### Sharadotsava-2024

The inaugural program of 'Sharadotsava-2024' was held on two interludes. The chief guest of the program was retired professor of Kuvempu Institute of Kannada Studies, University of Mysore, Preeti Shubachandra had been invited on the day. While inaugurating the programme, she opined that intellect and emotions are the most important centers of human personality and life. When both intellect and emotions merge with each other, human life becomes beautiful. If knowledge-centered things prevail apart from emotion, human beings will be left insensitive.

### Stage Chemistry: Neuro-psychiatric Disorders on Stage

The Department of English in collaboration with IQAC, had organized a play titled 'Stage Chemistry: Neuro-Psychiatric Disorders on Stage' on April 4, 2024 at Sarada Vilas College which aimed at combining entertainment with educational value and thus fulfilling the twin obligation. The chief guest for the event was Dr. R. Purnima, formerly an English professor at KSOU in Mysore and currently serving as the Director of the Children's Literary Club in Mysore.

Dr. M. Devika, principal of SVC, presided over the program who appreciated this innovative play for its educational value which enlightened the students beyond curriculum to initiate the young to new knowledge and encourage further exploration. All the faculty members, BSc and BCA students were present in the program.

**One Day National Workshop on Recent Trends in Research Methodology Organized by Post-Graduate Department of Chemistry & IQAC on 29<sup>th</sup> January, 2024**

To update researchers on recent trends and advancements in research methodology, promoting innovative and high-quality research. The topic "Recent Developments and Best Practices in Qualitative Research Methods and Opportunities and Challenges" Highlighted emerging qualitative approaches and their applications, discussed latest statistical techniques and research design considerations and explored the potential and limitations of mixed-methods research.
