To,
The President/Hon. Secretary
Sarada Vilas Educational Institution
@Mysore

Sir,

Sub: Seeking permission to organize one day international level seminar in the college on Epigenetics of Neurodegenerative Disorders on 24.02.2024.

With reference to the above subject, I would like to bring it your kind notice that, the department of Botany & Microbiology have planned to organize a one day international seminar on Epigenetics of Neurodegenerative disorders on 24.02.2024. We have already contacted two accomplished scientists from United States of America and they have accepted our invitation. Both the resource persons are known to us and they have agreed to do it without expecting TA & DA keeping institution & students' academic progress in mind. In addition, we have planned to invite Vice-Chancellor of University of Mysore to inaugurate the seminar and one from DOS in Microbiology or Botany from University of Mysore for the valedictory function. One more resource person by name Dr. Srimonta Gayer, Department of Developmental Biology and Genetic, Indian Institute Science, Bengaluru has also accepted our invitation. Since, it was a long standing dream of Sarada Vilas College to organize an international level seminar, I request you sincerely to permit us and fund us partially so that we can uphold the college reputation and it may even add to our sincere efforts of bringing back the past glory of the institution. Please find attached the rough budget proposal for the seminar and guide us further.

Thanking You

Yours faithfully

Permitted to conduct -
Seminar.

About the College
Sarada Vilas College, part of the 163 year old Sarada Vilas Educational Institutions was established in the year 1943. It is an intermediate college with Sr. M.S. Ramaswamy as its founder principal, and was upgraded to a degree college in 1952. The college is affiliated to University of Mysore and is re-accredited by NAAC with 'A' grade (CGPA 3.19) in the IV cycle. With its glorious history, Sarada Vilas College has consistently provided quality education and expanded its wings to offer a wide range of courses. It has been awarded BBA in 2013, M.Sc. in 2014, M.Com. in 2017, B.Sc. (Hon's) in 2020-21 and BCA in 2022-23. Our college has produced numerous graduates, each a shining beacon of success in their respective fields. This development has always been in tune with the vision and mission of being a premier institute for excellence in higher education towards producing global quality graduates with social commitment in the service of the society, and also providing value-based education, nurturing scientific temper, sharpening creative ability and developing all-round personality of students from all sections of the society.

About the Department
Botany: The Department was started in 1963 as Department of Botany and Zoology, and since then, the department has a legacy of imparting quality education to thousands of students with a state-of-the-art laboratory, and good collection of specimens, fossil slides, equipment and a herbarium. The Department has carved a niche in the city of Mysuru in the specific domain & has produced graduates of global standards.

Microbiology: The Department of Microbiology, started in 1993, has a sophisticated laboratory dedicated to explore the microscopic realm. The department's vision is to provide students with profound scientific and technical knowledge, fostering the development of microbiologists who meet the high standards demanded by both industrial and research domains.

About Mysuru City
Mysuru is a city in the Indian state of Karnataka, and the administrative seat of Mysuru District, and it is celebrated for its historical significance and cultural opulence. Mysore served as the capital of the Kingdom of Mysore under the Wodeyar dynasty until 1947. The Wodeyars, as the patrons of art and culture, played a pivotal role in fostering the rich cultural heritage of the city. Renowned as the cultural capital of Karnataka, Mysuru boasts numerous educational, commercial, and administrative centres, with many heritage monuments. It has nurtured renowned musicians, dancers, Sanskrit scholars, writers and intellectuals. The majestic Mysuru Palace, royal mansions, and planned markets stand as testaments to the visionary leadership of the Maharajas, their Dewans and other talented luminaries since 1862. The city's harmony is accentuated by its landmarks, lakes, parks, under the hush drop of Chamundi Hill, enhances its allure.

Places to Visit
Mysuru Palace / Amba Vilas Palace: It is one of India's most renowned tourist destinations, drawing over six million visitors annually, second only to the Taj Mahal. Often referred to as the "City of Palaces," Mysuru is home to seven palatial structures, including this iconic landmark. The original palace, constructed of wood in the 14th century, gave way to the present grand structure, built between 1897 and 1912. It was the official residence of the Wodeyar dynasty. (Distance from college: 2 km)

Chamundi Hills: It is named after the revered Chamundeshwari Temple atop its summit, and has been patronized by Mysuru rulers for centuries. It holds a significant place in local culture and religious reverence. With an average elevation of 1,060 meters, it houses the iconic statue of Nandi, Lord Shiva's vehicle, carved from a single piece of black granite, standing 4.9 meters tall and 7.6 meters long, and located halfway to the temple. Another notable feature is the statue of Mahishasura, wielding a sword and coars. (Distance from college: 13km)

Mysuru Zoo: Also known as Sri Chamarajendra Zoological Garden, is one of India's oldest zoological gardens, established in 1892 by the then ruler of Mysore, Sri Chamarajendra Wodeyar. Spanning across 250 acres, it offers a diverse range of wildlife experiences. (Distance from college: 2.5 km)

Brindavan Garden: It is a terrace garden, in the KRS Dam complex, and was modelled after Kashmir's Shalimar Gardens. It houses lush green lawns, flower beds and vibrant fountains. Every night it hosts the musical fountain show, a water ballet with lights and music, which is its most enticing attraction. (Distance from college: 20 km)

Lalitha Mahal: Built in 1921 by the then Maharaja Krishnaraja Wodeyar IV to host the Viceroy of India, it is the second largest palace in Mysore. It is now one of India's most opulent hotels that offer an experience of royal living in a royal Maharaja's palace. (Distance from college: 7 km)

Jaganmohan palace: It was built in 1861 by Mumtaz Ali Krishnaraja Wodeyar, in the traditional Hindu architectural style as an alternative royal residence. It is now the Sri Jayachamarajendra Art Gallery, showcasing exquisite carvings, miniature temples, murals, and motifs related to Hindu religion, history, and the lineage of the Mysore royal family. (Distance from college: 3 km)

About the Seminar

The seminar aims to explore the dynamics of neurodegenerative diseases such as Alzheimer's, Parkinson's and Huntington's that are significant challenges to the healthcare systems worldwide due to their progressive nature and lack of effective treatments. It also aims to explore the role of inflammatory responses and their regulation towards epigenetic mechanisms that are pivotal in the onset and progression of these diseases. Epigenetic changes are caused by environmental factors such as diet, stress, exposure to toxins, etc., leading to neuronal dysfunction and degeneration in many neurodegenerative diseases. Understanding the underlying epigenetic mechanisms and the role of inflammation holds promise for development of innovative therapeutic strategies. Organized by the Departments of Botany & Microbiology and the IQAC, this International seminar offers a unique opportunity to explore an emerging frontier for promoting longer and healthier cognitive function.

REPORT OF INTERNATIONAL SEMINAR ON
NEURODEGENERATIVE DISORDERS AND
INFLAMMATION

To align with the vision and mission of being a premier institute for excellence in higher education towards producing global quality graduates with social commitment in the service of society, and to provide value based education, and develop all-round personality of students, the institution organizes this type of seminars.

With this perspective, the Department of Botany, Microbiology and IQAC of the college had organized an **International Seminar on “Neurodegenerative disorders and inflammation”** on 24th February, 2024 which mainly focused on the dynamics of Neurodegenerative diseases such as Alzheimer’s Parkinson’s and Huntington’s that are significant challenges to the healthcare systems worldwide due to their progressive nature and lack of effective treatments. It also aimed to explore the role of inflammatory responses and their regulation to wards epigenetic mechanisms that are pivotal in the onset and progressions of these diseases.

The Seminar was kick started with the formal inauguration and with the key note address. The chief guest of the session was prof. Lokanath N K, Hon’ble Vice Chancellor, University of Mysore, Mysuru. Sri N Chandrasekhar, Hon. Secretary, SVEI, Mysuru, Dr. T K Umesh senior GC member and former Vice chancellor, University of Mysore, Mysuru graced the occasion and was presided by Dr. M Devika, Principal, Sarada Vilas College Mysuru.

