A REPORT ON FACE TO FACE WORKSHOP FOR ADOLESCENT GIRLS

On October 3 and 4, 2023, Sarada Vilas College hosted a face-to-face workshop for adolescent girls called "Smart Girl – To be Happy, To be Strong" as a part of an IQAC initiative for women's association with Bharathiya Jain Sanghatana (BJS). The inaugural programme was held on 3rd October with the gracious presence of Sri. N. Chandrashekar, Hon. Secretary and Dr. M. Devika, the principal. The inaugural was anchored by Arpitha K., Assistant Professor, Department of Commerce, Sarada Vilas College.

Inaugural

The session was taken over by BJS's trainer Ms. Sangeetha SrisrisriMala. The session was designed for adolescent girls between the ages of 14 and 23.

Session with students

The pupils received guidance about six life-changing sessions on:

1. **Self-awareness** — knowing oneself — plays a vital role in empowering oneself.
2. **Communication and relationships** — healthy communication is needed to build healthy relationships.
3. **Menstruation and hygiene** — this is the key to a healthy life.
4. **Self-esteem and self-defence** — self-esteem is our strength and leads to power, whereas self-defence makes us fearless and safe.
5. **Choices and decisions** — more freedom; more responsibility
6. **Friendship and temptation** — this dealt with the area of pleasures in the company of friendship as well as the awareness of consequences.

A total of 42 girl students attended this workshop and a session was dedicated for the parents interaction with Sangeetha.

Session with parents

Then after, the valedictory program was held on 4th October 2023 in the presence of Principal and the program was anchored by Dr. Pushpa K, Convener, Anti-Ragging Cell, Sarada Vilas College. ANTI RAGGING CELL

STUDENT AWARENESS PROGRAM

On 19/01/2023, Anti Ragging Cell and Criteria 7, IQAC of Sarada Vilas College organized an awareness program on **“Mental Health Awareness Program”** at 3.00pm in Sri Venkatakrishnaiah Auditorium, Sarada Vilas Law College, Mysuru-04.

Mrs. Chitra Girish, Psychologist and Counselor, Department of Clinical Psychology, JSS hospital ,Mysuru, was the resource person. All the dignitaries inaugurated the program symbolically by watering the plant.

Prof. Satyanarayana, Dean, Department of Commerce, addressed the students by giving insight into the mental health awareness.

Dr. M. Devika , Principal, SVC suggested that it is very important to retain sound mental health as there are many routes to get trapped in vicious circles and suffer than to get a righteous one. So she asked the students to interact with the guest Mrs. Chitra Girish without fear and hesitation to solve their problems at the end of the program.

Mrs. Chitra Girish addressed the students regarding mental health awareness and stated that mind is always a complex thing. She explained the signs and symptoms of anxiety as well as depression which include the

elements of sadness, hopelessness, loss of pleasure in activities, irritability, tiredness, appetite changes, and thoughts of death or suicide.

She revealed the mental disorder of Schizophrenia and mobile phone addiction. She also informed about substance abuse such as uncontrolled use of alcohol, illegal drugs or prescribed drugs that affects normal daily life. Sometimes the death of near ones and the indelible imprint of childhood wounds impact their lives. There is a solution for every problem if approached right in time. Later the guest had interactions with the students to enable them to come out of their vicious circles. Commerce and Science students were benefited from the session.

Women Empowerment Program

Tampon vending machine and disposer

The most common factor for disease is lack of hygiene. To empower the strength of a woman, it is important to focus on the hygienic atmosphere in the college and workplace. The students and faculty should not wonder about the necessary supplies during their periods. As a result, the female students of Sarada Vilas college were assembled in the Zoology Department of Sarada Vilas College on 16-08-2022 at 10.15 am to educate about the tampon vending and disposer machine. They were shown a video containing the steps to operate the machine to get a tampon by using Rs. 5 per tampon and also how to dispose of the used tampon. The video had a clear instruction about how to use the machine without anyone's help.

Organized by Ms. Pushpa K, Department of Mathematics, Mrs. Shakuntala, Department of Zoology , Ms. Meghana, Department of Chemistry.
