## **SPECIAL LECTURE ON “ Beat Plastic Pollution”**

### **REPORT**

The department of Zoology organized a special lecture on the occasion of “World Environment Day- 2023” having the theme “Beat Plastic Pollution” on 5<sup>th</sup> of June 2023.

To create awareness among the students and employees of the college about the hazards created by the plastic and to adapt ways to minimize plastic usage, a special lecture was held in the Zoology laboratory at 11.30 PM. Dr. Basavarajappa, Chairman, Department of Studies in Zoology, Manasagangothri, Mysuru, was the chief speaker. Dr. Basavarajappa enlightened the gathering with his knowledge on invention and use of plastic, its negative impacts on the environment and solutions to plastic pollution. By the end of the session, all the students pledged to reduce the use of plastic.

The efforts & dedication of students as well as faculties was appreciated by the principal and the management of the institution.

The encouragement and appreciation shown by the Principal Dr. M Devika has always been the driving force for all the departmental activities for which the department members feel thankful and grateful.

Department of physics organized a special talk on

**"Career Opportunities in Physics"**

On 06/06/20123 at 10:30 am for a final year students. About seventy students participated in this event.

The event commenced with a welcome note from Ms. Nithya T D (student) and invocation by Mr. Nitin Gowda C S (student). Principal Dr .M .Devika inaugurated the special talk and rendered presidential speech. Principal advised the students to make use of these special talks and benefit out of it. Speaker Mr. Sunil Kumar K C spoke about the various career and higher studies opportunities in physics to the students. The students interacted with the resource persons and cleared their doubts. Smt. Suganthi S Singh HOD of physics gave her feedback about the special talk. The program conducted with a thanks note from Mr .Hrishikesh Bassappa Tingani (student).

**Report on "Industrial Interaction Session on CHEM-CAREER"**

Date: 4<sup>th</sup> August 2023

Location: AV Hall, SVC, Mysuru.

Organizers: POST-GRADUATE DEPARTMENT OF CHEMISTRY & IQAC, SVC, Mysuru

The function was inaugurated through watering the plant by chief guest Mr S. N. Rao, Chairman and Managing Director, Supreem Pharmaceuticals Mysore Pvt Ltd., Kalavathi H, General Manager, Supreem Pharmaceuticals Mysore Pvt Ltd. and Poornapagna, Rtd. Managing Director, Shree Chem Research Laboratories Pvt. Ltd., Mumbai Mysuru accompanied by Prof. T.K. Umesh, Former Vice Chancellor, University of Mysore, GC Member, Sarada Vilas Educational Institutions (R.), Mysuru, Dr. M Devika, Principal, Sarada Vilas College and Dr. R Gururaja PG Dept. of Chemistry, Sarada Vilas College.

The main objective of the program is to provide students and early career professionals with insights into career opportunities in the chemical industry. The session featured a series of talks and discussions led by professionals from diverse sectors of the chemical industry, offering a platform to explore the relationship between academic studies and industry practices. The main focus was to help students to understand how they can transition from academic learning to professional careers in the chemical sector. The session not only offered essential insights into industry trends but also provided practical advice on how to navigate the job market and build a successful career in chemistry. The list of equipment used in chemical industry was given by Dr. Poornapagna in his talk. He also highlighted working principles, procedures and applications in Chemical analysis. Practical classes for working of these instruments were done for the students in the afternoon session.

Prof. T. K. Umesh highlighted the opportunities available to students, and Dr. M. Devika, the Principal, delivered the presidential remarks.

The anchoring was done by Ms. Keerthana, a second-year M.Sc. student, followed by a welcome speech and a vote of thanks.

**Report on special talk on "Molecular symmetry"**

Date: 26/08/2023

Location: AV Hall, SVC, Mysuru.

Organizers: POST-GRADUATE DEPARTMENT OF CHEMISTRY & IQAC, SVC, Mysuru

The function was inaugurated through watering the plant by chief guest Dr. Mallikarjuna I, Assistant Professor of Post-Graduate department of Chemistry, Maharani's Science College, Mysuru accompanied by Dr. M Devika, Principal, Sarada Vilas College and Dr. R Gururaja PG Dept. of Chemistry, Sarada Vilas College.