The keynote address for the seminar was delivered by Prof. K Sandeep Prabhu, Department Head and Professor of Immunology and Molecular toxicology, Department of Veterinary & Biomedical sciences The Pennsylvania State University, PA, USA. on the topic **Resolution of inflammation: a new therapeutic frontier.**

The one day seminar covered three sessions on various concepts related to the topic, the first session was on the topic **Neuroinfection and Neuroinflammation** is an underlying mechanism of Neurodegeneration. The session was through online mode handled by Dr. Jayashree Das Shrama, Professor, Department of Biological Sciences, Indian Institute of Science Education and Research (IISER), Kolkata.

The resource person for the second session was Dr. Basavaraj Balapal, Senior Research Scientist, Center for Dementia research, Nathan Klin Institute for Psychiatric research Orangeburg, New York, USA.who shared his insight and research experience with the participants, with more

REPORT OF WORKSHOP ON BASICS BIOINFORMATICS

Sarada Vilas College is the most sought educational institution in the city of Mysuru, which not only has academic excellence but also involves itself in various other activities which fulfill social and environmental objectives, such as the celebration of important National and International days, conducting workshops, seminars, invited talks, organizing processions, awareness programmes, relating to social and environmental issues, which evokes the social responsibilities, among the students.

One such activity was the workshop on '**Basics of Bioinformatics**' organized by the department of Botany on 19th April 2024 for providing the better knowledge of Bioinformatics to the students which also help to their research career. Bioinformatics is the application of tools of computation and analysis to the capture and interpretation of biological data. It is an interdisciplinary field, which harnesses Computer science, Mathematics, Physics, and Biology. Bioinformatics is essential for management of data in modern Biology and Medicine.

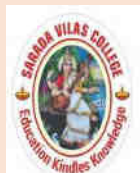

The workshop commenced by the formal inauguration by the resource person and presidential address by Dr. M Devika Principal Sarada Vilas College. The resource person for the workshop was Dr. Kaunian Roohie, Assistant professor, DoS in Biotechnology, Manasa Gangothri, University of Mysore, Mysuru, who had deep insight of Bioinformatics who carried on the workshop in a very interactive way.

The workshop comprised of two sessions: an interactive session and the practical session, interactive session was all about the basics of Bioinformatics, Molecular biology and genetics in which students learned about basic aspects, the practical session was carried in the Bioinformatics lab where each student was taught regarding usage of bioinformatics soft wares such as NCBI, DDBJ, PDB and EBI. The students were also educated about gene sequencing, protein sequencing using these soft wares.

The Workshop concluded by a short valedictory note, both the sessions were very informative to the students as well as faculties which made them to understand the necessity of these interdisciplinary topics in the current era technological research.

SARADA VILAS COLLEGE, MYSURU

DEPARTMENT OF BOTANY

REPORT OF WORKSHOP ON APPLICATIONS OF BIOINFORMATICS

Sarada Vilas College is the most sought educational institution in the city of Mysuru, which not only has academic excellence but also involves itself in various other activities which fulfill social and environmental objectives, such as the celebration of important National and International days, conducting workshops, seminars, invited talks, organizing processions, awareness programmes, relating to social and environmental issues, which evokes the social responsibilities, among the students.

One such activity was the workshop on '**Applications of Bioinformatics**' organized by the department of Botany on **02nd May 2024** for providing the better knowledge of Bioinformatics to the students which also help to their research career. Bioinformatics is the application of tools of computation and analysis to the capture and interpretation of biological data. It is an interdisciplinary field, which harnesses Computer science, Mathematics, Physics, and Biology. Bioinformatics is essential for management of data in modern Biology and Medicine.

The workshop commenced by the formal inauguration by the resource person and presidential address by Dr. M Devika Principal Sarada Vilas College. The resource person for the workshop was Dr. Kaunian Roohie, Assistant professor, DoS in Biotechnology, Manasa Gangothri, University of Mysore, Mysuru, who had deep insight of Bioinformatics who carried on the workshop in a very interactive way.

The workshop comprised of two sessions: an interactive session and the practical session, interactive session was all about the basics of Bioinformatics, Molecular biology and genetics in which students learned about basic aspects, the practical session was carried in the Bioinformatics lab where each student was taught regarding usage of bioinformatics soft wares such as NCBI, DDBJ, PDB and EBI. The students were also educated about gene sequencing, protein sequencing using these soft wares.

The Workshop concluded by a short valedictory note, both the sessions were very informative to the students as well as faculties which made them to understand the necessity of these interdisciplinary topics in the current era technological research.

To,
The President/Hon. Secretary
Sarada Vilas Educational Institution
@Mysore

Sir,

Sub: Seeking permission to organize one day international level seminar in the college on Epigenetics of Neurodegenerative Disorders on 24.02.2024.

With reference to the above subject, I would like to bring it your kind notice that, the departments of Botany & Microbiology have planned to organize a one day international seminar on Epigenetics of Neurodegenerative disorders on 24.02.2024. We have already contacted two accomplished scientists from United States of America and they have accepted our invitation. Both the resource persons are known to us and they have agreed to do it without expecting TA & DA keeping institution & students' academic progress in mind. In addition, we have planned to invite Vice-Chancellor of University of Mysore to inaugurate the seminar and one from DOS in Microbiology or Botany from University of Mysore for the valedictory function. One more resource person by name Dr. Srimonta Gayer, Department of Developmental Biology and Genetic, Indian Institute Science, Bengaluru has also accepted our invitation. Since, it was a long standing dream of Sarada Vilas College to organize an international level seminar, I request you sincerely to permit us and fund us partially so that we can uphold the college reputation and it may even add to our sincere efforts of bringing back the past glory of the institution. Please find attached the rough budget proposal for the seminar and guide us further.

Thanking You

Yours faithfully

Permitted to conduct Seminar.

About the College
Sarada Vilas College, part of the 163 year old Sarada Vilas Educational Institutions was established in the year 1943. It is an intermediate college with Sr. M.S. Ramaswamy as its founder principal, and was upgraded to a degree college in 1952. The college is affiliated to University of Mysore and is re-accredited by NAAC with 'A' grade (CGPA 3.19) in the IV cycle. With its glorious history, Sarada Vilas College has consistently provided quality education and expanded its wings to offer a wide range of courses. It has been awarded BBA in 2013, M.Sc. in 2014, M.Com. in 2017, B.Sc. (Hon's) in 2020-21 and BCA in 2022-23. Our college has produced numerous graduates, each a shining beacon of success in their respective fields. This development has always been in tune with the vision and mission of being a premier institute for excellence in higher education towards producing global quality graduates with a social commitment in the service of the society, and also providing value-based education, nurturing scientific temper, sharpening creative ability and developing all-round personality of students from all sections of the society.

About the Department
Botany: The Department was started in 1963 as Department of Botany and Zoology, and since then, the department has a legacy of imparting quality education to thousands of students with a state-of-the-art laboratory, and good collection of specimens, fossil slides, equipment and a herbarium. The Department has carved a niche in the city of Mysuru in the specific domain & has produced graduates of global standards.

Microbiology: The Department of Microbiology, started in 1993, has a sophisticated laboratory dedicated to explore the microscopic realm. The department's vision is to provide students with profound scientific and technical knowledge, fostering the development of microbiologists who meet the high standards demanded by both industrial and research domains.

About Mysuru City
Mysuru is a city in the Indian state of Karnataka, and the administrative seat of Mysuru District, and it is celebrated for its historical significance and cultural opulence. Mysore served as the capital of the Kingdom of Mysore under the Wodeyar dynasty until 1947. The Wodeyars, as the patrons of art and culture, played a pivotal role in fostering the rich cultural heritage of the city. Renowned as the cultural capital of Karnataka, Mysuru boasts numerous educational, commercial, and administrative centres, with many heritage monuments. It has nurtured renowned musicians, dancers, Sanskrit scholars, writers and intellectuals. The majestic Mysuru Palace, royal mansions, and planned markets stand as testaments to the visionary leadership of the Maharajas, their Dewans and other talented luminaries since 1862. The city's harmony is accentuated by its landmarks, lakes, parks, under the hush drop of Chamundi Hill, enhances its allure.

