with post-graduate qualification of DOMS or MS (Oph) in a Government Hospital,] may be accepted without countersignature of ²[Medical Board.]

276(a) A succinct statement of medical case, and of the treatment adopted, should, if possible, be appended.

(b) If the Examining Medical Officer, although unable to discover any specific disease in the Government servant, considers him incapacitated for further service by general debility while still under the age of fifty-five years, he should give detailed reasons for his opinion, and if possible a second medical opinion should always in such a case be obtained.

(c) In a case of this kind, special explanation will be expected, from the Head of the Office or Department, of the grounds on which it is proposed to invalid the Government servant.

277. A simple certificate that inefficiency is due to old age or natural decay from advancing years, is not sufficient in the case of a Government servant whose recorded age is less than fifty-five years, but a Medical Officer is at liberty, when certifying that the Government servant is incapacitated for further service by general debility, to state his reasons for believing the age to be understated.

278. ³(a) The form of the Medical Certificate to be given respecting a Government servant applying for pension shall be in the following form:-

⁴[Certified that I/We have carefully examined A.B. son of C.D.....in the.....His age is by his own statement.....years, and by appearance about.....years. I/We consider A.B. to be

(here state disease or cause). His incapacity does not appear to me/us to have been caused by irregular or intemperate habits.].

Note - If the incapacity is the result of irregular or intemperate habits the following will be substituted for the last sentence:

'In my/our opinion his incapacity _____
has been accelerated or

(If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made).

'I am/We are of opinion that A.B. is fit for further service of a less laborious character than that which he has been doing (or may after resting for..... months be fit for further service of a less laborious character than that which he has been doing.)

(b) The object of the second alternative certificate of partial incapacity is that a Government servant should, if possible, be employed even on lower pay so that the expense of pensioning him may be avoided. If there be no means of employing him even on lower pay, then he may be admitted to pension, but it should be considered whether in view of his capacity for partially earning living, it is necessary to grant him the full pension admissible under the rules. The principle of Rule 260 must always be carefully borne in mind.

279. Superintendents and Assistant Superintendents of Police should be on their guard against endeavours to retire on invalid pension by officers who are capable of serving longer.

280. Medical Officers should ¹[confine] themselves to recommending leave to such policemen as are not likely to benefit by further stay in hospital, and should not certify that a policeman is incapacitated for further service unless they are officially requested to report upon his incapacity for further service.

1. Substituted by No. FD 183 SRS 58 dated 24-10-1958 (wef 1-4-1958).

281. Medical Officers should be specially searching in their examination of the physical unfitness of every applicant for pension and whenever the number of applicants for pensions is large the examination should, if possible, be conducted by two Medical Officers.

282. A Government servant who has submitted under Rule 275, a Medical Certificate of incapacity for further service must not (except for special reasons to be reported to Government) be retained in service pending a decision on his application for pension but he may be given leave at credit for a period not exceeding six months and permitted to retire at the end of that period.

¹[Note- When a Government Servant after submitting a medical certificate of invalidment, is retained in service for a certain period under the provisions of this Rule and thereafter granted leave, the period of such retention in service together with that of such leave should not exceed six months from the date of report of the medical authority.]

²[282A. The pension sanctioning authority shall ensure that the invalid pension and/or Death-cum-retirement gratuity is settled within two months from the date of retirement on invalid pension.

283. A Superannuation pension is granted to a Government servant entitled or compelled, by rule, to retire at a particular age (Vide Rule 95).

³[284 xxx]

SECTION V - RETIRING PENSION

(ix) A notice of less than three months may be accepted by the appointing authority in deserving cases, with the prior approval of Government.

(x) A notice of voluntary retirement may be withdrawn subsequently only with the approval of the appointing Authority provided that the request for such withdrawal is made within the intended date of retirement and the Government Servant is in a position to establish that there has been a material change in the circumstances in consideration of which the notice was originally given.

(xi) The voluntary retirement shall not become effective merely on the ground that a notice to that effect has been given by the Government Servant unless it is duly accepted by the appointing authority. Such acceptance may be generally given in all cases except those-

(i) The Retirement of a Government Servant on attaining the age of 50 years is subject to the conditions specified under Clauses (i), (iv), (vii), (ix), (x), (xi), (xii), and (xiv) of sub-rule (2) mentioned above.

(ii) The quantum of pension and Death-cum-Retirement Gratuity admissible to a Government Servant permitted to retire as above shall be proportionate to the length of his qualifying service and calculated in accordance with the provision of Chapter XIX of the Rules.

