### Policy Document for Green Campus and Environmental Initiatives

In keeping with its vision and mission, Sarada Vilas College has prioritized and is passionate about adopting green ideas on campus. Our main goal is to increase student understanding of green practices and inform stakeholders. The Institution conserves natural resources, manages water resources, waste, solar and electric energy, and provides paper that is environmentally friendly and consumes the least amount of paper. The institution uses the subsequent processes to develop and maintain a green and environmentally friendly campus. The processes are as follows-

- **Water Management**

- Use efficient management strategies to conserve water and decrease usage.

The college has always used rainwater gathering and recycling as a technique to address and manage challenges with future water scarcity.

Regularly check taps for drainage and rectify any issues right immediately to avoid losing drinkable water.

- **Waste Management**

- Prevent the usage of plastics in the campus.

Spread the awareness amongst society about the waste management for the ecosystem and methods for its disposal.

- Promote the efforts for the conversion of waste into renewable energy.

### Green Policy

Sarada Vilas College is dedicated to operating year-round with a commitment to minimizing environmental impact through sustainable practices. The institution adheres to the following principles to promote eco-friendly practices on campus:

#### I. Waste Management

To reduce non-recyclable waste and enhance recycling efforts, the college commits to:

- Minimizing waste from the canteen, staff rooms, and offices.
- Handing over e-waste to certified recycling companies for safe disposal.
- Utilizing garden waste for compost production.
- Encouraging reusable resources and minimizing unnecessary packaging.
- Implementing waste segregation at the source using separate bins for wet, dry, and e-waste.
- Promoting bio-waste recycling through vermicompost unit.
- Ensuring scientific disposal of all waste to prevent direct environmental release.

#### II. Energy Conservation

To reduce energy consumption, particularly from fossil fuels, the college commits to:

- Prioritizing energy-efficient and eco-friendly appliances, including LED bulbs.
- Providing energy-efficient heating systems with user-friendly controls.
- Ensuring all electrical equipment and computers are switched off or set to standby mode when not in use.
- Raising awareness among staff and students through reminders.

#### III. Environmentally Sound Purchases and Developments

The college ensures that all improvements, purchases, and developments are environmentally responsible by:

- Procuring efficient and eco-friendly appliances.
- Replacing outdated equipment with greener alternatives.

  
**Dr. M. Devika**  
M.Sc., M.Phil., Ph.D.  
Principal  
Sarada Vilas College,  
Krishnamurthypuram, Mysuru

#### IV. Sustainable Transport

To minimize unsustainable transport usage by staff and students, the college:

- Promotes the use of bicycles and battery operated vehicles among staff and students residing near the campus.

#### V. Water Conservation

To reduce water consumption, the college commits to:

- Rainwater harvesting.
- Promptly repairing water leaks, such as dripping taps.
- Encouraging reduced water usage among staff and students.
- Using efficient and hygienic water storage systems to minimize electricity usage during water filtration and prevent wastage.

#### VI. Chemical Pollution Reduction

To minimize chemical pollutants on campus, the college commits to:

- Using eco-friendly cleaning products.
- Disposing of chemical waste from laboratories scientifically.
- Banning plastic usage on campus.

#### VII. Green Campus Initiatives

To enhance greenery, the college encourages:

- Celebrating Environment Day and biodiversity day.
- planting more and more number of saplings.
- Developing a green campus by maintaining the existing trees.

#### VIII. Environmental Awareness

To foster environmental awareness, the college commits to:

- Organizing environmental workshops.
- Celebrating Environment Day annually to spread awareness.
- Integrating environmental awareness into coursework, research projects, and community service.
- Arranging field trips and NSS Camps to nearby villages to engage students in creating awareness.

#### IX. Green Building Standards

To ensure buildings meet green standards, the college commits to:

- Consulting experts to review and improve the energy efficiency of existing buildings.
- Conducting energy audit.

  
**Dr. M. Devika**  
M.Sc., M.Phil., Ph.D.  
Principal