Places to Visit
Mysuru Palace / Amba Vilas Palace: It is one of India's most renowned tourist destinations, drawing over six million visitors annually, second only to the Taj Mahal. Often referred to as the "City of Palaces," Mysuru is home to seven palatial structures, including this iconic landmark. The original palace, constructed of wood in the 14th century, gave way to the present grand structure, built between 1897 and 1912. It was the official residence of the Wodeyar dynasty. (Distance from college: 2 km)

Chamundi Hills: It is named after the revered Chamundeshwari Temple atop its summit, and has been patronized by Mysuru rulers for centuries. It holds a significant place in local culture and religious reverence. With an average elevation of 1,060 meters, it houses the iconic statue of Nandi, Lord Shiva's vehicle, carved from a single piece of black granite, standing 4.9 meters tall and 7.6 meters long, and located halfway to the temple. Another notable feature is the statue of Mahishasura, wielding a sword and coars. (Distance from college: 13 km)

Mysuru Zoo: Also known as Sri Chamarajendra Zoological Garden, is one of India's oldest zoological gardens, established in 1892 by the then ruler of Mysore, Sri Chamarajendra Wodeyar. Spanning across 250 acres, it offers a diverse range of wildlife experiences. (Distance from college: 2.5 km)

Brindavan Garden: It is a terrace garden, in the KRS Dam complex, and was modelled after Kashmir's Shalimar Gardens. It houses lush green lawns, flower beds and vibrant fountains. Every night it hosts the musical fountain show, a water ballet with lights and music, which is its most enticing attraction. (Distance from college: 20 km)

Lalitha Mahal: Built in 1921 by the then Maharaja Krishnaraja Wodeyar IV to host the Viceroy of India, it is the second largest palace in Mysore. It is now one of India's most opulent hotels that offer an experience of royal living in a royal Maharaja's palace. (Distance from college: 7 km)

Jaganmohan palace: It was built in 1861 by Mumtaz Ali Krishnaraja Wodeyar, in the traditional Hindu architectural style as an alternative royal residence. It is now the Sri Jayachamarajendra Art Gallery, showcasing exquisite carvings, miniature temples, murals, and motifs related to Hindu religion, history, and the lineage of the Mysore royal family. (Distance from college: 3 km)

About the Seminar

The seminar aims to explore the dynamics of neurodegenerative diseases such as Alzheimer's, Parkinson's and Huntington's that are significant challenges to the healthcare systems worldwide due to their progressive nature and lack of effective treatments. It also aims to explore the role of inflammatory responses and their regulation towards epigenetic mechanisms that are pivotal in the onset and progression of these diseases. Epigenetic changes are caused by environmental factors such as diet, stress, exposure to toxins, etc., leading to neuronal dysfunction and degeneration in many neurodegenerative diseases. Understanding the underlying epigenetic mechanisms and the role of inflammation holds promise for development of innovative therapeutic strategies. Organized by the Departments of Botany & Microbiology and the IQAC, this International seminar offers a unique opportunity to explore an emerging frontier for promoting longer and healthier cognitive function.

REPORT OF INTERNATIONAL SEMINAR ON
NEURODEGENERATIVE DISORDERS AND
INFLAMMATION

To align with the vision and mission of being a premier institute for excellence in higher education towards producing global quality graduates with social commitment in the service of society, and to provide value based education, and develop all-round personality of students, the institution organizes this type of seminars.

With this perspective, the Department of Botany, Microbiology and IQAC of the college had organized an **International Seminar on “Neurodegenerative disorders and inflammation”** on 24th February, 2024 which mainly focused on the dynamics of Neurodegenerative diseases such as Alzheimer’s Parkinson’s and Huntington’s that are significant challenges to the healthcare systems worldwide due to their progressive nature and lack of effective treatments. It also aimed to explore the role of inflammatory responses and their regulation to wards epigenetic mechanisms that are pivotal in the onset and progressions of these diseases.

The Seminar was kick started with the formal inauguration and with the key note address. The chief guest of the session was prof. Lokanath N K, Hon’ble Vice Chancellor, University of Mysore, Mysuru. Sri N Chandrasekhar, Hon. Secretary, SVEI, Mysuru, Dr. T K Umesh senior GC member and former Vice chancellor, University of Mysore, Mysuru graced the occasion and was presided by Dr. M Devika, Principal, Sarada Vilas College Mysuru.

The keynote address for the seminar was delivered by Prof. K Sandeep Prabhu, Department Head and Professor of Immunology and Molecular toxicology, Department of Veterinary & Biomedical sciences The Pennsylvania State University, PA, USA. on the topic **Resolution of inflammation: a new therapeutic frontier.**

The one day seminar covered three sessions on various concepts related to the topic, the first session was on the topic **Neuroinfection and Neuroinflammation** is an underlying mechanism of Neurodegeneration. The session was through online mode handled by Dr. Jayashree Das Shrama, Professor, Department of Biological Sciences, Indian Institute of Science Education and Research (IISER), Kolkata.

The resource person for the second session was Dr. Basavaraj Balapal, Senior Research Scientist, Center for Dementia research, Nathan Klin Institute for Psychiatric research Orangeburg, New York, USA.who shared his insight and research experience with the participants, with more

Subject: Request for Permission to arrange a Special Lecture

Dear Madam,

I am writing to seek your gracious permission to organize a special lecture on the occasion of “World Environmental day”- 2023 on the topic “Beat Plastic Pollution” at Sarada Vilas College on June 5, 2023, Monday, at 11:30 AM. The lecture will be delivered by Dr. Basavarajappa S, an eminent authority in the department of Studies in Zoology.

The primary objective of this lecture is to educate our students about the detrimental effects of plastic pollution and to inspire them to adopt sustainable practices. Dr. Basavarajappa S's expertise in this field will undoubtedly provide invaluable insights for our college community.

We assure you that all necessary arrangements will be made to ensure the smooth conduct of the event, and we will comply with any guidelines or instructions provided by the college administration.

Thank you for considering our request. We eagerly await your favorable response.

Thanking you

Your's sincerely,

SPECIAL LECTURE ON “ Beat Plastic Pollution”

REPORT

The department of Zoology organized a special lecture on the occasion of “World Environment Day- 2023” having the theme “Beat Plastic Pollution” on 5th of June 2023.

To create awareness among the students and employees of the college about the hazards created by the plastic and to adapt ways to minimize plastic usage, a special lecture was held in the Zoology laboratory at 11.30 PM. Dr. Basavarajappa, Chairman, Department of Studies in Zoology, Manasagangothri, Mysuru, was the chief speaker. Dr. Basavarajappa enlightened the gathering with his knowledge on invention and use of plastic, its negative impacts on the environment and solutions to plastic pollution. By the end of the session, all the students pledged to reduce the use of plastic.

The efforts & dedication of students as well as faculties was appreciated by the principal and the management of the institution.

The encouragement and appreciation shown by the Principal Dr. M Devika has always been the driving force for all the departmental activities for which the department members feel thankful and grateful.

Madam,

Sub: Regarding organizing a session on ‘Career Opportunities in Physical Sciences on 24/04/2024

As suggested by you, the departments of physical sciences (Physics, Chemistry, Mathematics and Computer Science) have decided to invite Dr. Kiran P, our alumnus and also the research scholar at IIT Dharwad for a career guidance session on 24 April 2024. We are writing this letter seeking your permission for organizing the event. Hoping that you would approve our request, we will submit another letter regarding the budget required for the event.

Thank you

Yours faithfully

Participants Final and Second year B.Sc. students	Venue AV Hall

Brief Report

Dr. Kiran P, an alumnus of Sarada Vilas College, oriented the students of the third and second years on the various opportunities in their respective areas for higher studies.

Starting by describing his academic journey, Dr. Kiran explained the various degrees one can pursue after B.Sc. He also explained the channels for the same. The important channels that he discussed were the various national-level entrance examinations such as GATE, JAM, TIFR, CMI, etc. He also explained various other benefits including the monetary benefits such as fellowships if one entered any premier institutions of the country.