297. The term 'average emoluments' means the average calculated upon the last three years of service.

Note (1) If, during the last three years of his services, a Government servant has been absent from duty on leave with allowances, or having been suspended, has been reinstated without forfeiture of service, his emoluments for the purpose of ascertaining the average, should be taken at what they would have been had he not been absent from duty or suspended; provided always that his pension must not be increased on account of increase in pay not actually drawn.

¹[If a Government servant is promoted in a substantive or provisionally substantive capacity to a post carrying a higher rate of pay or earns an increment which is not withheld during the period of earned leave not exceeding 120 days or leave on average pay not exceeding four months or the first four months of any period of leave on average pay in excess of four months. he will be entitled in respect of the period on the above leave to count the pay which he would have drawn had he remained on duty, as 'Emoluments' ² [xxx] even though the increase of pay due to promotion is not actually drawn under the leave rules applicable to the Government servant.]

³[The concession of counting the increment which would have been drawn but for the Government servant proceeding on leave towards 'Emoluments' under this Rule, is applicable also to cases where an increment falls due during the period of 'refused leave' granted under Rule 110 ⁴[or during the period of privilege leave or leave on average pay upto four months or of the first four months of leave on average pay, if the leave is in excess of four months in cases of refused leave granted under the leave rules applicable to the Government servant] and is not withheld.]

2. Amended by No. FD 14 SRS 62 dated 9-3-1962 (wef 1-4-1958)

3. Inserted by No. FD 166 SRS 62 dated 13-10-1960 (wef 20-10-1960).

4. Amended by No. FD 188 SRS 60 dated 1-12-1960 (wef 8-12-1960)

¹[The provision made in the second sub-paragraph shall be deemed to have come into force with effect from 1st April, 1958.]

(2) If during the last three years of his service a Government servant has been absent from duty on leave without allowances (not counting for pension); or is suspended under such circumstances that the period of suspension does not count as service, the periods so passed should be disregarded in the calculation of the average, an equal period before the three years being included.

(3) Excepting as provided in Notes 1 and 2, only emoluments actually received can be included in the calculation. For example, when a Government servant is allowed to count time retrospectively towards increase of pay, but does not receive retrospectively the intermediate periodical increments, these intermediate increments are not reckoned in the calculation.

(4) In the case of Section-writers and Press servants, whose service qualifies for pension 'Average Emoluments' means the average earnings of the last seventy-two months.

(5) This rule applies in the case of a press servant remunerated by a fixed rate of pay if his pay is met from the grant for piece work.

(6) Overtime earnings of press servants paid at piece work rates may be taken into account in calculating average emoluments under this Rule; but such earnings must be excluded in reckoning the average emoluments of press employees who draw pay at fixed rates.

(7) If, during the last seventy-two months of his service a Press servant has been for some periods on fixed pay and for other periods a piecework employee, overtime earnings may be taken into account in calculating pension, only for the periods during which he was remunerated at piece-work rate.

(8) A Government servant, who was holding a post in a temporary or officiating capacity before proceeding on leave preparatory to retirement, and is confirmed in such a post at any time during the currency of his leave preparatory to retirement, shall be eligible to count his substantive emoluments, although not actually drawn by him, for computing pension.

1. Inserted by No.FD 188 SRS 60 dated 6-1-1961.

This concession is applicable also to cases where a Government servant holding a post in a temporary or officiating capacity without holding a substantive post, is confirmed in such a post at any time during the currency of his leave preparatory to retirement.

¹[297-A. In respect of retirement or death while in service of Government Servants on or after 1st September 1968 the term 'Average Emoluments' means the average calculated upon the last twelve months of service.]

²[Note-1. If during the last year of service a Government servant has been absent from duty on leave (with or without allowances) counting as service for pension or having been suspended has been reinstated without forfeiture of service, his emoluments for the purpose of ascertaining the average, should be taken at what they would have been had he not been absent from duty or suspended; provided always that his pension must not be increased on account of increase in pay or on account of special pay not actually drawn. In respect of such leave availed of by a Government servant holding officiating/temporary appointments during the last year of his service, the officiating pay or special pay shall count as emoluments only if it is certified that he would have continued to hold the higher officiating/ temporary appointment or the post carrying the special pay, had he remained on duty.

If a Government servant is promoted in a substantive or provisionally substantive capacity to a post carrying a higher rate of pay or earns an increment which is not withheld during the period of earned leave not exceeding 120 days or leave on average pay not exceeding 4 months or the first 4 months of any period of leave on average pay in excess of 4 months he will be entitled in respect of the period of the above leave to count the pay which he would have drawn had he remained on duty as 'emoluments' even though the increase of pay due to promotion is not actually drawn under the leave rules applicable to the Government servant.

