Report

Background:

Rankbook Learning and Software solutions is an EdTech organization committed to bridging educational gaps in many districts of Karnataka. Our mission is to provide accessible and quality education through innovative digital platforms, catering to the unique needs of students in these regions. With a focus on interactive learning modules and local curriculum integration, RankBook aims to empower learners and enhance education outcomes in Karnataka's underserved communities. We mainly cater in the fields of Government competitive exams, Banking exams, Entrance exams and Job Placements and Interview Training for Top MNC's. We are a proud Training and placement company having helped thousands of candidates to secure their professional lives

As many students aim at competitive examinations and also aspire for jobs, the placement cell of Sarada Vilas College had thought of organizing a career guidance session on the further opportunities in their career. This program, in association with Rankbook, was organized with the same objective.

Session

Mr. Francis, the resource person, began the session by the discussion on their thoughts about their career. He explained the possible reasons for the inactiveness of the students, especially of B.Sc. & B.Com, when it comes to deciding their career. Exploring these reasons, Mr. Francis discussed the possible ways of coming out to explore the various opportunities available.

He discussed the various jobs which the final year students can apply for in various sectors such as banking, Government, Private etc. He also gave the information about the upcoming banking and government examinations and motivated the students to apply for the same.

Following the success of the first batch, orientation for the second batch of CPBFI was organized on 19th of June, 2023. Previous batch, which ran from November 2022 to March 2023, comprised of final year B.Com. students. For the second batch of CPBFI, first year M.Com was chosen as the target group.

Formalities:

After the welcome of the guests and the audience by Mr. Yathiraj, four students of the first CPBFI batch who were part of the previous CPBFI batch shared their experiences about CPBFI. This was followed by a speech of Sri. N. Chandrashekar, Hon. Secretary, SVEI who stressed on the importance of such programs. Certificates were issued thereafter to the students of the first batch.

Orientation:

Ms. Rashmi Mansukhani oriented the students through zoom on the necessity of CPBFI by explaining a survey indicating the lack of certain skills in students as required by the industries. Ms. Rashmi then explained how CPBFI is going to bridge the gap. She then explained the structure of CPBFI and the aspects covered in the program. Though session was online, the facilitator tried to make it interactive by asking questions and interacting through the chat box.

After the session by Ms. Rashmi, Mr. Rajeev G. P. spent nearly 30 minutes motivating the students to take up CPBFI. The responses of the students were positive.

Mr. Akshaya H. L., and Mr. Yathirajsharma M.V, conveners of placement cell, Mr. Pratap M. R, Ms. Arpitha K and Mr. Raj Kishore S.N., members of career guidance and placement cell were present. Ms. Arpitha K moderated the entire program.