Stage Chemistry: Neuro-psychiatric Disorders on Stage

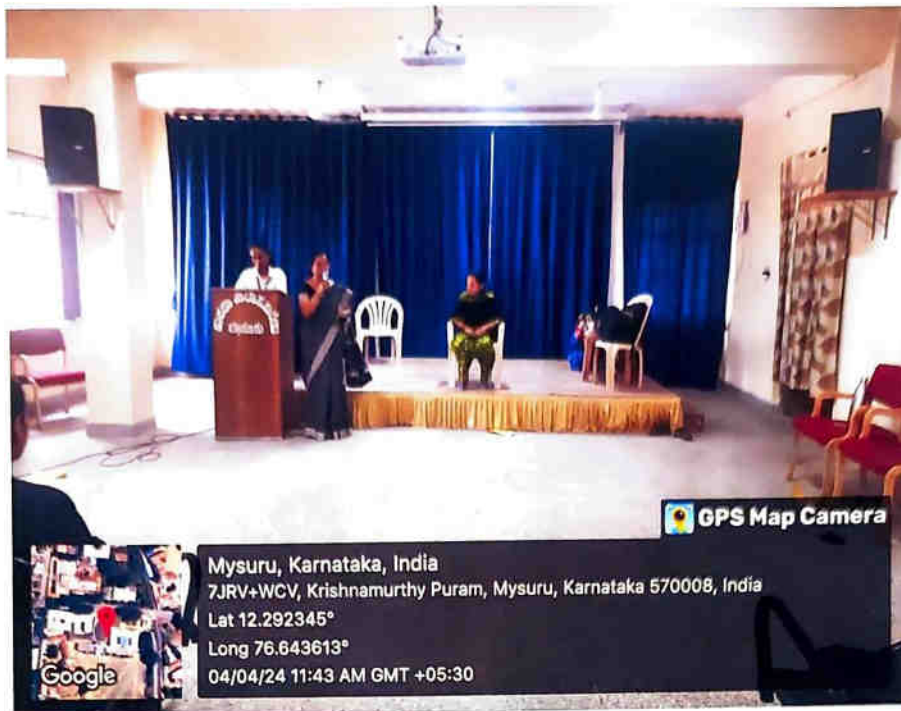

The Department of English in collaboration with IQAC, had organized a play titled 'Stage Chemistry: Neuro-Psychiatric Disorders on Stage' on April 4, 2024 at Sarada Vilas College which aimed at combining entertainment with educational value and thus fulfilling the twin obligation.

The chief guest for the event was Dr. R. Purnima, formerly an English professor at KSOU in Mysore and currently serving as the Director of the Children's Literary Club in Mysore.

She enacted solo while encompassing a wide range of conditions affecting the brain, spinal cord and nervous system. Hence the play included the context of Alzheimer's and Parkinson's, mood disorders like depression and anxiety, autism spectrum disorder, epilepsy and multiple sclerosis with their unique characteristics, causes as well as ongoing research on these complex conditions. She involved students while displaying the trauma of the character. Sri. N. Chandrashekar. Hon. Secretary, SVEI(R) graced the occasion.

Dr. M. Devika, principal of SVC, presided over the program who appreciated this innovative play for its educational value which enlightened the students beyond curriculum to initiate the young to new knowledge and encourage further exploration. All the faculty members, BSc and BCA students were present in the program.

International Five days' Faculty Development Programme-Recent Developments in Research & Research Methodology in Social Science

Date: 06th to 10th of June 2024 Platform: Google Meet

Organized by
**IQAC & Department of Commerce and
Business Administration**
PG Centre M.Com

About the Institute: The saga of Sarada Vilas Educational Institutions began in the year 1861 when His Highness Mummadi Sri. Krishnaraja Wodeyar, directed his court man Rao Bahadur Sri. Bhakshi Narasappa to start an Educational Institution in Mysore so as to make the town a Centre for Education. In keeping with the desire of the king, Sri. Narasappa founded a school and named it Sarada Vilas Anglo-Sanskrit School. In the beginning, it was housed in a temple. In 1899, the king formed a Governing Body to manage the affairs of the school. Sri. M. Venkatakrishnaiah, popularly called Tataiah, was named as Secretary. He was mainly instrumental in developing the Institution. In 1904, the school was shifted to the Lansdowne building. The High school section was started in the year 1917 which was shifted to its own building, Krishnamurthypuram in 1931.

About The College: Sarada Vilas College is one of the educational institutions managed by Sarada Vilas Educational Institutions. It was established in the year 1945 as an intermediate college and later upgraded as Degree College in 1952 with B.Sc course. Since then it is giving a quality education in the field of science. The college expanded its academic activities in the field of Commerce and Business Administration from the year 2013, offering B.Com and BBM/BBA. It has also entered to the post-graduation courses offering M.Sc & M.Com.

About the Department: In addition to its academic activities, the department encourages the students to take up professional courses like CA, CS, and CMA. Batch wise students are trained for Tally Certificate courses. Soft skills, Stock Market Analysis and Budget Analysis are also encouraged. The students are also trained to face the PG entrance examination and other competitive examinations for placements after their Graduation.

About the Faculty Development Programme: Research is a careful investigation of study regarding to a particular problem using scientific methods. Research Methodology is a systematic study to describe & explain the observed phenomenon. It involves systematic gathering of data, analyzing and interpretation for advancement of knowledge in Social Science. A Five day - FDP on Research and Research Methodology is being organized by the Department of Commerce & Business Administration, PG Centre-M.Com, Sarada Vilas College as an online programme with working sessions using Google platform with topics such as Predictive Analytics in finance & Commerce, Ethical issues in Research, Implementation of Research in Teaching Nexus in Commerce, Parametric Tests used in Research, Machine Learning in Business - Tools & Techniques and Harnessing of AI for Research in Commerce & Management are dealt with by experts in the concerned fields. This FDP is aimed at incubating prospective researchers for pursuing their doctoral works.

About the Institute:

The saga of Sarada Vilas Educational Institutions began in the year 1861 when His Highness Mummadi Sri. Krishnaraja Wodeyar, directed his court man Rao Bahadur Sri. Bhakshi Narasappa to start an Educational Institution in Mysore so as to make the town a Centre for Education. In keeping with the desire of the king, Sri. Narasappa founded a school and named it Sarada Vilas Anglo-Sanskrit School. In the beginning, it was housed in a temple. In 1899, the king formed a Governing Body to manage the affairs of the school. Sri. M. Venkatakrishnaiah, popularly called Tataiah, was named as Secretary. He was mainly instrumental in developing the Institution. In 1904, the school was shifted to the Lansdowne building. The High school section was started in the year 1917 which was shifted to its own building, Krishnamurthypuram in 1931.

About the College

Sarada Vilas College, part of the 163 year old Sarada Vilas Educational Institutions was established in the year 1945 as an intermediate college with Sri M.S. Ramaswamy as its founder principal, and was upgraded to a degree college in 1952. The college is affiliated to University of Mysore and is re-accredited by NAAC with "A" grade (CGPA 3.19) in the IV cycle. In its 78-year glorious history, Sarada Vilas College has consistently provided quality education and expanded its wings to offer B.Com. and BBA in 2013, M.Sc. in 2014, M.Com. in 2017, B.Sc. (Hon's.) in 2020-21 and BCA in 2023-24. Our college has produced countless graduates, each a shining beacon of success in their respective fields. This development has always been in tune with the vision and mission of being a premier institute for excellence in higher education towards producing global quality graduates with social commitment in the service of the society, and also providing value-based education, nurturing scientific temper, sharpening creative ability and developing all-round personality of students from all sections of the society.

Guidelines :

Duration: All courses are offered for a minimum of 30 hours, providing in-depth learning and engagement.

Batch Size: Each batch will consist of a of 35 students to ensure a collaborative learning environment and effective interaction.

Registration Policy: Once registered, cancellations are not permitted. Please ensure your commitment before enrolling.

Schedule: Courses will be conducted out of regular hours to accommodate various schedules, allowing flexibility for all students.

Attendance: Regular attendance is crucial. Missing classes may affect your understanding and overall performance.

Participation: Active participation in discussions and activities is encouraged to enhance the learning experience.

Assessment: Be prepared for assessments and assignments, which will contribute to your overall evaluation.

Materials: Required materials and resources will be provided. Ensure you have access to these for optimal learning.

Support: If you have any questions or need assistance, please reach out to your instructor of the respective course or department during office hours.