The concession of counting the increments which would have been drawn but for the Government servant proceeding on leave towards emoluments under this rule is applicable also to

Note -2. The provisions of Notes 2 to 8 below Rule 297 shall apply in all other respects, substituting one year for three years, wherever relevant.]

315. The fixation of pay on re-employment of pensioners drawing part-time allowances may be regulated according to the principles enunciated in Rule 313: the officer may be permitted to retain his pension subject to the condition that his part-time allowance on reemployment plus pension shall not exceed the pay at the time of retirement.

316.(a) In the case of a pensioner who is re-employed in Government service or in the service of a Local Authority, and who commuted a portion of his pension after such re-employment, the amount of pension which the pensioner is entitled to draw under the rules in this section shall be amount to which he would have been entitled had there been no commutation. less the amount commuted.

(4) In cases of retirement on retiring pension under rule 285 the particulars mentioned in Form 1B shall be obtained after the date of receipt of issue of notice by the Government servant for such retirement or in cases of retirement on payment of salary in lieu of notice immediately after the issue of orders thereof.

(5) In case where the retiring Government servant fails to furnish the particulars in Form 1B the Head of the Office shall send the pension papers to the Accountant General with all other available documents and information immediately from the date of retirement with an indication that the retiring Government servant has failed to give the required particulars in the Form 1B and that the pensionary benefits may be authorised at the treasury in the place in which the Government servant was working at the time of retirement. The Accountant General shall authorise the pensionary benefits accordingly. The treasury officer shall make payment subject to local identification.

(6) The Accountant General (Accounts and Entitlement) shall send to the Government and the respective Heads of Department on 31st January and 31st July each year a list of Gazetted Officers who are due to retire within next twelve to eighteen months indicating against each name whether the service books of the particular officer is available or not.

(7) The Head of the Department shall on receipt of the list immediately arrange to obtain the service register wherever wanting. He shall forward the service register and the particulars in Form 1B to the Accountant General within one month from the date of receipt of the list. Thereafter the Head of the Department shall enquire with the Accountant General once in a quarter whether any particulars are required by him for processing of pension papers. He shall ensure that the intimation of pension entitlement is received from the Accountant General at least three months before the date of retirement and arrange for the communication of the sanction of the Head of the Department or Government, as the case may be, for pension to the Accountant General two weeks before the date of retirement. Head of the department shall watch the receipt of this intimation. The pension case has to be shown as pending and pursued till the issue of pension payment order.]

322. All authorities dealing with applications for pensions under these Rules should bear in mind that delay in the payment of pensions involves particular hardship. It is essential to ensure, therefore, that a Government servant begins to receive his pension on the date on which it becomes due.

Note.- There are cases in which certain sums are due to Government from a Government servant at the time of his retirement, e.g., over issue of pay, allowances or leave salary, or admitted or obvious dues such as house rent, life insurance premia, outstanding balance of various advances. etc. These sums cannot be recovered from the pension of a Government servant without his consent. Authorities sanctioning pension should therefore ensure that these outstanding sums are brought to the notice of the Government servant concerned with the least possible delay, and that he is requested to pay up the dues before formally sanctioning the final pension. It is emphasised

that, while these recoveries should be made before the pension is finally sanctioned, care should be exercised to ensure that there is no avoidable delay either in informing the Government servant concerned of the total amount due by him to Government or in sanctioning the final pension after this amount has been recovered.

323. Every Officer competent to sanction pension should obtain in ¹[May and November each year,] from the subordinate officer. a list of Government servants under him due to retire within two years (which can easily be compiled from the annual return of establishment, in the case of non-gazetted servants and from the Civil list in the case of gazetted servants), and specially watch that pension papers are forwarded to the Audit Office in all these cases in advance as prescribed by obtaining a report about them from their subordinates, month after month, and by insisting on any undue delay being satisfactorily explained. ²[District Officers of the Department shall ensure the prompt settlement of pension claims in the subordinate offices under their jurisdiction. For this purpose, when the pension records are forwarded by the Head of the Office to the Accountant General a copy of the forwarding letter shall be endorsed to the District Officer also under their jurisdiction to enable him to make suitable entries in the watch Register maintained by him. The Accountant General will also endorse a copy of the letter authorising pensionary benefits to the concerned District Officer to enable him to complete the entries in the Watch Register maintained by him. The monthly return in Form 21 should be sent by all District Principal Officers of all Departments.]

¹[Note :- The list of retiring Government servants shall be sent to Government in the Finance Department and to the Audit Office as prescribed in sub-rule (2) of rule 96.]

³[323-A. The Audit Officer shall send to every Gazetted Officer a copy of Rules 321, 325 and 327 one year in advance of the date on which the Officer attains his age of superannuation, or as soon as possible before the date from which he has formally sought permission to retire, if earlier, with the remark that there is likely to be delay in the commencement of his pension if he does not submit a formal application as soon as the rules permit.]

