AN INTERACTIVE SESSION WITH PFA, MYSURU

INTERNATIONAL ANIMAL RIGHTS DAY CELEBRATION

Report

Date: 10/01/2022

Venue: AV Hall

On the occasion of "International Animal Rights day" on 10th December 2021, the Department of Zoology, Sarada Vilas College, Krishnamurthy Puram, Mysore conducted "Voice of animals" an interactive session with 'People for Animals', Mysore with regard to inculcate awareness among the students about the untold rights of animals.

The session started at 12:00 PM on 10/12/2021, started with the instructions to the participants. Mrs. Shakunthala, Assistant Professor and Head, Department of Zoology welcomed the gathering and introduced the guests and Dr.M.Devika, Principal, Sarada Vilas College presented the Inaugural speech. The scientific session was moderated by Ms. Gowri. A. Hoysala, Assistant Professor, Department of Zoology.

The resource persons are Mrs. Savitha Nagabhushan, The Honorary Managing Trustee, PFA, Mrs. Kokila Jain, A Biologist and Sparrow Conservator and Ms. Ashika Appaiah, Social media and Public relation manager, PFA.

Mrs. Savitha Nagabhushan has served as honorary managing committee member at CUPA & as a trustee at Wildlife Rescue Center in Bangalore. She also photographed captive elephants in Assam, Andaman's, Bihar, Karnataka and especially in Kerala. Mysore City Corporation was still poisoning the street dogs till 2010, but in the year 2010 reaching out to Animals got the contract for sterilization of the dogs. She has worked for stray animals for more than twenty years. She also photographed electrocution. After her photos reached Maneka Gandhi (Member of Lok Sabha), the killing of dogs was stopped in Bangalore.

Ms. Ashika Appaiah is a gold medalist from University of Mysore. She started her carrier as content writer and slowly upgraded her skills to a graphic designer, Movie Director, Photographer, Videographer and editor she also manages the social media and Public Relations of PFA Mysore.

She elaborated the structure and functioning of People for animals and exposed the inside world of PFA beautifully through her presentation. The idea of pet adoption was conveyed to the students.

Mrs. Kokila Jain is a Biologist and Sparrow Conservationist and working for the environment too by making seed balls and saplings which are being distributed. She is a science graduate and strongly believes in the philosophy of Live and Let Live. She shared her concern and conservative activities on diminishing Sparrow of India.

Mrs. Savitha Nagabhushan, The Honorary Managing Trustee, PFA clarified various queries raised by the students. The program was concluded with vote of thanks by Ms. Jyothsna. Madhu, Assistant Professor, Department of Zoology, Sarada Vilas College. The Session was very informative and well appreciated by the participants.

Thanking you.

WORLD ENVIRONMENT DAY 2022

“ONLY ONE EARTH”

SPECIAL LECTURE REPORT

The department of Zoology organised a week-long programme regarding the celebration of “World Environment Day- 2022” having the theme “Only One Earth” from the 4th of June to 8th of June 2022.

To create awareness among the students and employees of the college about the need of conservation and protection of wild life, the Department of Zoology **adopted an “Indian cobra” from Jayachamarajendra Zoological Garden, Mysuru.** Students with faculties visited the Zoological Garden on 4th June noon at 2:30 pm and enjoyed visiting the adopted animal in the premises.

On 6th June 11:30am, a special lecture with interactive session was organised by the department. **Former scientist, Mr. Yogendra B S, In charge Education Section, RMNH, Mysuru.,** was the chief speaker. Mr. Yogendra spoke about the need of conservation of the **only planet** we currently have to support life. He expressed that the use of plastic is efficient whereas the use of “single use plastic” has to be minimal. Interaction was made about the **4R’s** that one needs to follow in there day to day life with regard to the use of resource. By the end of the session, all the students pledged to not go for the use of single use plastics and would refuse spontaneously.

Sarada Vilas Educational institution is fortunate to have a wide campus with a vivid flora distribution. Keeping in mind, the reducing number of sparrows due to habitat loss, the department of Zoology made a small survey to list down the number of buildings possessing *baked clay tiles* as the roofing materials.