By following these guidelines, you can maximize your learning experience and contribute positively to the course environment.

Subject: Requisition for permission to conduct the certificate course for Physical Science students

Respected Madam,

As mentioned in the above subject, I am writing to seek your permission to conduct a certificate course on "Electrical Instruments" for the physical Science students. The main objective of the course is to make the students skilful in identifying the electrical components which they encounter in their daily day activities and also make them capable of having the required qualification and practical skill to sustain in many fields concern in the electrical and electronic industries.

The duration and the mode of assessment will be intimated later. I kindly request you to permit the conduction of the certificate course. Your support will be invaluable and appreciated.

Thank you

This is to bring to the kind notice that a meeting is scheduled at 11.30 am on 07-9-2023.

Agenda of the meeting

To discuss about conducting of certificate course for the students. This will enhance their knowledge and skill orientation.

The departments have to present the certificate courses which they are offering, course details, time duration, outcome and concerned faculty in charge to be appointed.

All the Heads of department should take initiatives in organizing these certificate courses which will be benefitted to students along with the supportive curriculum.

Resolutions for meeting held on 14/9/2023

1. The department held a meeting on 14/9/2023 along with Principal & IQAC coordinator and staff members. The department decided to start the certificate course on “ELECTRICAL INSTRUMENTS”.
2. The course focuses on enhancement of knowledge and skill in “ELECTRICAL INSTRUMENTS”.
3. The course is mainly offered to students to bring awareness about, various electrical equipment's available in electrical industries which function on the principles of Physics.
4. The syllabus of the course is discussed and presented in the meeting and approved in the BoS.
5. The duration of the course is 30hrs.
6. Mr. Prathap M R & Mr. Dhanushchandraguru H M is the in charge faculties of this certificate course.
7. The classes will be conducted from 30/09/2023 to 16/12/2023.
8. The detail time table is attached with this resolution.
9. The attendance of students has to be maintained.
10. The students will be awarded with a certificate after completion of this course.

Department of Mathematics

Minutes of Meeting

Date: 22 December, 2023

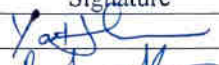

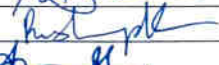

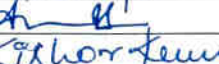

Time: 10:30 am – 11:30 am

Place: Department of Mathematics

Agenda:

- Taking stock of the events of the semester finished. Collecting the feedback from the staff on what went well and what could have been done better.
- Planning events for the coming semester.

Member present:

Sl. No.	Name	Designation	Signature
1	Dr. Yathirajsharma M. V.	HoD of the department	
2	Dr. Pushpa K	Asst. Professor	
3	Mr. Akash G S	Asst. Professor	
4	Mr. Kishore Kumar K	Asst. Professor	

Proceedings:

- Dr. Yathirajsharma opened the discussion by asking members to share their opinions. According to almost all the members, the duration of these odd semesters was less. Yet, the syllabi could be completed by taking extra classes.
- Although the syllabi could be completed, members pondered upon the improvement required in the modes of assessments.
- The department had planned to organize a workshop on maxima in the odd semesters of 2023-24. But, this could not happen due to various reasons. The department planned to organize it in the coming semesters.
- Members also came up with a novel idea of 'Learn and Earn'. For this, it was decided to offer a certificate course on something which the department could use and that would also help students earn. LaTeX Typesetting was chosen to be the course.
- HoD stressed on writing articles on blog and also to encourage students to write articles on our blog.

Meeting Minutes

Date: 22nd February, 2024

Place: Principal's Chamber

Time: 09:30 am to 10:00 am

Agenda of the meeting:

- To discuss the certificate program to be offered by the Department of Mathematics as a part of the Learn and Earn program.

Members present:

Sl. No.	Name	Designation	Signature
1	Dr. M Devika	Principal, SVC	
2	Smt. Suganthi S. Singh	Coordinator, IQAC

4	Mr. Akash G. S.	Asst. Professor, Dept. Mathematics	
5	Mr. Kishore Kumar K	Asst. Professor, Dept. Mathematics	

Proceedings of the meeting:

- Dr. Yathirajsharma proposed the idea of starting the certificate course as a part of the Learn and Earn program.
- Members discussed the relevance of LaTeX software in the current scenario.
- Dr. Devika M instructed to form a committee involving an external expert to frame the syllabus and the framework for the certificate course.
- A suggestion came to work out everything under the guidance of Prof. K. R. Vasuki, Chairman, Department of Studies in Mathematics, Manasagangothri, University of Mysore, Mysuru.
- Dr. Yathirajsharma was chosen as the coordinator for the certificate course.
- As the program involved some monetary aspects, it was suggested to frame a policy which could be put before the management for discussion.

Meeting Minutes

Date: 16th February, 2024

Place: Principal's Chamber, Sarada Vilas College

Time: 5:00 pm to 6 pm

Agenda of the meeting:

- To discuss the syllabus for the certificate course on "LaTeX typesetting"
- To discuss the framework for the same

Members present:

Sl. No.	Name	Designation	Signature

4	Mr. Akash G. S.	Asst. Professor, Dept. Mathematics	
5	Mr. Kishore Kumar K	Asst. Professor, Dept. Mathematics	

Proceedings of the meeting:

- Welcoming the members and thanking the external expert, Prof. K. R. Vasuki for accepting the request to guide, Dr. Yathirajsharma explained the syllabus framed under the guidance of Prof. K. R. Vasuki.
- Members discussed on the framework of the course. The following recommendations were given:
 1. The course should be for 30 hours and it should incorporate assessment and criteria for completion.

2. Assessments could be conducted for 50 marks out of which there should be compulsorily a typeset skill test. Apart from this, assignments, quizzes, group discussions, and classroom participation could be used for assessments.
3. The following criteria were suggested for the completion of the course:
60%-70% of attendance and 40% or above assessment score or
Above 70% attendance and 30% or above assessment score.

If the candidate has less than 60% attendance or less than 30% of marks, then he/she should not be declared as completed the course.

- Following outcomes were fixed for the certificate course:

At the end of the course, students

- would describe different typesetting tools and compiling tools for accessing LaTeX.
- would install TeX studio and Miketex.
- would exhibit the understanding of preamble and body of a document in TeX.
- would typeset various mathematical symbols, objects, syntax and equations through \TeX studio.
- would insert graphics, boxes, tables using TeX studio.
- would create resume, letters and graphs in TeX studio.
- would do on Overleaf all they have done on TeX studio.

- The following syllabus was approved in the meeting:

Sl. No.	Topic	Description
1	Introduction & Installation	Introduction to LaTeX - Necessity and advantages & Installation of MikeTex and Texstudio
2	Platforms & Preamble	Different typesetting platforms, Understanding in detail Texstudio window & Preamble of document
3	Document Classes	Different classes available in LaTeX
4	Basics of typesetting	Basic alignment/paragraph writing/line spacing/word spacing/margin/font coloring/font size/font style/vertical, horizontal spacing/underline/overline/other related stuff
5	Mathematical Typesetting	Mathematical Typesetting - Basic symbols/commands for mathematical typesetting - packages required
6	Environments	Various environments - equation, align, multiline, labeling them and ecrefereing them

7	Tables	Creation of tables (various kinds), naming the tables, alignments
8	Boxes	Creation of text box, color textbox, minipage, Inserting an image
9	New Commands	Renewing commands, creation of new environments, itemizing
10	Sectioning	Creation of sections, and subsections, susbsubsections and naming the equations, definitions etc. as per the section
11	Graphs	Drawing graphs on Latex
12	Introduction to Beamer	Preparing presentations

Madam,

Sub: Regarding commencing the Certificate Course on LaTeX from 18th March 2024

With reference to the letter dated 20/02/2024, as a part of the "Learn & Earn" program, we are commencing the certificate course on "LaTeX Typesetting" on 18th March 2024. The course has been designed for 30 hours and I have attached the syllabus of the course with this letter. We are planning to run the course every day from Monday to Saturday from 9:30 am to 10:30 am. This time has been decided by looking into the timetables of various courses. We have also planned to organize a small inauguration of the certificate course on 18th March 2024 at 9:30 am for which we are anticipating your presence as the chief guest. We have requested resource persons from outside the college to train our students in various areas of LaTeX typesetting. As of now, two resource persons from Vidya Vardhaka College of Engineering and one from NIE Engineering College have agreed to come as resource persons for about 15 hours. The rest of the training will be facilitated by Dr. Pushpa K and Yathirajsharma. I thank you for your support and encouragement in organizing such skill-based training for our students.

