To

The Principal,

Sharada Vilas College,

3rd Cross Road, Krishnamurthy Puram, Mysuru, Karnataka 570004

Dear Principal,

Graduate Aptitude Test in Engineering (GATE) is the nation's most prestigious entrance exam taken by BE/BTech/MSc students to gain eligibility for Masters's and PhD programs in higher educational institutions in the country. In addition, GATE score is also used for recruitment by several public sector units (PSUs). Likewise, JAM is a nationwide entrance exam taken by B.Sc. students and is used for admission to various Masters programs across IITs and IISc. GATE 2024 will be organized by IISc Bangalore, and JAM 2024 will be organized by IIT Madras, on behalf of the Ministry of Education.

We are conducting outreach sessions at various colleges to create awareness among the student community about the GATE and JAM exams, as well as the attractive opportunities that these exams provide. In this regard, we would like to send a team of ambassadors to your institute.

We would greatly appreciate it if you could kindly arrange for a one-hour interaction session with BSc/MSc/BTech students at your college/university who are in the third year or final year of their program. Our student team members will make a presentation for about 30 minutes and will be happy to address queries that students may have about the exams and the opportunities that await them.

We request you to kindly confirm if you are willing to host our ambassadors. We believe and hope you concur that this will be a great exposure and opens up opportunities for your students. We will inform you about the contact details of the ambassadors after receiving your confirmation. Please do not hesitate to contact us (080-2293 2362/080-2360 1227) if you have any questions.

Looking forward to a fruitful interaction with your students,

Sincerely,

Prof. Chandra Sekhar Seelamantula