The talk was delivered by Dr. Mallikarjuna I. The primary objective of the talk was to explore the fundamental principles of molecular symmetry, its classification through point group theory, and its wide-ranging applications in areas such as spectroscopy, catalysis, and material design. As a central concept in chemistry, molecular symmetry plays an essential role in determining molecular properties and behaviors, making it an indispensable topic for both theoretical studies and practical applications. The special talk on molecular symmetry offered a thorough examination of the importance of symmetry in chemistry, physics, and material science. The talk not only deepened understanding of molecular symmetry but also inspired students to further explore its applications in areas like catalysis and drug design. The concepts covered during the lecture are fundamental for students who are interested in molecular science and have wide-ranging implications in both theoretical and applied research.

Dr. R. Gururaja, the Coordinator, highlighted the opportunities available to students, and Dr. M. Devika, the Principal, delivered the presidential remarks.

The anchoring was done by Ms. Meghana S, a second-year M.Sc. student, followed by a welcome speech and a vote of thanks.

Venue: Southern Star, Mysuru

Timing: 12: 00 noon to 2:00 pm

On Sept 8, 2023 the B.Sc (Hon's) Data Science and AI, students and myself attend the event organized by 'idp' who is a consultant and international education specialist.

Idp has arranged a counselling section for our students who were interested in higher education and looking for a specialized Master degree options available in abroad especially in USA and UK.

The delegates and education consultants from the respective concern universities were present during the counselling section. The students interacted with them both individually and in group.

Around 18 reputed Universities participated in the counselling section and students got sufficient information regarding the admission process, eligibility criteria, qualifying entrance exams, fee structure, placement, loan options etc...

Students were enlightened with sufficient knowledge regarding the various universities and their master's program in the respective field.

## Background:

As part of their commitment to women's empowerment, the Mahindra Group has launched the Mahindra Pride Classroom program as a key initiative under their Corporate Social Responsibility (CSR) efforts. This program, guided by the tagline "Employability with Empathy and Emotion," aims to equip young women with crucial life and soft skills needed to navigate today's complex society.

To implement this initiative, Mahindra has partnered with the Naandi Foundation, one of India's largest and fastest-growing social sector organizations dedicated to eradicating poverty in the country. Together, Mahindra and Naandi are delivering soft skills training to young women across India.

In the 2023-24 academic year, this collaboration continued with a focused 5-day training program on "Employability Skills." The 30-hour course was conducted from October 3rd to October 7th, 2023, targeting final-year female students to better prepare them for the workforce.

## Formalities:

### Inauguration

On day one, that is 3<sup>rd</sup> October 2023, the 5-day training program was inaugurated by Sri. N. Chandrashekar, Hon. Secretary, Sarada Vilas Educational institutions in the presence of the resource person Sri. Suresh Sastry from Naandi Foundation and Dr. M. Devika, Principal of Sarada Vilas College. Sri. N. Chandrashekar, Hon. Secretary of SVEI also spoke on this occasion praising the unique efforts of Sarada Vilas College in equipping the students with necessary skills for the current scenario. Recollecting the previous connections with Sarada Vilas College, Mr. Suresh Sastry expressed his

excitement to conduct the 5-day training. Dr. M. Devika, Principal, Sarada Vilas College delivered the presidential address requesting students to make use of bunch of opportunities created by the college.

A total of 59 girls of final year of B.Sc., B.Com, and B.Sc.(Hons') DS and AI were present in the inaugural ceremony.

#### Valedictory

On the fifth day of the training program, October 7th, a valedictory event was held. The event was graced by Dr. M. Devika, Principal of Sarada Vilas College, Smt. Suganthi S. Singh, IQAC Coordinator, Dr. Jyothi N, Head of the Department of Commerce and Business Administration, and members of the Career Guidance and Placement Cell.

During the event, students shared their experiences from the past five days, highlighting the personal transformations they had undergone. A few students who exhibited significant changes from Day 1 to Day 5 were recognized and awarded by the Naandi Foundation. Dr. Devika M addressed the gathering, commending the noticeable progress among the students and acknowledging the efforts of everyone involved in the program's success. At the conclusion of the event, all students were presented with certificates from Mahindra.