3. Inserted by No. FD 15 SRS 63 dated 28-03-1963.

324. Every officer competent to sanction pension should hold responsible one of his assistants for seeing the pension cases pending in the several offices under his control are disposed of promptly and got finally settled with the least possible delay.

325. Questions affecting the pension or pensionable service of a Government servant which for their decision depend on circumstances known at the time shall be considered as soon as they arise.

Any question which for its decision depends on possible circumstances that may arise in future or on hypothetical conditions may be raised discussed as soon as the permissible period for submission of formal application for pension under Rule 321 begins.

326. The application of a non-gazetted Government servant shall be submitted to the authority competent to sanction his pension. If such authority is not the head of the office in which the applicant is serving, the application shall be submitted through such head, who shall attach to it the applicant's service book or service roll, as the case may be.

¹[327(1). A gazetted officer shall submit his formal application for pension one year in advance of the date of superannuation to the Accountant General who shall build up his pension records in Form 7 and intimate to Government in the Administrative Department concerned in the Secretariat through the Head of the Department the title to service gratuity or pension and DCRG admissible at least three months before the date of retirement of the officer for issuing sanction to service gratuity/ pension and DCRG.

(2) The Accountant General shall undertake the work of preparing pension papers in Form 7 one year before the date on which the Government servant is due to retire on superannuation or the date on which he proceeds on leave preparatory to retirement, whichever is earlier. This work shall not be delayed till the Gazetted officer actually submits his application for pension.

(3) Soon after receipt of the intimation referred to in sub-rule (1), from the Accountant General, the Head of the Department shall certify in Form 7-A, whether the character, conduct and past service of the officer are such as to entitle him

If the applicant does not appear for examination before the said medical authority within the prescribed period, the sanctioning authority may, at his discretion renew administration sanction for a further period of three months without obtaining a fresh application for commutation of pension. ²[The applicant may withdraw his application by written notice despatched to the ³[sanctioning authority] at any time before medical examination is due to take place, but this option shall expire on his appearance before a medical authority:]

Provided that if the medical authority directs that his age for the purpose of commutation shall be assumed to be greater than his actual age, the applicant may withdraw his application by written notice despatched ²[to the Accountant General] within two weeks from the date on which he receives intimation of the revised sum payable on commutation, or if this sum is already stated in the sanctioning order, within two weeks from the date on which he receives intimation of the finding of the medical authority;

Payment of the commuted value shall be made as expeditiously as possible, but in the case of an impaired life, no payment shall be made until either a written acceptance of the commutation has been received or the period within which the application for the commutation may be drawn has expired. The reduction in the amount of pension on account of commutation shall become operative from the date of receipt of the commuted value of the pension by the pensioner, or three months after the issue, by the Accountant General, of the Authority asking the pensioner to collect the commuted value of the pension, whichever is earlier. The sanctioning authority shall in such cases arrange for medical examination as if the amount to be commuted exceeds Rs. 25. In case such fact is not indicated the Government servant shall be permitted, on finalisation of the amount of his pension, to commute the difference between the amount of pension originally commuted and Rs.25 without further medical examination, if the original amount commuted together with the difference referred to does not exceed Rs.25. 380. The lumpsum payable on commutation shall be calculated in accordance with the table of present values printed below. For the purpose of this rule the age in the case of impaired lives shall be assumed to be such age, not being less than the actual age, as the certifying medical authority may direct. MISCELLANEOUS

444. Foreign Service is of two kinds. viz.,

Example:- Government servants lent to other Governments, a Municipality, a District Board or other Local Fund.

Second:- The service of a Government servant employed in connection with the management by Government of estates or funds which they have taken under their control or received in trust, and paid from the revenues of such estates or

from such funds. The service must be strictly connected with the management by Government and appointments existing apart from or continuing after relinquishment of Government control can be made only under the conditions of foreign service of the first kind.

Example:- Government servants lent in connection with the management of private estates under Government management.

445. A Government servant transferred to foreign service remains, subject to the general and disciplinary rules which would have applied to him as a servant of Government, had he not been so transferred.

446. The transfer of a Government servant from qualifying service to Foreign service will be made by Government on public grounds and not merely in the private interest of the officer concerned.

Note 1 - Service under a landholder who retains the management of his own estate, is not "foreign Service" for the purposes of these Rules, unless, in an altogether exceptional case, the importance of the estate or its owner is such as to justify the transfer of the services of a Government servant to occupy an important position such as Manager, etc.

Note 2 Heads of Departments are empowered to sanction the deputation of Non-gazetted Government servants under their control to State-owned industrial concerns.