Thank you

Yours faithfully

(Yathirajsharma M V)

LEARN AND EARN

Program

The department of Mathematics requires candidates for typing the notes in LATEX. The department is creating a scope to earn by learning LATEX. The interested candidates will be taught LATEX for 30 days and the eligible ones will be taken for the typesetting work. Based on the amount of work, selected candidates will be paid.

Skills/Abilities looked for:

- Interest to learn new things.
- Basic typing skills. .
- Commitment to learn and work.
- Basic knowledge of mathematics (is desirable, not compulsory if you can catch things quickly).

Who can apply for this?

Anyone studying B.Sc. in Sarada Vilas College (any year)

Whom to contact:

Please fill your details in the following google form link:

Certificate Course on "Introduction to L^AT_EX typesetting"

REPORT

Background

A new idea, namely, 'Learn and Earn' emerged in one of the department meetings held in February of 2024. That is, we would teach students something and in turn help them to earn using what they have learned. As a try out, it was decided to offer a certificate course on introduction to L^AT_EX typesetting and then use the typesetting skills of students to convert all the handwritten materials in the department to typed ones. With this idea, the department offered the certificate course on "Introduction to L^AT_EX typesetting" and kept it open for all science stream students irrespective of the year in which they were studying.

L^AT_EX is a markup language for typesetting documents, especially the ones involving mathematical equations. This has lot of advantages over the commonly used word document. Currently, most of the textbooks of Mathematics (or any subject involving mathematical equations), journal articles, magazine articles are typeset using L^AT_EX mainly for the neatly looking output and also for various user control offered by L^AT_EX while typesetting. One reason L^AT_EX may be essential for students is that many students of science background may pursue higher studies where they might have to submit reports of thesis or their study or dissertations. Knowing L^AT_EX may be advantageous for them. Further, market has already started offering typesetting jobs through L^AT_EX. Apart from these, it is possible, just like that in Microsoft applications, one can create resume, write letter, make presentations and draw graphs using a single L^AT_EX application.

Basic information

1. Title: Introduction to Latex Typesetting

2. **Duration.** 30 Hours
3. **Number of students enrolled.** 37
4. **Number of students completing course.** 33
5. **Number of resource persons.** 5
6. **Course start date.** March 18, 2024.
7. **Course end date.** May 6, 2024.

Processes - briefly

1. A committee comprising of internal and external members was formed to decide the syllabus and framework for the certificate course.
2. Syllabus and the criteria for completion of the certificate course were framed and approved in the committee.
3. A google form was sent to students for registration on February 20, 2024.
4. After registration, along with the time table another google form was sent to take the confirmation from the students on March 7, 2024.
5. Certificate course was inaugurated on March 18, 2024.
6. Classes were conducted from March 18, 2024 to May 6, 2024.
7. Valedictory and certificate distribution were held on June 6, 2024.

Details

1. **Committee.** On (date) a committee was formed for deciding the syllabus and the framework of the course. The committee comprised of following members

Dr. M. Devika
 M.Sc., M.Phil., Ph.D.
 Principal
 Sarada Vilas College,
 Krishnamurthypuram, Mysuru

Sl. No.	Name of the member	Designation	Role in the Committee
1	Smrt. Suganthi S. Singh.	Coordinator, IQAC	Convener
2	Dr. M. Devika	Principal, SVC	Member
3	Dr. K. R. Vasuki	Professor DoS in Mathematics University of Mysore	External Expert
4	Dr. Yathirajsharma M V	HoD, Dept. Mathematics SVC	Member Coordinator for course
5	Mr. Akash G. S.	Asst. Professor Dept. Mathematics, SVC	Member
5	Mr. Kishore Kumar K.	Asst. Professor Dept. Mathematics, SVC	Member

2. **Framework of the course.** The course would be for 30 hours with the following outcomes: At the end of the course, students

- would describe different typesetting tools and compiling tools for accessing \LaTeX .
- would install \TeX and Miketex.
- would exhibit the understanding of preamble and body of a document in \TeX .
- would typeset various mathematical symbols, objects, syntax and equations through \TeXstudio .
- would insert graphics, boxes, tables using \TeXstudio .
- would create resume, letters and graphs in \TeXstudio .
- would do on Overleaf all they have done on \TeXstudio .

The committee decided to set some criteria for the completion of the course. One of the following two should be met to declare that a student had completed the course:

- 60%-70% of the attendance and minimum of 40% of marks in the assessments.
- 70% or above of the attendance and minimum of 30% of marks in the assessments.

3. **Assessments.** It was decided that any of the following kind of assessments could be conducted: Knowledge based test, typesetting test, assignment, classroom participation, quiz and group presentations. Following model was adopted for continuous assessment:

4	Mr. Shibu Andia	Asst. Professor VVCE, Mysuru	Minipage and Boxes
5	Mr. Anand	Asst. Professor VVCE, Mysuru	TekCad and Geogebra

5. **Result.** Out of 37 students who enrolled for the course, 33 students completed the course with various grades. Assessments were conducted for 50 marks and the marks were converted to course grade points. The following grading pattern was followed.

(a) $> 8.5 - 10.0$: A+ grade.

(b) $\geq 7.0 \leq 8.5$: A grade.

(c) $\geq 6.0 < 7.0$: B+ grade.

(d) < 6.0 : B grade.

Result Analysis is as follows:

Sl. No.	Grade	% of students who got the grade
1	A+	11%
2	A	27%
3	B+	5%
4	B	46%
5	Not cleared	11%

COURSE OUTCOME

COURSE TITLE: HYDROPONICS

On completion of this course, the students will be able to

- Understand the basics of several common hydroponic systems
- Understand the importance of pH in hydroponic crop production and how changes in pH can impact crop production.
- Know how to evaluate crop quality/performance, and diagnose and correct/prevent common plant nutritional and physiological disorders.
- Learn to apply key principles of plant science, soil and water chemistry, and mathematics to the production of sustainable hydroponic and greenhouse crops
- Learn to diagnose, problem-solve, and prevent common production issues in hydroponic crops

Subject: Request for Permission to Conduct Certificate course for Life Science Students.

Respected Madam,

I am writing to seek your permission to conduct a certificate course on "Apiculture" (Bee keeping) for life science students. The objective of this course is to develop knowledge and skills related to scientific Bee Management practices.

Beekeeping is a low investment and skill Industry having the potential to offer direct employment to lakhs of people especially hill dwellers, tribal and unemployed youth and farmers. Sustainability of this industry is therefore vital to the country's economic wellbeing and development. The duration and mode of assessment will be intimate later. I request you to kindly give permission to conduct this course.

Your approval and support for this initiative will be invaluable and greatly appreciated.

Thank you

Yours sincerely,

The department meeting was held on 14/09/2023 at 10.30 am in the Zoology lab to conduct the certificate course.

Agenda of the meeting:

- To conduct certificate course
- Syllabus discussion
- Student enrollment
- Timetable

Proceedings of the meeting:

- As discussed in the previous meeting with principal, we planned to conduct certificate course on “ Apiculture”
- Syllabus was discussed.
- Number of student enrollment was finalized and a circular related to the certificate course was prepared and displayed on the department notice board.
- Time table was prepared and workload was distributed among the department faculties.

The meeting was concluded by Smt. Shakunthala after summarizing the proceedings and remarks.

APICULTURE

SYLLABUS

Total duration: 30 Hours.