## A REPORT ON FACE TO FACE WORKSHOP FOR ADOLESCENT GIRLS

On October 3 and 4, 2023, Sarada Vilas College hosted a face-to-face workshop for adolescent girls called "Smart Girl – To be Happy, To be Strong" as a part of an IQAC initiative for women's empowerment through the Career Guidance and placement Cell, POSH and Anti-Ragging Cell in association with Bharathiya Jain Sanghastana (BJS). The inaugural programme was held on 3<sup>rd</sup> October with the gracious presence of Sri. N. Chandrashekar, Hon. Secretary and Dr. M. Devika, the principal. The inaugural was anchored by Arpitha K., Assistant Professor, Department of Commerce, Sarada Vilas College.

### Inaugural

The session was taken over by BJS's trainer Ms. Sangeetha SrisrisriMala. The session was designed for adolescent girls between the ages of 14 and 23.

### Session with students

The pupils received guidance about six life-changing sessions on:

1. **Self-awareness** — knowing oneself — plays a vital role in empowering oneself.
2. **Communication and relationships** — healthy communication is needed to build healthy relationships.
3. **Menstruation and hygiene** — this is the key to a healthy life.
4. **Self-esteem and self-defence** — self-esteem is our strength and leads to power, whereas self-defence makes us fearless and safe.
5. **Choices and decisions** — more freedom; more responsibility
6. **Friendship and temptation** — this dealt with the area of pleasures in the company of friendship as well as the awareness of consequences.

A total of 42 girl students attended this workshop and a session was dedicated for the parents interaction with Sangeetha.

#### Session with parents

Then after, the valedictory program was held on 4<sup>th</sup> October 2023 in the presence Principal and the program was anchored by Dr. Pushpa K, Convener, Anti-Ragging Cell, Sarada Vilas College. In this program, students shared the impact on their thinking and the perspective to approach the situation in the foreseen future and parents too expressed their opinion about this workshop.

### **Background:**

Rankbook Learning and Software solutions is an EdTech organization committed to bridging educational gaps in many districts of Karnataka. Our mission is to provide accessible and quality education through innovative digital platforms, catering to the unique needs of students in these regions. With a focus on interactive learning modules and local curriculum integration, RankBook aims to empower learners and enhance education outcomes in Karnataka's underserved communities. We mainly cater in the fields of Government competitive exams, Banking exams, Entrance exams and Job Placements and Interview Training for Top MNC's. We are a proud Training and placement company having helped thousands of candidates to secure their professional lives

As many students aim at competitive examinations and also aspire for jobs, the placement cell of Sarada Vilas College had thought of organizing a career guidance session on the further opportunities in their career. This program, in association with Rankbook, was organized with the same objective.

### **Session**

Mr. Francis, the resource person, began the session by the discussion on their thoughts about their career. He explained the possible reasons for the inactiveness of the students, especially of B.Sc. & B.Com, when it comes to deciding their career. Exploring these reasons, Mr. Francis discussed the possible ways of coming out to explore the various opportunities available.

He discussed the various jobs which the final year students can apply for in various sectors such as banking, Government, Private etc. He also gave the information about the upcoming banking and government examinations and motivated the students to apply for the same.

Mr. Francis, explaining about the various facilities at their training center, discussed the usefulness of taking training for the exams, especially for the upcoming SBI Clerk examination.

Students appreciated the session for information they gained from Mr. Francis. Towards the end, speaking to the students, Dr. M. Devika, encouraged students to come forward to take up coaching for competitive examinations and assured students that if an appreciable number of students came forward, the college is ready to organize the classes in the college premises itself.

## **Workshop:**

Students were divided into two groups. All final year boys of B.Sc. were in one group and all students of B.Sc. (Hons') of DS & AI were in the other. For the first set of students, the workshop was carried on the following areas in Room No. 3 itself:

- Skills required for getting a good job.
- Workplace etiquette.
- Email etiquette.
- Building Resume.
- Interview skills.

The workshop for this set of students was facilitated by Ms. Sushmitha and Ms. Brunda.

The other set of students were mainly taken through mock interview process under the leadership of Dr. Sandhya Sheshadri. Firstly, explaining them the way how one should have prepared for interview, Dr. Sandhya's team conducted mock interview for each of the 32 students. Each student was given feedback on the areas of strengths and areas of improvements. Students expressed positive feedback indicating that they got to know their areas of improvement.

