### National Voters Day - 25th January 2023

#### Report on Voters Pledge

The National Voters Day was held on 25/01/2023 at room no. 1B of Sarada Vihar College, Mysore. The program was presided by Dr. M. Devisha Sarada Vihar College Mysore and organized by Sri R. A. Mammath, IIC officer.

Through this program a total of 86 students, teaching staff and non-teaching staff took the voter's oath. They were also educated towards the importance of the voting process and their role in the democratic machinery.

Voters are to be aware of some important rules and resolutions introduced by the election commission. The citizens of India, having abided to the faith in democracy hereby pledge to uphold the democratic traditions of our country and the dignity of free, fair and peaceful elections and to vote in every election fearlessly and without being influenced by considerations of religion, race, caste, community, language, etc.

Another responsibility of the citizen is voting. The law does not subject a citizen to vote, but voting is a very important part of any democracy. By voting citizens are participating in the democratic process, through which they select leaders who represent them and their views on the national front and the leaders in turn support the citizen's interests.