Note 3 - The Chief Engineer of Karnataka is empowered to lend the services of Non-gazetted staff of the Public Works Department to Local Bodies and on other Foreign service subject to the recovery of leave and pensionary contribution at rates prescribed in the Rules and to withdraw the staff, without specific sanction of Government in each case.

492. For the days of the journey performed in Government conveyances, recipients of permanent travelling allowance should deduct half of the permanent travelling allowance for these days, if such days go to make up the period of minimum touring. If however, all or any such days do not go to make up the period of minimum touring, no reduction in the allowance need be made in respect of those days.

494. A Government servant in receipt of a permanent monthly travelling allowance may, when proceeding under proper authority beyond his jurisdiction, exchange for the entire journey including such part of it as is within his jurisdiction his permanent allowance for the allowances admissible under Rule 522, or for Daily Allowance under Rule 500. ¹[This exchange is permissible only for days of journeys and not of halts. In respect, however, of halts at places outside the State, for which no mileage allowance is drawn, daily allowance may be drawn at the rates admissible under Rule 464, subject to other rules governing the grant of daily allowance. The day's allowance to be exchanged for other allowances is 1/30th of the permanent monthly allowance.]

Provided their touring for the quarter does not fall short of the required number of days. If it falls short, Fixed Travelling Allowance is refundable for the number of days for which they draw travelling allowance under Rules 500 and 522 for travelling beyond their jurisdiction, whichever is less. In order to enable audit to watch the fulfilment of these conditions the Inspecting Officers claiming T.A. under this Exception are required to specify in the bill :-

(i) The number of days on which they are required to tour,
and

(ii) The number of days on which they actually travelled.]

500. For rates of Daily Allowance admissible to several classes of officers see Rule 451.

501. Government may, for reasons which shall be recorded and on such conditions as it may think fit to impose, sanction for any Government servant or class of Government servants, a daily allowance higher or lower than that prescribed in Rule 451, if it considers the allowance so prescribed is inadequate or excessive.

502. Government may, by a special or general order enhance the minimum rates of daily allowance to Government servants when they are deputed for special duties including those connected with Dasara Festivals and Dasara Exhibitions at Mysore.

JOURNEYS ON TOUR

506. The headquarters of a Government servant shall be in such places as a competent authority may prescribe.

507. A competent authority may define the limits of the sphere of duty of any Government servant.

¹[Note:- The Heads of Departments are authorised to define the limits of the sphere of duty in respect of non-Gazetted Government servants.]

508. A Government servant is on tour when absent on duty from his headquarters either within or, with proper sanction beyond his sphere of duty. For the purpose of this Section, a journey to a hill station is not treated as a journey on tour.

²[Note:- A Medical Officer leaving his station to attend upon the family of a public officer, which he is not bound to attend free of charge as part of his regular duties, is not travelling on duty within the meaning of this Rule.]

509. In case of doubt, a competent authority may decide whether a particular absence is absence on duty for the purpose of Rule 490.

510. A competent authority may impose such restrictions as it may think fit upon the frequency and duration of journeys to be made on tour by any Government servant or class of Government servants.

511. When travelling on duty, with proper sanction, beyond his sphere of duty, he may draw travelling allowance calculated under the ordinary rules for the entire journey, including such part of it as is within his sphere of duty.

512. The period of absence from headquarters begins on the day on which the Government servant actually leaves headquarters, and ends on the day on which he returns to them. It is not reckoned by the departure or return of his camp equipage.

1. Inserted by No. FD 37 SRS 59 dated 6.10.1959 (wef 15.10.59).

2. Inserted by No. FD 237 SRS 58 dated 9.10.1958 (wef 1.4.58).

513. No travelling allowance, other than a permanent monthly allowance, is admissible for any day on which a Government servant does not reach a distance exceeding 1[eight kilometres] from headquarters or return thereto from a distance exceeding 1[eight kilometres]. But a Government servant travelling on duty within 1[eight Kilometres] of headquarters is entitled to draw the actual amount spent by him in payment of ferry and other tolls, bus fare or railway fare.

Note:- In cases where a village is less in a straight line, than 1[eight Kilometres] from headquarters, but more than 1[eight kilometres] by the only practicable route to it, travelling allowance may be admitted by the route, but the allowance cannot be granted simply on the ground that a journey exceeding 1[eight kilometres] was performed in visiting several villages, none of which was more than 1[eight kilometres] from head- quarters by the ordinary direct route.

HALTS ON TOUR

514. 1[(1) Daily allowance for halt on tour at an outstation will be calculated on the basis of the period of halt which will begin from the time the forward journey ends at the outstation and will end at the time the return or further journey commences. The rate of daily allowance will be calculated as follows:-

Halt upto six hours - Nil.