## National Science Day

As an IQAC initiative and in association with Karnataka Physics Association, National Science Day was celebrated in Sarada Vilas College on 28<sup>th</sup> February 2024 to promote the scientific temper among students and the community by watering the sapling symbolically. To celebrate the spirit of science, distinguished scientists and scholars were invited to share their insights on the significance of scientific discoveries and advancements in the present world. In view of that, the chief guests Dr. B. S. Srikanta, former director and principal, Sindhi College, Bangalore and Smt. Roopa M.V., Scientist, ISRO, Peenya, Bangalore, were invited to address the students.

Dr. B.M. Srikanta introduced Sir C.V. Raman, an eminent Indian Physicist, his contribution to the field of Physics and his significance of the Raman Effect and its impact on various branches of science. Also provide background information about his early life and upbringing. He gave an extensive professional journey and his work at the Indian Association for the Cultivation of Science and the University of Calcutta, highlighting his groundbreaking research in the field of light scattering and spectroscopy. Smt. Roopa who served as Deputy Project Director for the prestigious Chandrayaana - 3 Mission, furnished their instrumental role in shaping India's lunar exploration and earth observation initiatives. Their contributions extend to landmark missions such as the Mars Orbiter Mission as well as the operations of Chandrayaan - 2's Lander and Rover which highlighted their dedication to space exploration. Sri. N. Chandrashekara, Hon. Secretary, SVEI(R) and Dr. T.K. Umesh, Senior GC member and former Vice Chancellor, University of Mysore, graced the occasion. Dr. M. Devika, principal, SVC, presided over the function expressed her gratitude and a sense of patriotic feeling at the triumph of Chandrayaana Mission and felt truly elevated by celebrating National Science Day in real sense.

Smt. Sughandhi Singh, HOD of Physics department, delivered a warm welcome and Sri. Prathap Sharma, professor of Physics department compered the programme and the introduction of the guests was delivered by Sri. Dhanushchandra, prof. of Physics and Sri. Akash, prof. of Mathematics. A Report on

**Stage Chemistry: Neuro-psychiatric Disorders on Stage**

The Department of English in collaboration with IQAC, had organized a play titled 'Stage Chemistry: Neuro-Psychiatric Disorders on Stage' on April 4, 2024 at Sarada Vilas College which aimed at combining entertainment with educational value and thus fulfilling the twin obligation.

The chief guest for the event was Dr. R. Purnima, formerly an English professor at KSOU in Mysore and currently serving as the Director of the Children's Literary Club in Mysore.

She enacted solo while encompassing a wide range of conditions affecting the brain, spinal cord and nervous system. Hence the play included the context of Alzheimer's and Parkinson's, mood disorders like depression and anxiety, autism spectrum disorder, epilepsy and multiple sclerosis with their unique characteristics, causes as well as ongoing research on these complex conditions. She involved students while displaying the trauma of the character. Sri. N. Chandrashekar, Hon. Secretary, SVEI(R) graced the occasion.

Dr. M. Devika, principal of SVC, presided over the program who appreciated this innovative play for its educational value which enlightened the students beyond curriculum to initiate the young to new knowledge and encourage further exploration. All the faculty members, BSc and BCA students were present in the program.

#### REPORT OF WORKSHOP ON BASICS BIOINFORMATICS

Sarada Vilas College is the most sought educational institution in the city of Mysuru, which not only has academic excellence but also involves itself in various other activities which fulfill social and environmental objectives, such as the celebration of important National and International days, conducting workshops, seminars, invited talks, organizing processions, awareness programmes, relating to social and environmental issues, which evokes the social responsibilities, among the students.

One such activity was the workshop on '**Basics of Bioinformatics**' organized by the department of Botany on 19<sup>th</sup> April 2024 for providing the better knowledge of Bioinformatics to the students which also help to their research career. Bioinformatics is the application of tools of computation and analysis to the capture and interpretation of biological data. It is an interdisciplinary field, which harnesses Computer science, Mathematics, Physics, and Biology. Bioinformatics is essential for management of data in modern Biology and Medicine.