- Unit – 1 : Introduction to Apiculture: scope and importance** 6 hrs.
- History of beekeeping: Definition, Beekeeping worldwide and In India. Traditional beekeeping, Modern beekeeping, Urban or backyard beekeeping. 4 hrs.
 - Role of Central Honey Bee Research & Training Institute 2 hrs.
- Unit – 2 : Honey Bee morphology, Anatomy and Life cycle** 8 hrs.
- Basic concepts of morphology of Honey bees 1 hrs.
 - Types of honey bees- indigenous, exotic, Species of honey bees. Origin, systematics and distribution of honey bees. 3 hrs.
 - Social organization in honey bees: Colony life and social organization – Queen, drone, worker. 2 hrs.
 - Study of Social behavior of honey bees: Attack, Bee Dance Annual biological cycle of the bee colony, Migration of Bees. 2 hrs.
- Unit – 3: Honeybee Enemies and Diseases** 8 hrs.
- Bee enemies – Enemy: Mites, Wax Moths, Ants, Bee Eaters, Garden Lizards, Bears 2 hrs.
 - Disease management - Identification of symptoms of Nosema, Sacbrood Virus, Thai sac brood virus, American foulbrood, and European foulbrood diseases. 4 hrs.
 - Preventive and control measures of the diseases, Vit B supplementation, Management of Dehydration. 2 hrs.
- Unit – 4: Beekeeping: Tools and Equipment.** 4 hrs.
- Basic requirements for beekeeping start up BIS standard Tools used in apiculture. 2 hrs.
 - Introduction to types of bee boxes and Their Parts. 2 hrs.
- Unit – 5: Honey Processing and Beehive Products** 4 hrs.
- Honey - its properties and application in various fields Honey extraction & handling - Quality control standards, Processing of honey 2 hrs.
 - Other valuable by-products of honey bees – Wax, Bee venom & Royal jelly extraction. 2hrs.

COURSE OUTCOME

- On completion of the course, students will be able to understand overall aspects of Apiculture, namely, the morphology, anatomy, and life cycle of honey bees, highlighting their social organization within colonies.
- This course creates awareness among students about the economic importance and suitability of Apiculture in Indian conditions.
- Students will learn various technologies involved in Apiculture.
- Know the different components and chain link of the Apiculture industry.
- Students will gain knowledge in honey processing techniques, including extraction, handling, and adhering to quality control standards, and explore additional bee products.

REPORT

The department of Zoology conducted an add-on certificate course titled "Apiculture" with a duration of 30 hours with a strength of 38 students. Apiculture, or Honey Bee rearing, is the cultivation of bee hives for the production of honey and beehive products.

The 'Apiculture' is the study of rearing of honeybees, Components of Apiculture and entrepreneurship. This course provides job opportunities in private sectors.

The professionals can practice in research centers, agricultural fields, and development centers. Their expertise fosters agricultural resilience and supports diverse industries dependent on bee-related products.

The classes were held every Saturday. Mrs. Asra Mohammadi was the coordinator of the course. The students were issued certificates after successful completion of the course.

Minutes of Meeting on Add-on Certificate Course

The meeting on the add-on certificate course for final year B.Sc., BMBT students for the academic year 2023-24 by Department Of Biotechnology was held on 02/03/2024 at the department in the presence of the Principal and IQAC co-ordinator.

Agenda :

1. Design and title of the Course.
2. Allotment of faculty and their responsibilities.
3. Planning of course duration.
4. Preparation of assessment procedure.

Members present for the meeting :

Sl. No.	Members name	Signature

4.	Sri. Tribhuvan K. R. (Course in-charge)	
5.	Sri. Abhilash H.S. (Course in-charge)	

Points Discussed & Meeting Resolutions :

1. The course plan was designed around the topics of microbial culture media preparation, methods for isolation of pure culture, and preservation of pure cultures.
2. The course was titled "**Bioinformatics - Applications and Techniques**" and was scheduled to be held between 02/03/2024 to 18/05/2024.
3. The total duration of 30 hours was allotted to the course with 14 hours of theory and 16 hours of practical sessions.
4. Sri. Tribhuvan K.R. and Sri Abhilash H.S., were nominated the faculty in-charge for the certificate course.
5. The prepared syllabus was scrutinized for time feasibility and was approved.
6. The outcome of the course and the details of award of certificates to students were also discussed.
7. The pattern of attendance and assessment procedure was also finalized.

Unit I - Bioinformatics and the Internet:

- 7 H

Introduction to Internet: Internet basics, connecting to the internet, electronic mail, File transfer protocol, the World Wide Web.

Biological Databases: DNA databases, Genbank, EMBL, DDBJ, protein sequence databases, PIR, PSD, SWISSPROT, dendrograms, gene families phylogenetic and mutation studies databases, literature databases (searching and downloading).

Unit II - Information retrieval from databases:

- 7 H

Database similarity searching: FASTA, BLAST search, sequence alignment global alignment, local alignment, sequence aligning ClustalW, ClustalX, DIALIGN2, Multalin, Navigating the NCBI website, OMIM, PubMed.

Proteomics: Protein identity based on composition, physical properties based on sequence, motifs and patterns, secondary structure and folding classes, special structures or features, tertiary structure Predictive methods using protein sequences, Human Genome Project.

Practical

- 16 H

1. Navigating the Biological Databases- NCBI, EMBL, PDB, DDBJ, Swiss-Prot, Uni-Prot.
2. Searching Nucleotide & Protein sequences from Biological Databases.
3. Tools of Bioinformatics- BLAST & FASTA.
4. Sequence similarity searching - Pairwise & Multiple sequence alignment.
5. Protein structure visualization using RASMOL.

Course Outcome of add on Certificate Course on
“Bioinformatics – Applications and Techniques”

Upon successful completion of the Bioinformatics course, students will be able to:

- ❖ Understand Internet Fundamentals and demonstrate understanding of concepts of internet and the World Wide Web.
- ❖ Utilize Biological Databases and effectively use various biological databases for accessing DNA and protein sequences, phylogenetic information, gene families, and literature.
- ❖ Conduct Information Retrieval and perform information retrieval using tools such as NCBI, OMIM, and PubMed, and demonstrate the ability to search for relevant scientific literature.
- ❖ Perform Sequence Alignment and apply sequence alignment techniques to analyze nucleotide and protein sequences.
- ❖ Analyze Proteomic Data and Interpret protein identity based on composition, physical properties, motifs, and patterns.
- ❖ Explain the significance of secondary and tertiary structures in protein folding and function, and discuss predictive methods for protein structure determination.
- ❖ Engage with Bioinformatics Tools for database searching and analysis, including sequence similarity searching, protein structure visualization and the interpretation of results.
- ❖ Explore Genomic Studies and understand the implications and findings of the Human Genome Project and its significance in genomics and proteomics research.
- ❖ Apply practical skills and manipulate biological databases, perform pairwise and multiple sequence alignments, and visualize protein structures, demonstrating hands-on experience in bioinformatics practices.

Course Length : 30 Hours

Course Duration : 02/03/2024 to 15/05/2024

Class timing : Saturday 2 to 4 pm.

Course in-charge : 1. Sri Tribhuvan K. R.

2. Sri Abhilash H. S.

No. of Participants : 28

The Department of Biotechnology conducted an add-on certificate course of 30 hours titled *"Bioinformatics - Applications and Techniques"* duration for the final year B.Sc. BcBt, MbBt & MbBc students of Sarada Vilas College as a tool for empowering them with the basic skills necessary to flourish in the field of Biotechnology.

Sri. Tribhuvan K.R. and Sri. Abhilash H.S., Assistant professors, Dept. of Biotechnology, Sarada Vilas College were in-charge of the course curriculum. A total of 28 students took part in the course. The students underwent theoretical and practical training in various techniques and methods used in basic microbial studies. The students were assessed upon completion of the course and were issued certificate of participation in the add-on course.

CURRICULUM FOR ADD ON CERTIFICATE COURSE

Course title: Cancer Biology

Unit I:

Cell cycle, regulation of cell cycle. Mutation that causes changes in signal molecule. Effect of receptors, tumor repressor genes, dys regulation of cell cycle. Different forms of cancer, development of cancer, tumor markers. Malignant tumor and benign tumor

Unit II:

Carcinogens, theory of carcinogenesis, chemical carcinogenesis, physical carcinogenesis, X-ray radiation - Mechanism of radiation carcinogenesis. Signal targets and cancer. Activation of kinases, oncogenes, proto-oncogenes activity, growth factors related to cancer transformation and metastasis.