Halt exceeding six hours but not exceeding twelve hours - half Daily allowance.

Halt exceeding twelve hours but not exceeding twenty four hours - Full daily allowance.

Halt exceeding twenty four hours - one daily allowance for every 24 hours. For fraction of 24 hours at the end of halt, daily allowance will be calculated as indicated above.

Note 1:- No daily allowance is admissible to a Government servant for stopping at a place for any reason other than performance of Government duty. For example, if the Government servant has to simply stop at a place for rest or for catching the next available train on the following day or for resuming his journey by road towards his destination in continuation of the previous day's journey, no daily allowance is admissible. However, in cases of air journey involving an

1. Substituted by No. FD 10 SRS 71 dated 15.7.1971 (wef 1.4.1971)

overnight halt (either due to non-availability of a connecting service or due to cancellation of the connecting service) at an intermediate station for which the Indian Airlines Corporation does not provide at its cost, any facility for boarding or lodging to the touring Government servants, half daily allowance at the rate applicable to the intermediate station shall be allowed in respect of each such overnight halt, ¹[xxx] provided the touring Government servants concerned certify that the overnight halt was due to non-availability/cancellation of the connecting service and no facility was provided for boarding and lodging by the Indian Airlines Corporation.

Note 2:- In cases of enforced halts occurring on route on tour journeys necessitated by break-down of communications due to blockade of roads on account of floods, rains, heavy snow-fall, land slide, etc., Government may treat the period of such enforced halts as duty under Rule 8(15). The Government servant concerned may be granted daily allowance at three-fourths of the rate applicable to him at the station in which the enforced halt takes place, for the period of enforced halt excluding the first day of such halt, for which no daily allowance should be allowed.]

²[Note 3:- A Government servant who returns from tour to his headquarters on the same day (i.e., within 24 hours) may draw one daily allowance or exchange it for mileage allowance subject to the provision of Rule 522 but in addition to this allowance, he shall not be allowed to draw daily allowance under this rule even if the halt at an outstation exceeds six hours.

Explanation:- If a Government servant halts at more than one station on the same day the halt at each place may be reckoned separately provided that the sum total of daily allowance admissible for a stay of 24 hours, shall not exceed one daily allowance. The proviso applies only if the halts at more than one station begin and terminate within the duration of 24 hours. In that case only, it is necessary, to ensure that the total daily allowance for halt period for all the stations does not exceed one daily allowance. If the duration of halt at the second station extends beyond 24 hours from the commencement of halt at the first station, the daily allowance admissible for halt at the second station is to be reckoned separately.

1. Omitted by No. FD 1 SRA 97 dated 23-4-1998 (wef 15-10-1998).

2. Inserted by No. FD 274 SRS 71 dated 11. 1. 1973 (wef 8.2.73).

The period of 24 hours should be calculated from the time of commencement of the forward journey from headquarters to the time of commencement of the return journey from the outstation. The time of commencement should be taken to mean the actual time of departure from the Airport/Railway Station/Bus Stand, etc., as the case may be.]

¹[Note 4:- In the case of a Government servant travelling from Bangalore to Gulbarga or Bidar and vice-versa, via Hyderabad by Air, who halts at Hyderabad for resuming his journey next day, either to Gulbarga/Bidar by road, or to Bangalore by Air may be allowed daily allowance for the halt at Hyderabad at the rates specified in sub-rule (1) provided the Government servant certifies that the halt at Hyderabad was necessitated for avoiding night or early morning (before dawn) road journey.]

(2) A Daily Allowance may not be drawn for more than ten days of a halt at one place except in special cases in which it is established to the satisfaction of Government that the prolonged halt was necessary in the interest of the public service and the Government servant was put to extra expense by his halt after the expiration of the first ten days.

Explanation:- A Government servant who halts for more than ten days at a place may, after he ceases to draw the Daily Allowance, draw travelling allowance under the ordinary rules applicable to him for any journey made on one day from and to the halting place, if he reaches a point more than ²[Eight Kilometres] distant from it. A halt is not interrupted for the purpose of this Rule by an absence on duty from the place of halting for less than three nights.

³[Note - A tour is held to be completed when a Government servant returns to Headquarters even though the return be for less than three nights.]

⁴[515. Government servants of the last class will however be entitled to Daily Allowance at the full rate, for the first 90 days (vide Rule 518).]

or class of officers, to draw, during a halt at headquarters, the actual expense (not exceeding the Daily Allowance) of keeping up camp equipage (when it is necessary to do so) during such halt, provided such actual expense is not drawn for more than ten days.

Explanation - A halt is not interrupted for the purposes of this rule by an absence on duty from the place of halting for less than three nights.