The workshop commenced by the formal inauguration by the resource person and presidential address by Dr. M Devika Principal Sarada Vilas College. The resource person for the workshop was Dr. Kaunian Roohie, Assistant professor, DoS in Biotechnology, Manasa Gangothri, University of Mysore, Mysuru, who had deep insight of Bioinformatics who carried on the workshop in a very interactive way.

The workshop comprised of two sessions: an interactive session and the practical session, interactive session was all about the basics of Bioinformatics, Molecular biology and genetics in which students learned about basic aspects, the practical session was carried in the Bioinformatics lab where each student was taught regarding usage of bioinformatics soft wares such as NCBI, DDBJ, PDB and EBI. The students were also educated about gene sequencing, protein sequencing using these soft wares.

The Workshop concluded by a short valedictory note, both the sessions were very informative to the students as well as faculties which made them to understand the necessity of these interdisciplinary topics in the current era technological research.

MEASURES IN DEFENCE SCENARIO"**

Date: 11<sup>th</sup> May 2024

Location: AV Hall, SVC, Mysuru.

Organizers: POST-GRADUATE DEPARTMENT OF CHEMISTRY & IQAC, SVC, Mysuru

The function was inaugurated through watering the plant by chief guest Dr. M. S. Yogendra Kumar, M.Sc., Ph.D., Scientist, Defence Bio-Engineering and Electromedical Laboratory, DRDO, C.V. Raman Nagar, Bengaluru accompanied by Dr. M Devika, Principal, Sarada Vilas College and Dr. R Gururaja PG Dept. of Chemistry, Sarada Vilas College.

The talk was delivered by Dr. M. S. Yogendra Kumar, who provided valuable insights into the current landscape of chemical warfare. The special talk on "Chemical Warfare Agents and Preventive Measures in Defence Scenario" provided critical insights into the nature of chemical warfare and the steps that can be taken to protect against it. The information shared by Dr. M. S. Yogendra Kumar was not only informative but also essential for understanding the ongoing challenges in military defense. Participants left with a greater awareness of the importance of preparedness and the collaborative efforts needed to address the threats posed by chemical warfare.

Dr. R. Gururaja, the Coordinator, highlighted the opportunities available to students, and Dr. M. Devika, the Principal, delivered the presidential remarks.

Date: 25<sup>th</sup> May 2024

Location: AV Hall, SVC, Mysuru.

Organizers: POST-GRADUATE DEPARTMENT OF CHEMISTRY & IQAC, SVC, Mysuru

The function was inaugurated through watering the plant by chief guest Prof. Praveen C Ramamurthy, Professor, Department of Materials Engineering, Chairman of Interdisciplinary Centre for Water Research, Indian Institute of Science, Bengaluru - 560 012 accompanied by Dr. M Devika, Principal, Sarada Vilas College and Dr. R Gururaja PG Dept. of Chemistry, Sarada Vilas College.

The talk was delivered by Prof. Praveen C Ramamurthy, a recognized expert in the field of organic electronics with extensive research experience in molecular design and device fabrication. The speaker emphasized the crucial role of molecular structure in determining the electronic properties of organic materials. By tailoring molecular architectures, researchers can enhance charge transport and overall device performance. Despite the advancements, the speaker acknowledged challenges such as the stability of organic materials and the scalability of manufacturing processes. Future research directions include exploring new molecular designs and enhancing the longevity of devices.

Dr. R. Gururaja, the Coordinator, highlighted the opportunities available to students, and Dr. M. Devika, the Principal, delivered the presidential remarks.

The anchoring was done by Ms. Saniya Taj, a first-year M.Sc. student, followed by a welcome speech and a vote of thanks.

Name of the event: Workshop

Date of the Event: 04-07-2024

Location: DS Lab

Topic : Opportunities in Data Science

Organized by: Department of Computer Science

Time: 11:30 AM to 1:30 PM.

## Introduction

Session was started by informal welcome of the speaker by Shilpashree .N, HOD, Dept of CS. The session was conducted by Shruthi S Shashtry focused on exploring the future trends and burgeoning opportunities in the field of data science. As data-driven decision-making continues to reshape industries, understanding these dynamics is crucial for aspiring professionals and seasoned experts alike.