Beautifully tailored earthen nets with a coat of coir over it were bought and installed in such sparrow friendly places of the institution on 6th June 2022. The presence of dignitaries of the institution, Dr. M Devika, Principal Sarada Vilas College, Dr. Hanumanthachar joshi, Principal, College of Pharmacy, and other sister institution heads graced the function.

Under the sector of green waste management of college, the department also inaugurated the “**Vermi-composting**” unit setup located in the playground area of the institution under the guidance of *pragathipara krishika, Mr. Rohit R and Mrs. Rekha Rohit*. Students actively participated in the activities; *they* learnt the sustainable way of recycling the available resources by composting. In-house green waste was gathered, stacked and regularly watered by the students. Earthworms were later introduced into the compost units.

The efforts & dedication of Zoology students as well as faculties., Mrs. Shakunthala (Assistant Professor & Head) and Ms. Gowri A Hoysala (Assistant Professor) was appreciated by the principal and the management of the institution.

The encouragement and appreciation shown by the Principal Dr. M Devika has always been the driving force for all the departmental activities for which the department members feel thankful and grateful.

REPORT ON CELEBRATION OF INTERNATIONAL
BIODIVERSITY DAY

Sarada Vilas College is the most sought educational institution in the city of Mysuru, which not only has academic excellence but also involves itself in various other activities which fulfil social and environmental objectives, such as the celebration of important National and International days, conducting workshops, seminars, invited talks, organizing processions, awareness programmes, relating to social and environmental issues, which evokes the social responsibilities, among the students.

One such activities was the celebration of "International Biodiversity Day" organized by the Department of Botany.

Conservation of biodiversity is vital for maintaining the earth's environment and sustaining life on the planet. There are number of ways in which the richness of biodiversity helps in maintaining the ecological systems. Conservation of biodiversity is important for the survival of living beings on earth. Hence a lot of emphasis is being given on the conservation of biodiversity.

With this objective, every year UNO celebrates, International Biodiversity Day on 22nd May, to create awareness among its nations regarding the Conservation of Biodiversity. Every year the day is celebrated with the theme. This year theme was "BUILDING A SHARED FUTURE FOR ALL LIFE".

With respect to the theme of International Biodiversity Day series of events were organized by the department which portrays the necessity of conserving the biodiversity. The programme was scheduled for three days of 20th, 21st, and 23rd of May 2022 with various environmental related activities by the students.

On 20th May 2022, the celebration of biodiversity day commenced with Cleaning up of Campus by the students in association with NCC and NSS. The celebration continued with the planting of saplings in and around the campus as part of green initiative with the sollicit presence of our Hon'ble Secretary of SVEL. It was also witnessed by Dr. M. Devika, Principal, Sarada Vilas College and Head of the Department Botany and Capt. R.A. Manjunath, NCC officer and Head of the Department Microbiology and Biotechnology.

It was followed by a science lecture competition on the 21st of May 2022, with the theme-innovative ideas for the conservation of energy. Students belonging to various streams of the college participated enthusiastically in lecture competition presenting their own ideas on the conservation of energy. The lecture competition was evaluated by Smt. Suganthi S Naidu, Head of the Department, Physics and Sri. Shivahankar, Asst. Professor in Environmental Studies.

On 23rd May 2022, an invited talk was organized to create awareness about biodiversity conservation among the students. The talk was delivered by Dr. A. G. Deshpande, Retd. Professor, Department of Studies in Environmental Science, University of Mysore. The resource person not only shared his insight with us but also awaken students minds to the need to conserve biological diversity. We also had an Oath-taking session, all the students and faculties took an oath to say no to the products that harm biological diversity and lead an eco-friendly life. The event was concluded by the presidential address, honouring the chief guest as a token of respect and a short valedictory note.

Organizing such events often in the educational institutions makes the students a socially responsible citizen and admonishes everyone's responsibility in conserving our MOTHER EARTH.