In the case of a non-gazetted officer the head of the office must also certify that it was necessary for such officer to keep up the whole or a part of his camp equipage, as the case may be.

525. In the case of Government servants whose actual pay does not exceed ²[Rs.3550] a month, Government may, by general or special order, and subject to such conditions as it thinks fit to impose, permit any officer or class of officers to draw allowance admissible under Chapter XXVIII for the whole period of absence from headquarters, on condition that no Daily Allowance is drawn for such period if it considers that their duty is such that the Daily Allowance is not sufficient to cover travelling expenses.

DESPATCH OF CONVEYANCES BY RAIL

526. Subject to the general or special sanction of his official superior a Government servant having to travel by railway over a distance of not less than ³[48 kilometres] in a single journey and sending by railway the conveyance required for his bonafide use at the end of such journey shall be entitled in addition, to his ordinary allowance under Rules 469 to 472 to the actual expenses of sending such conveyance.

Heads of departments will be permitted to take their conveyance by rail at Government cost both for the outward and the return journeys provided that sanction of Government is applied for in each case with a copy of the tour programme and the programme is approved by Government.

Explanation - Conveyance in this Rule means a motor car, motor bicycle and bicycle. The privilege of taking a motor car is permissible only in the case of Heads of Departments.

1. Substituted by No. FD 1 SRA 97 dated 23-4-1998 (15-10-1998)

2. Amended by No. FD 4 SRA 99 dated 2.6.2000 (wef 1.1.1999)

3. Amended by No. FD 10 SRS 71 dated 15-7-1971 (wef 1-4-1971)

Note 1 - A Government servant in receipt of a permanent monthly travelling allowance is not entitled to the privilege of this rule.

Note 2 - The sanction of the official superior under this rule shall be given only in the interest of the public service.

Note 3 - A Government servant having to send conveyance by rail must avail himself of the concessions, if any, granted by the Railway Department whenever return journey is contemplated within the period of time provided by the Railway Rules under which it is conveyed from one station to another and back on payment of concessional fare, if any.

Note 4 - When a Government servant is entitled to take his conveyance by rail but prefers to take it by road, he will be entitled either for (1) road mileage or (2) for railway fare for himself and freight for his conveyance, whichever is less.

Note 5 - The circumstances in which the concession referred to in this rule may be appropriately sanctioned are indicated below:

(1) The scale of travelling allowance of a Government servant is so fixed as to cover all items of expenditure, incidental to journeys on tour. For ordinary journeys on tour, therefore, an officer is not entitled to charge Railway Freight for his conveyances in addition to full travelling allowance under the rules especially in cases where a sufficiently large amount of road mileage is drawn for journeys performed by such conveyance.

(2) Accordingly, for journeys for which an officer earns by road mileage an amount equal to atleast twice the outward railway freight for the conveyance which it is necessary for him to take by rail in the interest of the public service, the freight charges will not be borne by Government. Ordinarily, an officer should so arrange his tour that sufficient road journeys are performed at the end of the Railway journey so as to make this rule applicable.

(3) In exceptional case where the road mileage earned is less than twice the railway freight for the conveyance and the interests of the public service require the conveyance at one place immediately after its being similarly used in another place, the concession contemplated in this rule may be sanctioned for the outward journey only. It may be sanctioned for the return journey, if that journey, also satisfied the condition of urgency stated in the following paragraph.

(4) The concession should not be allowed, unless it is clearly shown that public interests would suffer in the conveyance was sent by road in the usual manner and that inspite of reasonable forethoughts in the arrangement of the tour programme the necessity for its being required at two places almost simultaneously could not be prevented.

(5) The Daily Allowance under the rules drawn by an officer when halting at a station is held to cover all the ordinary daily charges of the officer including the cost of locomotion within the station. Charges for transporting conveyance will not therefor be allowed merely to give an officer facilities of locomotion within stations at which he may halt but only for urgent journeys from one station to another.

(6) Claims for actual charges, incurred for transporting a conveyance when allowed should be supported by the receipt granted by the Railway Authorities.

Exception 1 - Such of the officers in the service of the State (including lent officers) as are required to attend the Sessions of the Legislature may take the conveyances to which they are entitled, by rail at Government expenses, even though in receipt of a permanent monthly travelling allowance.

Exception 2- District and Sessions Judges may take conveyances to which they are entitled by rail at Government cost when they go out to hold session and also bring them back to headquarters. ¹[The privilege is also extended to the Registrar, High Court of Karnataka proceeding on tour under the direction of the Chief Justice of the High Court for inspection of Courts within the State.]