## Key Points Covered

During the session, Shruthi S Shashtry elaborated on several key areas:

- **Emerging Technologies:** The integration of AI and machine learning in data analytics.
- **Industry Trends:** Current trends in data science across sectors like healthcare, finance, and retail.
- **Skills in Demand:** Essential skills such as programming (Python, R), data visualization, and statistical analysis.

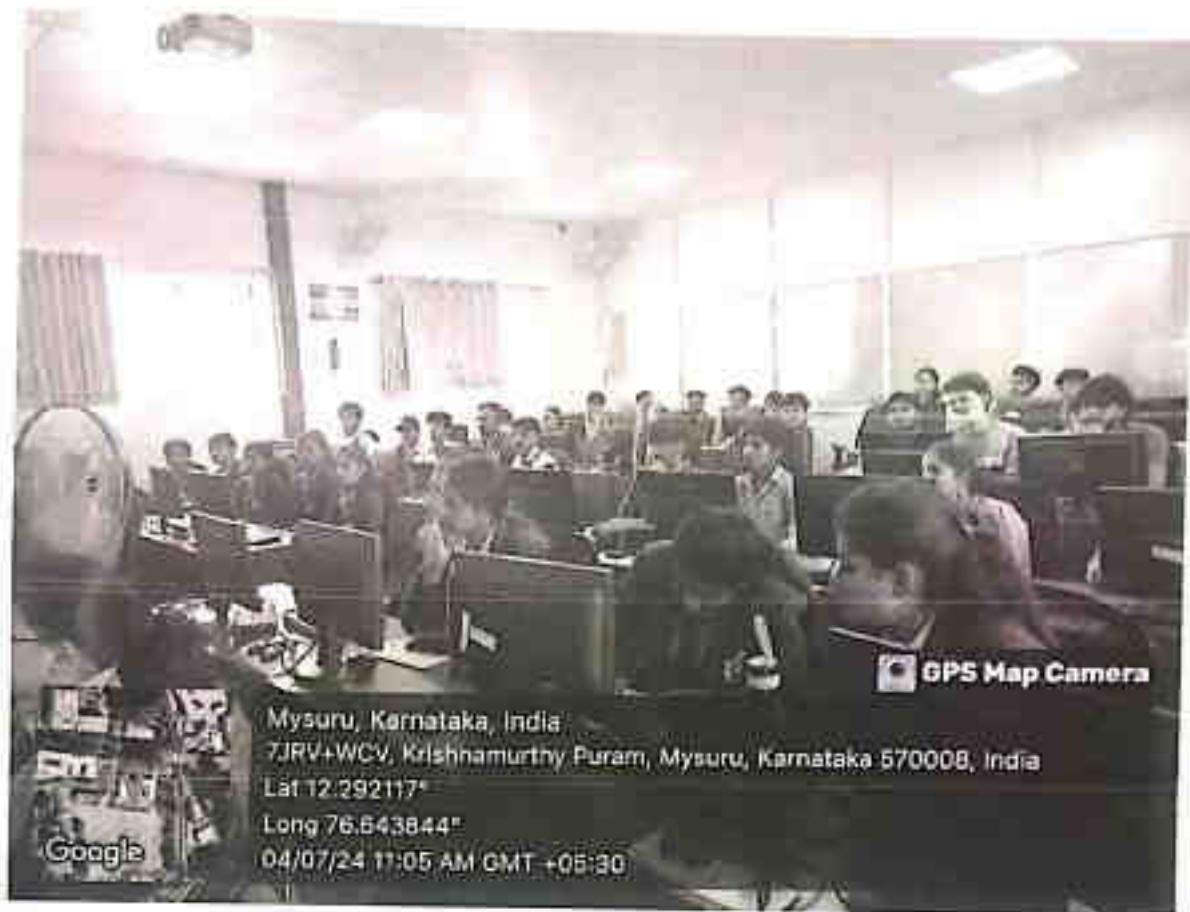

## Opportunities Discussed

Participants gained insights into diverse opportunities:

- **Career Paths:** Roles as data scientists, data analysts, and data engineer.
- **Job Market:** Growing demand for skilled data professionals globally.

  
**Dr. M. Devika**
