## **ANTI RAGGING CELL**

### **STUDENT AWARENESS PROGRAM**

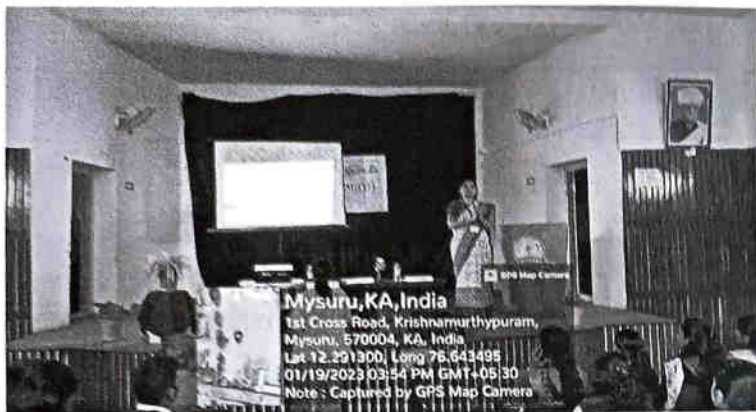

On 19/01/2023, Anti Ragging Cell and Criteria 7, IQAC of Sarada Vilas College organized an awareness program on **"Mental Health Awareness Program"** at 3.00pm in Sri Venkatakrishnaiah Auditorium, Sarada Vilas Law College, Mysuru-04.

Mrs. Chitra Girish, Psychologist and Counselor, Department of Clinical Psychology, JSS hospital, Mysuru, was the resource person. All the dignitaries inaugurated the program symbolically by watering the plant.

Prof. Satyanarayana, Dean, Department of Commerce, addressed the students by giving insight into the mental health awareness. Dr. M. Devika, Principal, SVC suggested that it is very important to retain sound mental health as there are many routes to get trapped in vicious circles and suffer than to get a righteous one. So she asked the students to interact with the guest Mrs. Chitra Girish without fear and hesitation to solve their problems at the end of the program.

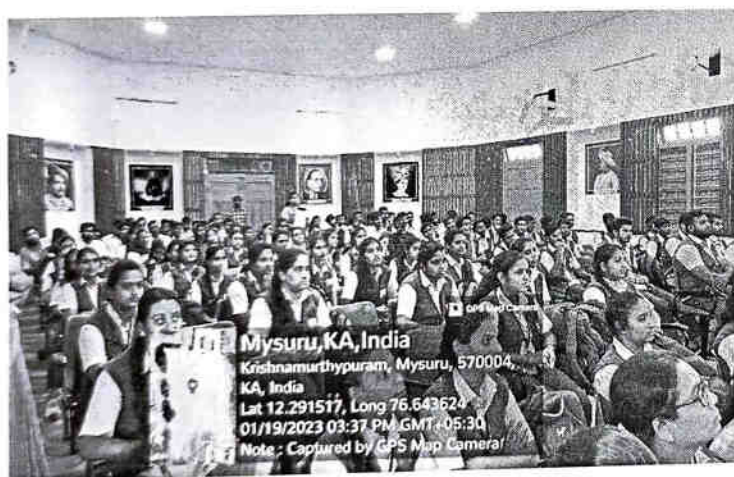

Mrs. Chitra Girish addressed the students regarding mental health awareness and stated that mind is always a complex thing. She explained the signs and symptoms of anxiety as well as depression which include the

elements of sadness, hopelessness, loss of pleasure in activities, irritability, tiredness, appetite changes, and thoughts of death or suicide.

She revealed the mental disorder of Schizophrenia and mobile phone addiction. She also informed about substance abuse such as uncontrolled use of alcohol, illegal drugs or prescribed drugs that affects normal daily life. Sometimes the death of near ones and the indelible imprint of childhood wounds impact their lives. There is a solution for every problem if approached right in time. Later the guest had interactions with the students to enable them to come out of their vicious circles. Commerce and Science students were benefited from the session.

The program was presided by Dr. Devika M., Principal , Sarada Vilas College

The program was organized by Dr. Pushpa K., Convener, Anti Ragging Cell, Sarada Vilas College and Dr. Jyothi A. N. and the members - Captain Manjunath R. A., Sri. Shivakumar G., Sri Mahendra B. S., Dr. Anand G., Smt. Usha D. M., Smt. Sowmya M. A., Smt. Srilakshmi R. and Ms. Spoorthy S.

## **Women Empowerment Program**

### **Menstrual Hygiene**

Lack of hygiene affects a person's work and social life. Empowering women is necessary because it leads to economic growth, political stability and social transformation. One must be aware of their bodily function to maintain their health. On 01-06-2022 during 12.30 to 1.30 pm, Dr. Ankitha Sukhwal educated the female students of Sarada Vilas College about feminine hygiene via Google meet. She explained in detail about the changes and processes the body goes through while menstruating and how one must stay healthy during this period. She also informed the students about how to choose the best products to use during this time of the month. She also educated about the yoga exercises to relieve pain during periods.

### **Tampon vending machine and disposer**

The most common factor for disease is lack of hygiene. To empower the strength of a woman, it is important to focus on the hygienic atmosphere in the college and workplace. The students and faculty should not wonder about the necessary supplies during their periods. As a result, the female students of Sarada Vilas college were assembled in the Zoology Department of Sarada Vilas College on 16-08-2022 at 10.15 am to educate about the tampon vending and disposer machine. They were shown a video containing the steps to operate the machine to get a tampon by using Rs. 5 per tampon and also how to dispose of the used tampon. The video had a clear instruction about how to use the machine without anyone's help.

**Organized by Ms. Pushpa K, Department of Mathematics, Mrs. Shakuntala, Department of Zoology , Ms. Meghana, Department of Chemistry.**