Unit III:

Detection of cancer, use of signal targets towards therapy of cancer. Different methods of therapy: Chemotherapy, radiation therapy, gene therapy and immune therapy. Brief account of apoptosis

Practical Communication Skills
2023-24

Outcome:

The following are the advantages for students after completing this course:

In many facets of life, effective communication is fundamental to success. Language plays an important role as the main medium for learning in both formal and informal educational settings.

This certificate programme aims to gradually enhance students' LSRW (listening, speaking, reading, and writing) abilities using a communicative approach to teaching and gaining a foundational grasp of language. Additionally, it might help them with grammar and vocabulary. As a result, students may be able to apply to graduate programmes and pursue careers as writers, editors, researchers, etc. Students improve their writing abilities and communication skills as a result of this. Furthermore, this certification validates their skill set and lends legitimacy to prospective employers.

Report on the Certificate Course

In order to support final-year BSc students with their professional development and exam preparation, we arranged a certificate course on Basic English grammar and conversational abilities for the academic year 2023–2024. In accordance with their fifth semester, the classes ran from September to December for three months. Since the goal is to improve a student's capacity to utilize the global language for their own well-being, the schedule is designed such that the teacher must pay close attention to each student's performance in class. Thirty students in total registered for the course; we divided them into two batches, with each batch attending two courses per week.

Outcome:

The following are the advantages for students after completing this course:

In many facets of life, effective communication is fundamental to success. Language plays an important role as the main medium for learning in both formal and informal educational settings.

This certificate programme aims to gradually enhance students' LSRW (listening, speaking, reading, and writing) abilities using a communicative approach to teaching and gaining a foundational grasp of language. Additionally, it might help them with grammar and vocabulary. As a result, students may be able to apply to graduate programmes and pursue careers as writers, editors, researchers, etc. Students improve their writing abilities and communication skills as a result of this. Furthermore, this certification validates their skill set and lends legitimacy to prospective employers.

Add on/Certificate course on 'Phases of Kannada Literature'

2023-2024

Background

Kannada language plays a vital role as it is mandatory in competitive exams. This course has been designed to inculcate Mother tongue in a flaw less manner and to make students aware of the heritage of the language regarding its grammar, history, error-proof writing and its modernism. The glory of the language dates back to centuries has its own script. Along with that the purpose is to instill a love of language and reading habits.

Eligibility for admission into the course and structure

Any final year B.Com, BBA student studying in Sarada Vilas College during 2023-2024 is eligible for this course. The course is of 30 hours duration (distributed over two or three months).

Eligibility for certificate

A candidate fulfilling all the below mentioned criteria are eligible for the certificate.

Background:

As part of their commitment to women's empowerment, the Mahindra Group has launched the Mahindra Pride Classroom program as a key initiative under their Corporate Social Responsibility (CSR) efforts. This program, guided by the tagline "Employability with Empathy and Emotion," aims to equip young women with crucial life and soft skills needed to navigate today's complex society.

To implement this initiative, Mahindra has partnered with the Naandi Foundation, one of India's largest and fastest-growing social sector organizations dedicated to eradicating poverty in the country. Together, Mahindra and Naandi are delivering soft skills training to young women across India.

In the 2023-24 academic year, this collaboration continued with a focused 5-day training program on "Employability Skills." The 30-hour course was conducted from October 3rd to October 7th, 2023, targeting final-year female students to better prepare them for the workforce.

Formalities:

Inauguration

On day one, that is 3rd October 2023, the 5-day training program was inaugurated by Sri. N. Chandrashekar, Hon. Secretary, Sarada Vilas Educational institutions in the presence of the resource person Sri. Suresh Sastry from Naandi Foundation and Dr. M. Devika, Principal of Sarada Vilas College. Sri. N. Chandrashekar, Hon. Secretary of SVEI also spoke on this occasion praising the unique efforts of Sarada Vilas College in equipping the students with necessary skills for the current scenario. Recollecting the previous connections with Sarada Vilas College, Mr. Suresh Sastry expressed his

excitement to conduct the 5-day training. Dr. M. Devika, Principal, Sarada Vilas College delivered the presidential address requesting students to make use of bunch of opportunities created by the college.

A total of 59 girls of final year of B.Sc., B.Com, and B.Sc.(Hons') DS and AI were present in the inaugural ceremony.

Valedictory

On the fifth day of the training program, October 7th, a valedictory event was held. The event was graced by Dr. M. Devika, Principal of Sarada Vilas College, Smt. Suganthi S. Singh, IQAC Coordinator, Dr. Jyothi N, Head of the Department of Commerce and Business Administration, and members of the Career Guidance and Placement Cell.

During the event, students shared their experiences from the past five days, highlighting the personal transformations they had undergone. A few students who exhibited significant changes from Day 1 to Day 5 were recognized and awarded by the Naandi Foundation. Dr. Devika M addressed the gathering, commending the noticeable progress among the students and acknowledging the efforts of everyone involved in the program's success. At the conclusion of the event, all students were presented with certificates from Mahindra.

Certificate Program in Banking, Finance and Insurance

(A certificate course of 100 hours run in collaboration with Bajaj Finserv and Walchand Plus)

Report of CPBFI – Batch 2**About CPBFI**

CPBFI is a Certificate Program in Banking Finance and Insurance carried out by Bajaj Finserv in association with Walchand Plus throughout the country to upgrade the skills of the students in the areas of banking, finance and insurance so that they are ready for the industry. This is a 100 hour program with four main modules. The program also includes one HR workshop with mock interviews giving feedback on the performances in the interview. Sarada Vilas College and Bajaj Finserv entered into an MoU in 2022 to run CPBFI courses in Sarada Vilas College.

Overview of 'Batch 2'

Batch 2 of CPBFI course was run for first year M.Com. students. Prior to running the batch, all the first year M.Com. students were oriented on 19th of June 2023. Out of 60 students, 46 interested students registered for the course. The **second batch**, comprising of **46 first year M.Com.** students, was officially launched on 13th July 2023. The classes for batch 2 began on 14th July, 2023 and they ran till 2nd September, 2023. Students were trained in various aspects of banking, finance, insurance and communication. A HR workshop was organized for the students on 4th September, 2023. The batch officially ended on September 8th, 2023 with a post test.

Report

Background:

CPBFI is a Certificate Program in Banking Finance and Insurance carried out by Bajaj Finserv in association with Walchand Plus throughout the country to upgrade the skills of the students in the areas of banking, finance and insurance so that they are ready for the industry. This is a 100 hour program with four main modules. The program also includes one HR workshop with mock interviews giving feedback on the performances in the interview. Sarada Vilas College and Bajaj Finserv entered into an MoU in 2022 to run CPBFI courses in Sarada Vilas College.

Following the success of the first batch, orientation for the second batch of CPBFI was organized on 19th of June, 2023. Previous batch, which ran from November 2022 to March 2023, comprised of final year B.Com. students. For the second batch of CPBFI, first year M.Com was chosen as the target group.

Formalities:

After the welcome of the guests and the audience by Mr. Yathiraj, four students of the first CPBFI batch who were part of the previous CPBFI batch shared their experiences about CPBFI. This was followed by a speech of Sri. N. Chandrashekar, Hon. Secretary, SVEI who stressed on the importance of such programs. Certificates were issued thereafter to the students of the first batch.

Orientation:

Ms. Rashmi Mansukhani oriented the students through zoom on the necessity of CPBFI by explaining a survey indicating the lack of certain skills in students as required by the industries. Ms. Rashmi then explained how CPBFI is going to bridge the gap. She then explained the structure of CPBFI and the aspects covered in the program. Though session was online, the facilitator tried to make it interactive by asking questions and interacting through the chat box.

After the session by Ms. Rashmi, Mr. Rajeev G. P. spent nearly 30 minutes motivating the students to take up CPBFI. The responses of the students were positive.

Mr. Akshaya H. L., and Mr. Yathirajsharma M.V, conveners of placement cell, Mr. Pratap M. R, Ms. Arpitha K and Mr. Raj Kishore S.N., members of career guidance and placement cell were present. Ms. Arpitha K moderated the entire program.