Exception 3 - The Chief Engineer may take his conveyance by rail at Government cost while proceeding on inspection work for one of the journeys, whether outward or inward - each time he proceeds on tour and claim for such journey road mileage or railway fare for himself and haulage for the motor car, whichever is less.

This privilege is also extended to the Superintending Engineers proceeding on tour.

In addition, he may draw daily allowance for halt at the rate admissible under Rule 514.]

(b) If he has not to provide separate conveyance at his own expense for his servants or luggage, he may draw the Daily Allowance ordinarily admissible to him and is not entitled to exchange the daily rate for mileage under Rule 522. But if part of the journey is performed by other means of locomotion, he may, at his option, draw in lieu of Daily Allowance, the travelling allowance admissible for that part ³[Provided the distance travelled exceed twenty miles.]

(c) If he has to provide separate conveyance at his own expense for his servants or luggage, he may, under Rule 522 exchange his daily allowance for half the mileage ordinarily admissible to him and may draw in addition, the travelling allowance admissible for any part of the journey performed by other means of locomotion.

(2) that the total cost of transporting the effects from station 'A' to Station 'B' from Station 'B' to Station 'C' and from station 'A' to Station 'C' does not exceed the amount admissible from Station 'A' to Station 'B' plus that admissible from Station 'B' to Station 'C'.

2. The scholarships or fellowships will be given for study or training in any foreign country considered suitable by Government or in cases coming under Rule 1 (b), in the country stipulated in the scholarship scheme sponsored by the concerned organisations.

3. The conditions of grant of facilities mentioned in rule 1, other than Her Highness the Yuvarani Scholarships, will be as in Annexure A and B. The grant of Her Highness the Yuvarani Srimathi Kempuchaluvajammanniavaru Foreign Scholarships will be governed by special orders of Government issued from time to time.

¹[5. Candidates for scholarships under any of the above schemes must have put in a service of at least 5 years and should be below 45 years of age (relaxable upto 48 years in exceptional cases, if full justification is furnished). It will however, be open to Government to relax the service limit also in special cases.]

6. ²[Save as provided in sub-rule (1) of rule 1 of Annexure 'B'] the period of deputation under any of the schemes referred to above will be treated as service counting for pension and promotion but not for leave. The service will also count for earning increments in the post held by them prior to the deputation or in the post to which they had been promoted and which they continue to hold during the period³[or in the post to which they may receive promotion under Exception below Rule 60 of the Karnataka Civil Services Rules, during the period of Study Leave] but they will not be allowed to draw increments during the period of deputation.

(i) It shall be the responsibility of the Scholar to execute the bond and to have it executed by his sureties with all the necessary formalities before he leaves the State. Failure to do so will entail that Government will make no payment to the Scholar with consequent inconvenience to the Scholar in a foreign country.

³[(ii) When security of immovable property is furnished the value thereof shall be twice the value of the amount of scholarship and other payments made to the Scholar.]

³[(iii)] The Government officer responsible for the disbursement of any scholarship amount shall not authorise such disbursement or any payment in respect of the scholarship, and, where the scholar is in Government service, not relieve the scholar from his post to proceed on the scholarship, study leave, etc., as the case may be, before he has executed the necessary bond with the necessary sureties.

³[(iv)] ⁴[The bond in the form noted in Annexure 'C' should be registered. The stamp and Registration fees, if payable thereon shall be borne by Government.]

(2) In addition to the amount to be refunded under sub-rule (1) he shall also be required to refund leave salary drawn by him for the period of study leave reduced by regular leave at his credit on the date on which study leave commenced after deducting the regular leave taken by him in continuation of study leave.

(3) Notwithstanding anything contained in this rule, Government may, if it is necessary or expedient so to do, either in public interest or having regard to the peculiar circumstances waive or reduce the amount required to be refunded under sub-rule (1) by any Government servant or class of Government Servants].

Note.- No Commuted leave will be sanctioned to candidates who have been granted study leave benefits or Damodar Das Scholarships.

¹[2. (a) The grant of study leave should be made with due regard to the exigencies of the public service. The limit of absence of twenty-four months or thirty-six months, as the case may be, includes periods of vacations, if any, with which the study leave and other leave may be combined. (b) In calculating the continuous period of absence from duty the travel time from India to the country of training and back will be included.

Note.- A period during which a Government servant interrupts his course of study for his own convenience cannot be considered as vacation.

6. The certificates of attendance required to be submitted in support of the claims for study allowance may be produced at the end of the term of a Government servant who is undergoing study in an educational institution or at intervals not exceeding three months if he is undergoing study at any other institution.

7. Study allowance may be paid at the end of every month provisionally subject to an undertaking in writing being obtained from the Government servant that he would refund to Government any over-payment consequent on his failure to
